One to Become a Nun

Marie Dionne, one of the Dionne quintuplets (standing, left), will split up the quints for the first time. Marie will enter the Roman Catholic Order of the Sisters of the Holy Sacrament at Quebec City to become a nun. The quintuplets, now 19, are left to right (standing): Marie, Emilie and Annette. Seated are Cecile (left) and Yvonne. (NEA Telephoto).

Iran's Shah Is in Baghdad On Way to Power in Tehran

AEC Leader Says Bombs No Defense

'It Is Idle to Assume' Enemies Can't Make Atomic Weapons; Are to Meet

Washington, Aug. 21 (AP) — Chairman Lewis L. Strauss of the Atomic Energy Commission (AEC) says "it is idle to assume that it is beyond the capabilities of our potential enemies to develop atomic weapons with a tremendously destructive capacity."

"It is also a fallacy," he said, "to assume that a stockpile of atomic weapons in our hands is in itself any longer a complete deterrent to aggressive action."

Strauss made the statements in a letter to Sen. Wiley (R-Wis), dated Aug. 19 and evidently written a few hours before Moscow announced that a type of hydrogen bomb had been exploded in a Soviet experiment.

The AEC chairman shortly thereafter issued a statement confirming that U. S. minitors had detected an atomic explosion in the Soviet, on Aug. 12, and that it included "thermonuclear" reactions—the scientific name for the hydrogen fusion proces.

Members to Meet

His letter, made public today by Wiley, came as members of the Senate-House Atomic Energy Committee who could get here were assembling for a closed session to discuss "current events."

Obviously, the latest Soviet atomic development was the big item on the agenda. Asked to brief committee members were officials of Strauss' commission and of the Central Intelligence Agency (CIA).

It seemed doubtful that there

Arafa Now Is Boss of Morocco

Paris, Aug. 21 (AP)—Moulay Mohammed Ben Arafa was confirmed as the new sultan of Morocco today.

Moroccans received calmly the news that Arafa, the 64-year-old uncle of Sidi Mohammed Ben Youssef, who was deposed by France as sultan yesterday and sent into exile on Corsica, is to move into the ruler's palace at Rabat.

Apparently the threat of civil war between the deposed sultan's Nationalistic followers and the Berber countrymen who rallied behind Pasha Thami El Glaoui of Marrakech had receded.

No outbreaks of violence were reported, either in French Morocco or Tangier, the international zone.

But France maintained an iron vigil over her North African protectorate. Heavy guards were alert in all Moroccan cities.

A French government spokesman announced last night that Arafa, a wealthy resident of Fez, would succeed to the throne as Morocco's temporal and religious ruler.

Selection Confirmed

The Senior Religious Council of Morocco, a tribunal of ulemas or religious scholars, confirmed the selection today in a meeting at Fez.

This action followed his formal selection by the Maghzen, or Supreme Council. This council is composed of the grand vizier, or prime minister, the minister of justice and the minister in charge of Morocco's many Moslem religious foundations.

Next will come Arafa's solemn enthronement at Rabat. The time of this ceremony has not been set.

Bitter Foe of Nephew

Arafa, a bitter enemy of his nephew, was named Ilman (religious leader) of Moroccan Moslems in a coup engineered last week by the sultan-hating pro-French Pasha of Marrakech. The religious post had been a source of much of the independence-minded monarch's power and influence.

The sultan was deposed by the French yesterday and exiled with his family to the Mediterranean island of Corsica.

At United Nations headquarters in New York, Asian-Arab representatives failed in an attempt to dramatize their protests against the ouster of the sultan. Syria's Faris Zeineddine, chairman of the 16-nation group this month, was ruled out of order when he tried to speak on the issue at a meeting of the General Assembly's political committee.

Tehran Demonstrators Topple Statue

A statue of the father of Mohammed Reza Pahlevi, the Shah of Iran, is pulled over by anti-Shah demonstrators in Tehran's Parliament Square August 17. A crane is used to pull the statue from its position. On August 19 an Iranian mob drove Premier Mossadegh from power and restored authority to the Shah who was in Rome. (AP Wirephoto via radio from London).

Queen Stays In Rome for Needed Rest

Shah's Sister Also Is Left Behind; 20 Newsmen Accompany Monarch to Capital

Baghdad, Iraq, Aug. 21 (AP)—The Shah of Iran, triumphantly en route from exile in Rome, landed here today.

The Iranian diplomats, beholden to Mossadegh, gave their ruler the cold shoulder when he made a stopover here Sunday on his flight from his country where Mossadegh police were busily rounding up Royalists.

The Shah's chartered Constellation, with 20 newsmen aboard, landed after a seven-hour flight from Rome. An army band played the Iranian national anthem as he descended the gangplank.

He said he would stay here over night in the company of his "good friend", 18-year-old King Faisal of Iraq, and personally fly his own plane to Tehran tomorrow.

Escapes to Baghdad

It was in this plane that he escaped to Baghdad last Sunday with three suitcases as his only luggage. He said Queen Soraya, who remained behind in Rome because she was tired and ill from recent trying events, would follow him "very soon."

Rome's Iranian colony and legation, which turned its back on the Shah's arrival as a fugitive Monday with 20-year-old Queen Soraya, came out in force to cheer his departure by plane early today.

In a chartered Royal Dutch (KLM) airliner, the Shah and a party of officials and newsmen headed for Baghdad, capital of his own country's next-door neighbor, Iraq.

Queen Soraya, exhausted and upset by the week's excitement, remained in Rome to rest up.

Also left behind was the Shah's strong-willed twin sister, Princess Ashraf. Mossadegh had exiled her because she fought his encroachments on the royal power. She hurried from the Riviera to her brother's side yesterday. Last night she told newsmen she might drop in on Tehran later for a visit.

Baghdad had been the Shah's first haven Sunday after Mossadegh's armed forces foiled the attempt of palace guards to enforce a royal decree naming Maj. Gen. Fazollah Zahedi premier.

Fleeing to Iraq in his own plane, the Shah and his wife went on to Rome Monday by British airliner. He dashed homeward almost as hurriedly after Iran's masses and its army rallied to Zahedi and their ruler's standard and drove Mossadegh from his heavily-fortified home Wednesday. Three hundred or more died in the fighting.

Premier Surrenders

The weepy-eyed old premier, who drove the British out of his nation's vast oilfields and then tried so hard to clip his ruler's power, surrendered yesterday to Zahedi at his headquarters in the Central Tehran Officers Club. Weak and limping, he still had on his habitual pink pajamas.

His future was uncertain. Zahedi, in a "give yourself up" broadcast 12 hours earlier, had said, "we will wait for the nation to say what should be done with him."

The ex-premier's political adviser, Ali Shayegan, and two former cabinet ministers, surrendered with him. There was no word of Mossadegh's chief henchman, fiery former Foreign Minister Hossein Fatemi. Earlier reports, never confirmed, said the mob tore him to pieces Wednesday.

Held at Officers Club

Mossadegh and his three associates were held in rooms on the top floor of the Tehran Officers Club. Tanks and troops guarded the building.

News of Mossadegh's surrender galvanized the young Shah in Rome. He impatiently awaited the arrival of the chartered airliner, which was forced back to Amsterdam for a two-hour delay by engine trouble.

Another delay developed at the Rome airport when KLM officials for a time refused to transport a dozen newsmen invited by the Shah to accompany the flight because they did not have transit visas for Iraq.

On orders from KLM headquarters from Amsterdam, however, the Rome officials finally permitted the newsmen aboard. Among them was this corresponn-

Unions Order Thousands To Return to Their Jobs

Back-to-Work Response Is Slow — Terms Are Discussed by Workers

Paris, Aug. 21 (AP)—Non-Communist unions ordered thousands of workers back to their jobs today—the first break in the wave of strikes that has strangled France for 16 days.

But the back-to-work trek was slow. Unions were meeting all over France to discuss the terms of settlement.

The Socialist Workers' Force (FO) and the Christian Labor Federation (CFTC) reached agreement with Premier Joseph Laniel's government early today for postal, telegraph and telephone workers to end their strike. Other government workers were expected to join the back-to-work movement.

Calls Are Fruitless

But attempts to put in telephone calls to other cities in France still were fruitless this afternoon. The communications services were not expected to be back to normal before Monday in any case.

On other strike fronts there was little perceptible change. Only a few railroad trains were running, though Socialists and Catholics ordered their rail men back to work.

The Paris subway and bus system were still partially paralyzed.

Coal mines were still idle.

Furthermore, a 48-hour strike of metal workers called by non-Communist unions began today. Thousands of workers were reported idle at steel mills and other factories in the nation.

But the management at the big Renault automobile plant in Paris said only 2,000 of its 16,000 workers failed to show up.

Promises Reported

The government was reported to have promised the postal, telephone and telegraph strikers:

1. To call into session before Sept. 30 a commission to consider the general upward revision of French wages.

2. To take no sanctions against strikers.

3. To consult the unions before putting into effect Laniel's proposed economy decrees upping retirement age limits and cutting other benefits.

These decrees were the original cause of the strike. The strikers later added demands for wage increase and bonuses.

The settlement was expected to form a pattern for settlement of other strikes.

Demand Restated

The Catholis Union, CFTC, today restated its demand that Parliament be called back next week to consider the labor situation. The Steering Committee of the National Assembly was to meet later to decide whether to summon Parliament from its summer vacation. Informed sources said they believed the committee would decide against such a call.

But observers warned that plenty of trouble may still lie ahead for Laniel.

The Communist-led General Confederation of Labor (CGT), left out of the negotiations, had not yet indicated any end to its walkout. The CGT controls the bulk of the railroad workers and transportation officials said the lines could operate only on a reduced scale without its members.

Board Appoints New Patrolman

FRANCIS A. BUCHANAN

The Board of Police Commissioners yesterday appointed Francis A. Buchanan, 24, of 43 Sycamore street as a patrolman.

The new officer is due to start on duty Sept. 1 for a three months' probationary period. The appointment brings the department to full roster strength, but it will again be short a man if Sgt. James Cullum, who is on a leave of absence, does not return.

Buchanan was one of the last two men on the civil service eligibility list. The name of Walter C. Schmitz, of 82 Third avenue, is still conditionally on the list. He had previously declined appointment.

Native of Kingston

Buchanan is a native of Kingston. He attended local schools and served in the U. S. Army paratroopers from 1951 until last January.

Police Chief Raymond Van Buren's monthly report to the board showed 18 persons injured in 12 traffic mishaps in July. Three of the accidents involved pedestrians, seven involved other motor vehicles, one a bicycle, and one was a non-collision mishap.

The chief's arrest report showed 97 brought in, and of these 45 were for public intoxication, 13 for disorderly conduct, 10 for violations of the vehicle and traffic law, eight violations of the city traffic code, five for third degree assault, two for driving while intoxicated, two for burglary third degree, one for second degree grand larceny, two for violations of the labor law, and one of second degree assault.

Of those arrested 29 were confined to jail, 26 drew suspended sentences, 12 were fined and nine were discharged. Two cases were referred to the grand jury and eight forfeited bail.

Churchill Tells His Ministers to Return

London, Aug. 21 (AP)—Prime Minister Churchill today told his vacationing ministers to be back in London for another meeting of the cabinet next Tuesday.

This will be the second cabinet meeting the 78-year-old Churchill has presided over since doctors ordered him to take a rest from affairs of state two months ago. He called a surprise meeting of ministers last Wednesday to review developments in foreign affairs.

Next Tuesday's meeting is expected to deal with events in Iran and the differences of opinion in the United Nations about selecting the committee for the Korean peace talks.

All cabinet ministers—with the exception of Foreign Secretary Anthony Eden, convalescing abroad after a series of gall bladder operations—will be in London for the meeting.

Scandinavians Also Favor India's Role

United Nations, N. Y., Aug. 21—The Scandinavian countries today joined the growing list of UN governments lining up in favor of India's participation in the Korean peace conference.

Despite increased United States efforts to block the inclusion of India, Denmark this morning became a co-sponsor of an Australia-New Zealand resolution recommending a seat for Prime Minister Nehru's government.

Both Sweden and Norway later told the General Assembly's 60-Nation Political Committee they would support the proposal.

Sweden's Richard Sandler also told the committee his government "sees no reason for Sweden to be a negotiating member" of the parley.

Both Sandler and Norwegian delegate Hans Engen supported the inclusion of Russia in the conference, as well as all the countries who took part in the fighting on either side.

Meanwhile, the delegates studied a new Indian proposal which some said would give Communist China and North Korea a veto over the UN's choices for the conference table.

One Man Is Killed in Riot At Washington State Prison

Monroe, Wash., Aug. 21 (AP)—Three-hundred angry inmates of the Washington State Reformatory last night went on a destructive spree that ended hours later with one man dead, three injured and five of the institution's sprawling buildings destroyed by fire.

Half of the rioters were in a cell block, the others on the grounds in the center of the buildings they had set torch to in a sudden outbreak of frenzied viciousness. Guards patrolled the walls keeping inmates on the grounds under surveillance throughout the night.

The rioters struck without warning during the evening recreation period. One group took over one of the reformatory's two large cell blocks and the other ran through the grounds setting fire to the buildings surrounding the recreation area.

Three-hundred other prisoners took no part in the uprising.

Guards made no effort to stop the stone-throwing, bat-hurling, cursing, howling convicts. The Monroe Volunteer Fire Department was called and arrived within minutes. But before they could start work they were driven back by stones and bats hurled by the men on the grounds.

No attempt was made by any of the convicts to communicate with Warden P. J. Squier or other officials — except to hurl taunts and debris through windows and at guards.

And no explanation for the outbreak could be had from Squier. One guard said, however, that there had been trouble during the day. He would not explain further.

Most of the inmates at the reformatory are younger offenders in their 20s. Older and more hardened criminals are kept in the Washington State Penitentiary.

Meanwhile, inmates who were rioting in the cell block were tearing up plumbing, breaking out windows and destroying furnishings. They, too, howled and cursed as they destroyed.

Then, several hours after the first outbreak at 7 p. m., PST, a group of the men on the grounds tried to break through the gate. Guards, almost shoulder to shoulder atop the 30-foot high walls and armed with everything from riot guns to tommyguns, opened fire.

Four men fell. One was mortally wounded. Another, struck by a richocheting bullet which passed through his head right behind his eyes, lay on the ground screaming: "Oh God, knock me out! Knock me out!"

Doctors said later he would be forever sightless.

The other two men were not wounded seriously.

Then, the law officers started moving into the cell block and onto the grounds. A small heavily armed force led by State Patrol Sgt. O. S. Buehler and Snohomish County Sheriff Tom Warnock entered the cell block. They were greeted with a barrage of debris and curses but this subsided quickly when they saw the officers meant business.

The same scene occurred on the grounds. Officers moved in slowly but steadily, herding the sullen group before them until the rioters were congregated on the institution's baseball diamond.

Behind them glowed the embers of the brick plant's wooden building and the still red hot steel in

(Continued on Page 2, Col. 6)

Treasury Receipts

Washington, Aug. 12 (AP)—The position of the treasury Aug. 19, 1953: Net budget receipts $244,154,673.22. Budget expenditures $208,300,007.74. Cash balance $8,164,310,710.75. Budget receipts fiscal year July 1 $6,147,981,126.12. Budget expenditures fiscal year $9,814,608,783.13. Budget deficit $3,666,627,657.01. Total debt $272,655,355,035.70. Gold assets $22,228,038,559.70.

PVI Owner Held On Arson Charge

Cole 'Questions' Tale of Code Theft

Tells News Conference His Agency Has Not Made Decision

Washington, Aug. 21 (AP)—A top official of the government printing office said today he "would certainly question" testimony that Edward Rothschild stole a secret code and other confidential material from the printing plant.

Philip L. Cole, deputy public printer, also told a news conference the GPO has not yet decided what it will do about Rothschild.

Rothschild, 42-year-old bookbinder, was suspended earlier this week when he refused to tell the Senate Investigations subcommittee whether he is a Communist or has ever pilfered confidential material.

Testimony Made Public

The subcommittee, headed by Sen. McCarthy (R.-Wis.), made public yesterday testimony from a former GPO employe, Miss Cleta Guess, that Rothschild pocketed a secret code of the U. S. Merchant Marine which was sent to the GPO for printing during World War 2.

Miss Guess told her story at a closed session of the committee last week. She left the GPO several years ago and is now a storekeeper in New Orleans.

She testified that Rothschild, in addition to stealing the code, also pocketed pamphlets "pertaining to military stuff" on "a few occasions." She gave no dates but it was apparent from her testimony that the time of the alleged actions was in the early 1940s.

C. C. Frank Is Free on Bail, Awaits Grand Jury Action

Christen Charles Frank, 46, owner of the Pleasant Valley Inn on Route 9W between Kingston and Saugerties was arrested Thursday afternoon by state police on a charge of second degree arson.

State police said the arrest followed investigation of a fire which alert troopers spotted and quenched in a second-story room of the inn on Aug. 11.

Free on Bail

Arraigned before Justice of the Peace Harold E. Macholdt of the town of Ulster, Frank waived examination and was ordered held for grand jury action. He was committed to the Ulster county jail, but was later released on property bail.

The arrest was made by Sgt. Arthur A. Reilly, BCI, after an investigation which followed the reporting of a fire on Tuesday, Aug. 11, which damaged a mattress and chair.

Troopers Spot Fire

About 7:30 p. m. that date, Troopers J. Ripa and J. J. Cullum of the Kingston station, who were on a routine patrol, saw smoke pouring from the windows of a room on the northwest corner of the two-story, 11-room inn at Glenerie. The troopers routed a score of diners and boarders and extinguished the flames with a carbon dioxide extinguisher.

The Glasco Fire Company was called, but the fire was under control when it arrived. Firemen

Officials, Exhibitors Term Fair One of Most Successful

Thousands of spectators lined the enlarged show ring and filled the embankment which forms a natural grandstand at Forsyth Park Thursday afternoon to watch the horse show during the closing hours of the Ulster County Fair.

Officials and exhibitors pronounced the fair one of the most successful two-day fairs held in the county.

As the clear, cool weather contined to prevail, many exhibitors recalled their difficulties of last year, when a downpour of rain came just as the 1952 fair was breaking up.

In the homemaking department of this year's fair, the total number of entries was 100 more than last year.

The sweepstakes winner in that department was Miss Edna Ten Hagen of High Falls, with a total of 132 points figured on the basis of three points for each first place, two points for each second place and one point for each third place ribbon. Miss Ten Hagen had 23 firsts, 24 seconds and 15 thirds.

In spite of the larger number of entries, homemaking department officials said they felt the pavilion appeared less crowded because of better organization. An experiment this year drew favorable comments from officials and exhibitors and probably will be repeated. This was the new ruling permitting exhibitors of baked goods to remove their articles after the first day instead of requiring them to remain on view throughout the fair. The result was that persons were able to buy some of the cakes and other baked goods from the exhibitor while the items were still

(Continued on Page 2, Col. 3)

150 Shout, Dance On Release From Communist Camp

Americans Rejoice Over Freedom From Prison for 'Incorrigibles;' 300 Koreans Out

Panmunjom, Aug. 21 (AP) — A rollicking 150 Americans, the largest single-day delivery yet in the Korean war prisoner exchange, rode out of Red captivity at this wayside village today.

Eager as youngsters, they shouted and danced as they were freed with 300 South Koreans.

The Americans were from Camp 1 at Chongsong on the Yalu river, the Red stockade for "incorrigibles" who actively resisted communism.

The repatriates said the first group of Americans from a fourth Red prison—Camp 9 Langgye—arrived Thursday night at Kaesong, the Red clearing site just north of Panmunjom.

All other American POWs sent back have been from Camps 1, 3 and 5, including some men transferred to these camps from other stockades.

Saturday's shipment was expected to include some Camp 9 prisoners, a number of whom were reported only recently captured.

The Reds said Saturday's delivery would include 94 Americans —30 of them sick or wounded— 300 South Koreans, 23 British, 13 Canadians, 3 Australians, 2 French, 1 Turk and 1 Colombian.

Three Canadians, 2 British, 1 Australian and the Turk were listed as sick or wounded.

1,465 U. S. Men Freed

The 150 Americans returned Thursday brought the total to 1,465 of the 3,313 the Reds said they held. In all, 6,983 allied prisoners have been returned of the 12,763 listed by the Communists.

No Communist POWs were sent north Friday for the second straight day, but more were scheduled to be handed over Saturday. Typhoon winds earlier in the week halted shipments from the allied island prison camps off southern Korea.

The Americans returning Friday were in high spirits, but they also bore more reports of Red brutality and mistreatment, especially against allied airmen.

'Death Against Aviators'

The Reds were "death against aviators" said Cpl. Phillip E. Rogers of Denver. He said one navy flier from the U. S. carrier Leyte was stripped to a light shirt and summer pants, and forced to remain outside in 25 below zero weather.

Another repatriate told of a mentally-ill American soldier tied to a tree outside the hospital at Camp 1 and left there until he died.

"I think they tied him to that tree and let him die there because they just did not want to take proper care of him," said Cpl. Melvin R. Heath of Indianapolis.

Tell About Torture

Others told of beatings for

Native of Kingston

Buchanan is a native of Kingston. He attended local schools and served in the U. S. Army paratroopers from 1951 until last January.

Police Chief Raymond Van Buren's monthly report to the board showed 18 persons injured in 12 traffic mishaps in July. Three of the accidents involved pedestrians, seven involved other motor vehicles, one a bicycle, and one was a non-collision mishap.

The chief's arrest report showed 97 brought in, and of these 45 were for public intoxication, 13 for disorderly conduct, 10 for violations of the vehicle and traffic law, eight violations of the city traffic code, five for third degree assault, two for driving while intoxicated, two for burglary third degree, one for second degree grand larceny, two for violations of the labor law, and one of second degree assault.

Of those arrested 29 were confined to jail, 26 drew suspended sentences, 12 were fined and nine were discharged. Two cases were referred to the grand jury and eight forfeited bail.

Back-to-Work Response Is Slow — Terms Are Discussed by Workers

Paris, Aug. 21 (AP)—Non-Communist unions ordered thousands of workers back to their jobs today—the first break in the wave of strikes that has strangled France for 16 days.

But the back-to-work trek was slow. Unions were meeting all over France to discuss the terms of settlement.

The Socialist Workers' Force (FO) and the Christian Labor Federation (CFTC) reached agreement with Premier Joseph Laniel's government early today for postal, telegraph and telephone workers to end their strike. Other government workers were expected to join the back-to-work movement.

Calls Are Fruitless

But attempts to put in telephone calls to other cities in France still were fruitless this afternoon. The communications services were not expected to be back to normal before Monday in any case.

On other strike fronts there was little perceptible change. Only a few railroad trains were running, though Socialists and Catholics ordered their rail men back to work.

The Paris subway and bus system were still partially paralyzed.

Coal mines were still idle.

Furthermore, a 48-hour strike of metal workers called by non-Communist unions began today. Thousands of workers were reported idle at steel mills and other factories in the nation.

But the management at the big Renault automobile plant in Paris said only 2,000 of its 16,000 workers failed to show up.

Promises Reported

The government was reported to have promised the postal, telephone and telegraph strikers:

1. To call into session before Sept. 30 a commission to consider the general upward revision of French wages.

2. To take no sanctions against strikers.

3. To consult the unions before putting into effect Laniel's proposed economy decrees upping retirement age limits and cutting other benefits.

These decrees were the original cause of the strike. The strikers later added demands for wage increase and bonuses.

The settlement was expected to form a pattern for settlement of other strikes.

Demand Restated

The Catholic Union, CFTC, today restated its demand that Parliament be called back next week to consider the labor situation. The Steering Committee of the National Assembly was to meet later to decide whether to summon Parliament from its summer vacation. Informed sources said they believed the committee would decide against such a call.

But observers warned that plenty of trouble may still lie ahead for Laniel.

The Communist-led General Confederation of Labor (CGT), left out of the negotiations, had not yet indicated any end to its walkout. The CGT controls the bulk of the railroad workers and transportation officials said the lines could operate only on a reduced scale without its members.

Churchill Tells His Ministers to Return

London, Aug. 21 (AP)—Prime Minister Churchill today told his vacationing ministers to be back in London for another meeting of the cabinet next Tuesday.

This will be the second cabinet meeting the 78-year-old Churchill has presided over since doctors ordered him to take a rest from affairs of state two months ago. He called a surprise meeting of ministers last Wednesday to review developments in foreign affairs.

Next Tuesday's meeting is expected to deal with events in Iran and the differences of opinion in the United Nations about selecting the committee for the Korean peace talks.

All cabinet ministers—with the exception of Foreign Secretary Anthony Eden, convalescing abroad after a series of gall bladder operations—will be in London for the meeting.

Treasury Receipts

Washington, Aug. 12 (AP)—The position of the treasury Aug. 19, 1953: Net budget receipts $244,154,673.22. Budget expenditures $208,300,007.74. Cash balance $8,164,310,710.75. Budget receipts fiscal year July 1 $6,147,981,126.12. Budget expenditures fiscal year $9,814,608,783.13. Budget deficit $3,666,627,657.01. Total debt $272,655,355,035.70. Gold assets $22,228,038,539.70.

Scandinavians Also Favor India's Role

United Nations, N. Y., Aug. 21 —The Scandinavian countries today joined the growing list of UN governments lining up in favor of India's participation in the Korean peace conference.

Despite increased United States efforts to block the inclusion of India, Denmark this morning became a co-sponsor of an Australia-New Zealand resolution recommending a seat for Prime Minister Nehru's government.

Both Sweden and Norway later told the General Assembly's 60-Nation Political Committee they would support the proposal.

Sweden's Richard Sandler also told the committee his government "sees no reason for Sweden to be a negotiating member" of the parley.

Both Sandler and Norwegian delegate Hans Engen supported the inclusion of Russia in the conference, as well as all the countries who took part in the fighting on either side.

Meanwhile, the delegates studied a new Indian proposal which some said would give Communist China and North Korea a veto over the UN's choices for the conference table.

One Man Is Killed in Riot At Washington State Prison

Monroe, Wash., Aug. 21 (AP)—Three-hundred angry inmates of the Washington State Reformatory last night went on a destructive spree that ended hours later with one man dead, three injured and five of the institution's sprawling buildings destroyed by fire.

Half of the rioters were in a cell block, the others on the grounds in the center of the buildings they had set torch to in a sudden outbreak of frenzied viciousness. Guards patrolled the walls keeping inmates on the grounds under surveillance throughout the night.

The rioters struck without warning during the evening recreation period. One group took over one of the reformatory's two large cell blocks and the other ran through the grounds setting fire to the buildings surrounding the recreation area.

Three-hundred other prisoners took no part in the uprising.

Guards made no effort to stop the stone-throwing, bat-hurling, cursing, howling convicts. The Monroe Volunteer Fire Department was called and arrived within minutes. But before they could start work they were driven back by stones and bats hurled by the men on the grounds.

No attempt was made by any of the convicts to communicate with Warden P. J. Squier or other officials — except to hurl taunts and debris through windows and at guards.

And no explanation for the outbreak could be had from Squier. One guard said, however, that there had been trouble during the day. He would not explain further.

Most of the inmates at the reformatory are younger offenders in their 20s. Older and more hardened criminals are kept in the Washington State Penitentiary.

Meanwhile, inmates who were rioting in the cell block were tearing up plumbing, breaking out windows and destroying furnishings. They, too, howled and cursed as they destroyed.

Then, several hours after the first outbreak at 7 p. m., PST, a group of the men on the grounds tried to break through the gate. Guards, almost shoulder to shoulder atop the 30-foot high walls and armed with everything from riot guns to tommyguns, opened fire.

Four men fell. One was mortally wounded. Another, struck by a richocheting bullet which passed through his head right behind his eyes, lay on the ground screaming: "Oh God, knock me out! Knock me out!"

Doctors said later he would be forever sightless.

The other two men were not wounded seriously.

Then, the law officers started moving into the cell block and onto the grounds. A small heavily armed force led by State Patrol Sgt. O. S. Buehler and Snohomish County Sheriff Tom Warnock entered the cell block. They were greeted with a barrage of debris and curses but this subsided quickly when they saw the officers meant business.

The same scene occurred on the grounds. Officers moved in slowly but steadily, herding the sullen group before them until the rioters were congregated on the institution's baseball diamond.

Behind them glowed the embers of the brick plant's wooden building and the still red hot steel in

PVI Owner Held On Arson Charge

Cole 'Questions' Tale of Code Theft

Tells News Conference His Agency Has Not Made Decision

Washington, Aug. 21 (AP)—A top official of the government printing office said today he "would certainly question" testimony that Edward Rothschild stole a secret code and other confidential material from the printing plant.

Philip L. Cole, deputy public printer, also told a news conference the GPO has not yet decided what it will do about Rothschild.

Rothschild, 42-year-old bookbinder, was suspended earlier this week when he refused to tell the Senate Investigations subcommittee whether he is a Communist or has ever pilfered confidential material.

Testimony Made Public

The subcommittee, headed by Sen. McCarthy (R.-Wis.), made public yesterday testimony from a former GPO employe, Miss Cleta Guess, that Rothschild pocketed a secret code of the U. S. Merchant Marine which was sent to the GPO for printing during World War 2.

Miss Guess told her story at a closed session of the committee last week. She left the GPO several years ago and is now a storekeeper in New Orleans.

She testified that Rothschild, in addition to stealing the code, also pocketed pamphlets "pertaining to military stuff" on "a few occasions." She gave no dates but it was apparent from her testimony that the time of the alleged actions was in the early 1940s.

C. C. Frank Is Free on Bail, Awaits Grand Jury Action

Christen Charles Frank, 46, owner of the Pleasant Valley Inn on Route 9W between Kingston and Saugerties was arrested Thursday afternoon by state police on a charge of second degree arson.

State police said the arrest followed investigation of a fire which alert troopers spotted and quenched in a second-story room of the inn on Aug. 11.

Free on Bail

Arraigned before Justice of the Peace Harold E. Macholdt of the town of Ulster, Frank waived examination and was ordered held for grand jury action. He was committed to the Ulster county jail, but was later released on property bail.

The arrest was made by Sgt. Arthur A. Reilly, BCI, after an investigation which followed the reporting of a fire on Tuesday, Aug. 11, which damaged a mattress and chair.

Troopers Spot Fire

About 7:30 p. m. that date, Troopers J. Ripa and J. J. Cullum of the Kingston station, who were on a routine patrol, saw smoke pouring from the windows of a room on the northwest corner of the two-story, 11-room inn at Glenerie. The troopers routed a score of diners and boarders and extinguished the flames with a carbon dioxide extinguisher.

The Glasco Fire Company was called, but the fire was under control when it arrived. Firemen

Officials, Exhibitors Term Fair One of Most Successful

Thousands of spectators lined the enlarged show ring and filled the embankment which forms a natural grandstand at Forsyth Park Thursday afternoon to watch the horse show during the closing hours of the Ulster County Fair.

Officials and exhibitors pronounced the fair one of the most successful two-day fairs held in the county.

As the clear, cool weather continued to prevail, many exhibitors recalled their difficulties of last year, when a downpour of rain came just as the 1952 fair was breaking up.

In the homemaking department of this year's fair, the total number of entries was 100 more than last year.

The sweepstakes winner in that department was Miss Edna Ten Hagen of High Falls, with a total of 132 points figured on the basis of three points for each first place, two points for each second place and one point for each third place ribbon. Miss Ten Hagen had 23 firsts, 24 seconds and 15 thirds.

In spite of the larger number of entries, homemaking department officials said they felt the pavilion appeared less crowded because of better organization. An experiment this year drew favorable comments from officials and exhibitors and probably will be repeated. This was the new ruling permitting exhibitors of baked goods to remove their articles after the first day instead of requiring them to remain on view throughout the fair. The result was that persons were able to buy some of the cakes and other baked goods from the exhibitor while the items were still

150 Shout, Dance On Release From Communist Camp

Americans Rejoice Over Freedom From Prison for 'Incorrigibles;' 300 Koreans Out

Panmunjom, Aug. 21 (AP) — A rollicking 150 Americans, the largest single-day delivery yet in the Korean war prisoner exchange, rode out of Red captivity at this wayside village today.

Eager as youngsters, they shouted and danced as they were freed with 300 South Koreans.

The Americans were from Camp 1 at Chongsong on the Yalu river, the Red stockade for "incorrigibles" who actively resisted communism.

The repatriates said the first group of Americans from a fourth Red prison—Camp 9 Langgye—arrived Thursday night at Kaesong, the Red clearing site just north of Panmunjom.

All other American POWs sent back have been from Camps 1, 3 and 5, including some men transferred to these camps from other stockades.

Saturday's shipment was expected to include some Camp 9 prisoners, a number of whom were reported only recently captured.

The Reds said Saturday's delivery would include 94 Americans —30 of them sick or wounded— 300 South Koreans, 23 British, 13 Canadians, 3 Australians, 2 French, 1 Turk and 1 Colombian.

Three Canadians, 2 British, 1 Australian and the Turk were listed as sick or wounded.

1,465 U. S. Men Freed

The 150 Americans returned Thursday brought the total to 1,465 of the 3,313 the Reds said they held. In all, 6,983 allied prisoners have been returned of the 12,763 listed by the Communists.

No Communist POWs were sent north Friday for the second straight day, but more were scheduled to be handed over Saturday. Typhoon winds earlier in the week halted shipments from the allied island prison camps off southern Korea.

The Americans returning Friday were in high spirits, but they also bore more reports of Red brutality and mistreatment, especially against allied airmen.

'Death Against Aviators'

The Reds were "death against aviators" said Cpl. Phillip E. Rogers of Denver. He said one navy flier from the U. S. carrier Leyte was stripped to a light shirt and summer pants, and forced to remain outside in 25 below zero weather.

Another repatriate told of a mentally-ill American soldier tied to a tree outside the hospital at Camp 1 and left there until he died.

"I think they tied him to that tree and let him die there because they just did not want to take proper care of him," said Cpl. Melvin R. Heath of Indianapolis.

Bert Andrews Is Heart Victim in Denver Hospital

New York, Aug. 21 (AP)—Bert Andrews, chief of the New York Hearald Tribune's Washington Bureau, died early today in Denver, the newspaper reported.

He had been in Denver covering President Eisenhower during the President's vacation there.

Andrews was reported to have suffered a mild heart attack Wednesday night, but had been believed to be recovering. He died in a hospital.

Andrews, a Pulitzer Prize winner and one of the nation's best known newspapermen, was 52 years old.

He became chief of the Herald Tribune's Washington Bureau in June, 1941, after serving as the newspaper's Albany, N. Y., state capitol correspondent.

Andrews was the author of "Washington Witchhunt," a book in which he hit at what he called political hysteria in Washington.

Pay Roll Is Seized

New York, Aug. 21 (AP)—Three gunmen grabbed a $7,000 pay roll today from the treasurer of a plumbing concern just after he had obtained the cash at a bank.

DIED

MASTERS—In this city at residence, 45 Lafayette avenue, August 20, 1953, Mary E. Wood Masters.

Funeral at the parlors of A. Carr & Son, 1 Pearl street, on Saturday at 2 p. m. Relatives and friends are invited. Interment in the Fairview Cemetery, Stone Ridge. Friends may call at the parlors on Friday between the hours of 3 and 5 and 7 and 9 o'clock.

MAYES—At rest Aug. 20, 1953, William Mayes of Pine Hill, N. Y., beloved husband of Anna Mayes, nee Harrington; devoted brother of Claude of New Kingston, Chester of Delhi, Mrs. Iva Oakley of Delhi, Mrs. Ella Gallup of Fleischmanns.

Body reposing at the Gormley Funeral Home until 12 noon Saturday. Funeral services Saturday at 2 p. m. at the Pine Hill Community Church. Interment in the Pine Hill Cemetery, Pine Hill, N. Y.

PAUL—At rest, Aug. 21, 1953, Carroll of Mt. Tremper, N. Y., beloved husband of Florence Paul, nee Atkins.

Funeral service Saturday evening at 8 o'clock at the Gormley Funeral Home, Phoenicia. Interment in Boston, Mass., at the convenience of the family.

SLATER—In this city, Aug. 19, 1953, Mary Slater, mother of John and Edward Slater, Mrs. John Ellsworth and Margaret Slater; sister of Mrs. Anna Brown, Horace and John Ellsworth.

Funeral services will be held at the W. N. Conner Funeral Home, Inc., Saturday, Aug. 22, 1953, at 10 a. m. Interment Hurley Cemetery.

Memoriam

In memory of our brother, Ulysses Taylor who departed from life one year ago today.

Gone but not forgotten.

Will Unveil Monument

The unveiling of a monument in memory of Mrs. Vera Tudoroff will be held Sunday, Aug. 23, at 11:30 a. m. at the Agudas Achim Cemetery.

Aduchefsky Monument

A monument in memory of Mrs. Lena Aduchefsky will be unveiled on Sunday, Aug. 23, at 2 p. m. at the Workmen's Circle, Montrepose Cemetery.

Edward J. Thatcher

Funeral services for Edward J. Thatcher who died Tuesday at his home in Bearsville were held Thursday at 2 p. m. from the Lasher Funeral Home in Woodstock. The Rev. Harvey I. Todd officiated. There were many beautiful floral offerings testifying to the high esteem in which Mr. Thatcher was held. Burial took place in Mt. Evergreen Cemetery, Woodstock.

Mrs. Caroline Brandes

The funeral of Mrs. Caroline Brandes, 92, of Black Creek, who died last Sunday morning after a long illness, was held Tuesday, 2 p. m. at Belfast. The Rev. Elmer Francisco officiated at the services in the home of the late Mrs. Brandes' granddaughter, Mrs. Alfred Snyder, and burial was in the Belfast Cemetery. She is survived by a daughter, Mrs. Belle Wood of West Shokan; two sons, Merrill Avery of Wellsville and Mitchell Avery of Kerhonkson; a step-daughter, Mrs. Florence Grastfro of Belfast, and a stepson, Ed Avery of West Shokan; also 21 grandchildren and six great-grandchildren.

Mrs. Fred Perry

The funeral of Mrs. Fred Perry was held Thursday at 9 a. m. from the James M. Murphy Funeral Home, 176 Broadway and at St. Mary's Church at 9:30 o'clock, where a high Mass of requiem was offered by the Rev. Edward I. Farrelly. Responses to the Mass were by the children's choir under the direction of Theodore Riccobono, choirmaster-organist. During the time the body reposed at the funeral home, scores of friends called to offer sympathy to the bereaved family. There was a profusion of floral and spiritual bouquets attesting the high esteem in which the deceased was held. Wednesday, the Rev. John A. Flaherty called and said prayers and that evening Father Farrelly led those assembled in recitation of the Rosary. Burial was in St. Mary's Cemetery, where Father Flaherty gave the final blessing. Bearers were John Bastolla, John Bittner, Joseph Kivlan, Amelio Berardi, Charles Tiano and Elmer Brown.

Deaths Reported

(By The Associated Press)

Dr. Clarence Tucker Craig

New York—Dr. Clarence Tucker Craig, 58, dean of the Drew University Theological School and a leading New Testament scholar. Born in Benton Harbor, Mich., died Thursday.

Cameron Morrison

Quebec—Cameron Morrison, 84, of Charlotte, N. C., Democratic governor of North Carolina from 1920-24, U. S. senator from 1930-33 and a member of the House of Representatives from 1940-42. Died Thursday.

Koreans Sought Clothes

Freedom Village, Korea, Aug. 21 (AP)—North Korean civilians dug up the bodies of American soldiers buried on Boot Hill behind Camp 1 to steal the dead men's clothing, a repatriated soldier said today. Sgt. Carl J. Bafs, 22, of Inkster, Mich., said the grave robbing continued until the armistice talks began. Then, he said, the Chinese apparently halted the practice. He added that the Koreans were "treated worse than we were and really needed clothing." "Close to 1,000 men—Americans and British—were buried on Boot Hill," he said.

Prize Winners in Horse Show at County Fair

John Janakis (right) of Kingston, first in Western class; Elmer Griffin (center), Kingston, second, and Eleanor Conner, Cottekill, third.

These members of the Woodstock Riding Club all won prizes in yesterday's horse show at the Ulster county fair: Danny Perlman, Woodstock, left; Betsy Wagenfohr, Woodstock; Helen Dargan, Saugerties; Bobby Davis, Hurley and Susan Ashley, Kingston. *(Freeman Photos)*

fresh. At the same time, it meant that the space then became available for effective display of other homemaking items.

In the 4-H Club department, it was announced that five dairy animals qualified at Wednesday's competition to be shown at State Fair in Syracuse on Sept. 4. Three animals owned by Lawrence DuBois of Gardiner qualified: Glenrest Chieftain Burke Flora, Marathon Burke Var, and Glenrest Crusader Dean Hope. The other two are Ro Kel Belle Cejane, owned by Jean Kelder of R.D. Stone Ridge; and Destiny Marathon Ebony, owned by Verna VandeWater of R.D. New Paltz.

Cattle Competition

The following results were announced in the open class cattle competition:

Section 1, Holsteins

Bull, 1 year, under 2—Harry Beatty, Kingston, first place.

Bull under one year—Beatty, first and second; Elvin Elliott, New Paltz, third.

Cow, three years and over—Raymond H. DuBois, Gardiner, first; Beatty, second; Lawrence V. O. DuBois, Gardiner, third.

Heifer, 2 years, under 3—Beatty, first, third and fourth; R. H. DuBois, second.

Heifer, 18 months, under 2—Roy Denniston, Gardiner, first; Beatty, second and third; Jean Kelder, Stone Ridge, fourth.

Heifer, one year, under 18 mos.—Beatty, first; VandeWater, second; R. H. DuBois, third.

Heifer, senior calf—Beatty, first; Jean Kelder, second; Beatty, third and fourth; Roy Denniston, fifth.

Heifer, junior calf—Beatty, first and third; R. Denniston, second; R. & H. Schoppman, Wallkill, fourth.

Get of sire — Betty, first; Jean Kelder, second.

Produce of cow—Beatty, first; R. H. DuBois, second and fourth; Janis C. Kelder, Accord, third.

Young herd—Beatty, first; Elvin Elliott, second; Lawrence DuBois, third; R. H. DuBois, fourth.

Mature herd—L. DuBois, first.

There was only one entry in Section 2, Guernseys, that of Donald Pratt of Stone Ridge, who was awarded a first place.

Poultry

Following results of the poultry judging in the open class were announced:

Class 1—Gerald Brooks, Stone Ridge, first.

Class 3 and 4—Alan DuBois of Gardiner, first place in each.

Class 6—Fred Cole of Kingston, first and second.

Class 7 and 8—I. F. DeHoff of Kingston, first, second and third in each class.

Class 11 and 12—Ray DuBois of Gardiner, first place in each.

Class 13—Frank Van Deusen, Tillson, first and second place.

Class 14—Thomas Comerford, Hurley, first; Frank Van Deusen, second and third.

Class 15—Frank Van Deusen, first and second; I. F. DeHoff, third.

Class 16—I. F. DeHoff, first.

Class 25—Fred Cole, first; Gerald Brooks, Stone Ridge, second.

Class 27 — Frederick DeHoff, Kingston, first; I. F. DeHoff, second and third; Gerald Brooks, fourth.

Class 29 and 30—Alan DuBois, first in each class.

Class 31—Gerald Brooks, first.

Class 33—I. F. DeHoff, first.

Class 34—I. F. DeHoff, first, second and third.

Class 36—Fred Cole, first and second.

Class 38 — Lawrence DuBois, first.

Class 41 and 42—Frank Van Deusen, first in each; I. F. DeHoff, second in each.

Class 43—Frank Van Deusen, first and second.

Class 44—Thomas Comerford, first; I. F. DeHoff, second and third.

Class 50 — Frederick DeHoff, first.

Class 53 — Frederick DeHoff, first; I. F. DeHoff, second; Gerald Brooks, third; Jean Kelder of Stone Ridge, fourth.

Class 54 — Frederick DeHoff, first and second; I. F. DeHoff, third; Fred Cole, fourth.

Class 55, 57 and 59—Gerald Brooks, first in each.

Class 60—Jean Kelder, first.

Best Pullet—Frank Van Deusen.

Best Cockerel, Fred Cole.

Best Hen—Frank Van Deusen.

Best Cock—Ray DuBois.

(Class numbers skipped in the list above are those of classes in which there was no entry.)

New York Woman Dies in Eddyville

Mrs. Nora Corcoran, 75, of 450 East 58th street, New York city, was found dead in bed at an Eddyville boarding house at about 9 a. m., today.

Coroner Francis J. McCardle said death was apparently due to a heart attack.

Mrs. Corcoran went to Eddyville Monday for a week's vacation, the coroner said. She was found dead after she failed to respond to calls for breakfast. The body was turned over to the Francis J. McCardle Funeral Home, 99 Henry street, pending funeral arrangements.

Two Painters Killed As Scaffold Gives Way

Yonkers, Aug. 21 (AP)—A painter's scaffold gave way near the top of a five-story apartment building yesterday, plunging two men 65 feet to a paved alley.

Victor Mniechowski, 65, and Natale Agliete, 41, were both dead upon arrival at a hospital.

Agliete was a son-in-law of Mniechowski.

Police said the men had started to lower the scaffold when a rope slipped from a block and tackle at one end. The cause of the tackle failure was not immediately known.

Winning Booth at Fair

A booth set up by the Hurley Busy Bee Helping club took a first prize blue ribbon at the Ulster County Fair which closed yesterday at Forsyth Park. *(Freeman Photo)*

Burglary Case Is Solved, Say Police At Highland Post

Highland state police today claimed the solution of an old burglary case with the arrest of four men, including a father and his son.

Troopers said the arrests were made after questioning a man arrested by state police of the Kingston station on a traffic charge. As a result of the investigation, charges of petit larceny and third degree burglary were placed, accusing four men of involvment in the reported theft of canned goods and a case of beer from a home in the Highland area last summer.

Floyd Caston, 45, of Highland, was arrested by state police at Kingston on Wednesday morning on a charge of having improper plates on his vehicle. Arraigned before Justice of the Peace Harold E. Macholdt, Caston pleaded guilty and was given a sentence of 10 days in jail plus a $50 fine. Later, a warrant charging third degree burglary was filed against him by Highland troopers, to be executed when he has completed the jail sentence.

One Pleads Guilty

Later that day, following questioning of Caston, troopers arrested Ascar Felix Beauchene, 55, alias Frenchy, and Raymond John Hanyon, 30, both accused of petit larceny and both from Highland. Arraigned before Justice of the Peace William J. Upright, Hanyon pleaded guilty and was sentenced to 180 days in jail. Beauchene's case is still pending.

On Thursday afternoon, as the result of the same investigation, state police said they arrested Raymond Caston, 19, of Roseton, who was charged with third degree burglary and who was ordered held in the Ulster county jail for a hearing before Justice of the Peace Albert Lester. Cpl. H. E. Rasmussen of the Highland station said Caston is Floyd Caston's son.

Gas Station Operators Report Entry Attempt

Police were notified early today of an apparent attempt to enter the gas station of Fabbie Brothers, 138 Cornell street and a fruit stand next to it.

A report at 2:35 a. m., said owners of the gas station reported that a neighbor told them he had heard noises on one side of the gas station. He said he called to see if it was one of the owners and two young men ran out to Cornell street, got in a car and drove toward Broadway.

The owners reported two strips off one of the side doors of the gas station and Officers George Doughtery and Francis Loeffler said the lower half of a window in the fruit stand had been removed.

Detectives Clarence Brophy and Frank Sammons are investigating.

Three Fire Victims Still Are in Hospitals

The three victims of the Williams Lake fire of July 28 still at local hospitals were reported today as making satisfactory progress.

Miss Josephine Sheridan, 23, of Brooklyn, is at Kingston Hospital, and the others, Miss Eileen, 16, and Mrs. Rose Lachenmeyer, 38, of Forest Hills, are at the Benedictine Hospital.

The other seven persons who were treated here after the fire have either returned to their homes or to hospitals in the metropolitan area.

Miss Sheridan is being treated for injuries of the back and other injuries and the Lachenmeyers are being treated for arm and leg injuries.

'One of Nicest Things'

New York, Aug. 21 (AP) — Mrs. Frederick R. Smith of Elmhurst, Queens, took a 65-cent taxi ride in Manhattan yesterday and handed the cabbie a $10 bill. The cabbie looked at the bill, at Mrs. Smith and her 18-months-old daughter, Jennifer, whom she was taking to the Central Park Zoo. "That's all right, lady, the treat's on me," he said. Mrs. Smith, who was sorry she had come away from home without a cent in change, said: "It was one of the nicest things that could happen to anybody—and in New York, too."

First Commissioner of Education

Henry Barnard of Hartford who became Connecticut's first commissioner of education more than a century ago also was the first U. S. commissioner of education.

El Salvador is the most densely populated nation on the American mainland.

One Man Is Killed

the burned out concrete laundry, cannery, machine shop and carpenter and auto repair shop.

All were useless remains, with the total damage running into the hundreds of thousands of dollars.

The inmates huddled in circles as midnight came, stark figures under the pitiless glare of the prison's bright floodlights. They started bonfires to ward off the night chill, using wood which littered the grounds from one end to another.

"We're in no hurry to get them into cells," the warden said. "We have plenty of time."

The prisoners apparently did too.

About the Folks

150 Shout, Dance

minor infractions of prison camp rules, imprisonment in dungeons and small cages for men who opposed Communist indoctrination, lack of food and medical care, and small groups of POWs who collaborated with the Reds and informed against their fellow Americans.

Cpl. Gildo Rodriguez of New York city said he saw Communists machine gun five truck-loads of wounded American POWs just after they had been captured. Rodriguez said he did not know if the Reds knew the trucks carried wounded POWs.

He said he thought it possible the Reds were confused and thought they were firing at allied vehicles because they riddled the drivers' cabs as well as the canvas-covered truck bodies.

Buried Alive

Another American said 50 Americans were "blown to bits or buried alive" when American planes attacked an unmarked area where the Communists collected POWs before moving them north to prison camps.

Cpl. Donald W. Manuel of Racine, Ohio, said the Reds knew the area of Korean huts was under daily attack as a military target of allied planes, but consistently refused to mark the area as a POW camp and forced American prisoners to remain in the huts.

He said the attack at Bean Camp, above the central front, occurred April 24, 1951.

Meanwhile, 362 repatriated Americans were loaded aboard the troop ship Marine Adder in Inchon harbor and the vessel was scheduled to sail Saturday morning for San Francisco.

Originally, 374 men were to have boarded the Marine Adder, but 12 were scartched at the last minute, an army spokesman said.

PVI Owner Held

pulled out a smoldering mattress and chair into the yard. The structure was reported to have been filled with smoke and some of the ceilings were said to have been badly watersoaked. Troopers reported two firemen, Michael Mauro and Charles Mayone, suffered minor injuries in the fire.

Two Separate Fires

Sgt. Reilly was asked to check the possibility of arson when the report of Troopers Ripa and Cullum indicated that there were two separate fires in the room, one in a mattress and one in a chair.

The troopers said their suspicions were further aroused by the fact that some of the furniture had apparently been moved around prior to the fire and the mattress was partly off the bed.

The room was that occupied by Mr. and Mrs. Frank, the troopers said.

AEC Leader Says

would be much elaboration, for the public, on Strauss' statement of early yesterday, which said the United States had produced in 1951 and 1952 atomic tests the same sort of reaction detected in the Aug. 12 Soviet blast.

Rep. W. Sterling Cole (R-N. Y.), chairman of the Atomic Energy Committee, said "we must assume" the Soviet claim of having tested a type of H-bomb is true, but Rep. Hinshaw (R-Calif.), a member of the group, said he doesn't believe Russia has such a bomb yet.

Wiley, in New York as a delegate to the United Nations General Assembly, said Russia and the United States should try anew to reach a basis for agreement on control of atomic weapons and world disarmament.

No Trace Found Of Diamond Rings

Police today reported no new developments in the theft of a tray of eight women's diamond rings valued at $1,500 from Schneider's jewelry store, 290 Wall street, yesterday.

Further information today indicated, however, that among persons who may be questioned, if they are located, are two women who had visited the store prior to discovery of the theft at about noon yesterday.

The theft was discovered as the store was preparing for its closing and a clerk went to put the trays of jewelry away.

Iran's Shah . . .

dent and AP Photographer James Pringle.

Two Not So Lucky

Two British writers, from the London Daily Mirror and Reuters News Agency, were not so fortunate. The Iranians declined to take them, telling them, "you're not acceptable guests."

"Is the new Iranian government going to be anti-British?" indignantly demanded another British correspondent.

"Of course not," an Iranian embassy aide replied. His explanation: "Our orders come from the old government and have not been rescinded. You must remember diplomatic relations between your country and Iran have been broken."

Mossadegh broke off diplomatic relations with the British last October, after he pushed through nationalization of the huge properties in Iran of the British-owned Anglo-Iranian Oil Company. All efforts to settle the British-Iranian dispute over compensating the company failed. Only a trickle of oil now goes out of the impoverished country, most of it to Italy.

Bert Andrews Is Heart Victim in Denver Hospital

New York, Aug. 21 (AP)—Bert Andrews, chief of the New York Hearald Tribune's Washington Bureau, died early today in Denver, the newspaper reported.

He had been in Denver covering President Eisenhower during the President's vacation there.

Andrews was reported to have suffered a mild heart attack Wednesday night, but had been believed to be recovering. He died in a hospital.

Andrews, a Pulitzer Prize winner and one of the nation's best known newspapermen, was 52 years old.

He became chief of the Herald Tribune's Washington Bureau in June, 1941, after serving as the newspaper's Albany, N. Y., state capitol correspondent.

Andrews was the author of "Washington Witchhunt," a book in which he hit at what he called political hysteria in Washington.

Pay Roll Is Seized

New York, Aug. 21 (AP)—Three gunmen grabbed a $7,000 pay roll today from the treasurer of a plumbing concern just after he had obtained the cash at a bank.

DIED

MASTERS—In this city at residence, 45 Lafayette avenue, August 20, 1953, Mary E. Wood Masters.

Funeral at the parlors of A. Carr & Son, 1 Pearl street, on Saturday at 2 p. m. Relatives and friends are invited. Interment in the Fairview Cemetery, Stone Ridge. Friends may call at the parlors on Friday between the hours of 3 and 5 and 7 and 9 o'clock.

MAYES—At rest Aug. 20, 1953, William Mayes of Pine Hill, N. Y., beloved husband of Anna Mayes, nee Harrington; devoted brother of Claude of New Kingston, Chester of Delhi, Mrs. Iva Oakley of Delhi, Mrs. Ella Gallup of Fleischmanns.

Body reposing at the Gormley Funeral Home until 12 noon Saturday. Funeral services Saturday at 2 p. m. at the Pine Hill Community Church. Interment in the Pine Hill Cemetery, Pine Hill, N. Y.

PAUL—At rest, Aug. 21, 1953, Carroll of Mt. Tremper, N. Y., beloved husband of Florence Paul, nee Atkins.

Will Unveil Monument

The unveiling of a monument in memory of Mrs. Vera Tudoroff will be held Sunday, Aug. 23, at 11:30 a. m. at the Agudas Achim Cemetery.

Aduchefsky Monument

A monument in memory of Mrs. Lena Aduchefsky will be unveiled on Sunday, Aug. 23, at 2 p. m. at the Workmen's Circle, Montrepose Cemetery.

Edward J. Thatcher

Funeral services for Edward J. Thatcher who died Tuesday at his home in Bearsville were held Thursday at 2 p. m. from the Lasher Funeral Home in Woodstock. The Rev. Harvey I. Todd officiated. There were many beautiful floral offerings testifying to the high esteem in which Mr. Thatcher was held. Burial took place in Mt. Evergreen Cemetery, Woodstock.

Mrs. Caroline Brandes

The funeral of Mrs. Caroline Brandes, 92, of Black Creek, who died last Sunday morning after a long illness, was held Tuesday, 2 p. m. at Belfast. The Rev. Elmer Francisco officiated at the services in the home of the late Mrs. Brandes' granddaughter, Mrs. Alfred Snyder, and burial was in the Belfast Cemetery. She is survived by a daughter, Mrs. Belle Wood of West Shokan; two sons, Merrill Avery of Wellsville and Mitchell Avery of Kerhonkson; a step-daughter, Mrs. Florence Grastfro of Belfast, and a stepson, Ed Avery of West Shokan; also 21 grandchildren and six great-grandchildren.

Mrs. Fred Perry

The funeral of Mrs. Fred Perry was held Thursday at 9 a. m. from the James M. Murphy Funeral Home, 176 Broadway and at St. Mary's Church at 9:30 o'clock, where a high Mass of requiem was offered by the Rev. Edward I. Farrelly. Responses to the Mass were by the children's choir under the direction of Theodore Riccobono, choirmaster-organist. During the time the body reposed at the funeral home, scores of friends called to offer sympathy to the bereaved family. There was a profusion of floral and spiritual bouquets attesting the high esteem in which the deceased was held. Wednesday, the Rev. John A. Flaherty called and said prayers and that evening Father Farrelly led those assembled in recitation of the Rosary. Burial was in St. Mary's Cemetery, where Father Flaherty gave the final blessing. Bearers were John Bastolla, John Bittner, Joseph Kivlan, Amelio Berardi, Charles Tiano and Elmer Brown.

Deaths Reported

(By The Associated Press)

Dr. Clarence Tucker Craig

New York—Dr. Clarence Tucker Craig, 58, dean of the Drew University Theological School and a leading New Testament scholar. Born in Benton Harbor, Mich., died Thursday.

Cameron Morrison

Quebec—Cameron Morrison, 84, of Charlotte, N. C., Democratic governor of North Carolina from 1920-24, U. S. senator from 1930-33 and a member of the House of Representatives from 1940-42. Died Thursday.

Koreans Sought Clothes

Freedom Village, Korea, Aug. 21 (AP)—North Korean civilians dug up the bodies of American soldiers buried on Boot Hill behind Camp 1 to steal the dead men's clothing, a repatriated soldier said today. Sgt. Carl J. Bafs, 22, of Inkster, Mich., said the grave robbing continued until the armistice talks began. Then, he said, the Chinese apparently halted the practice. He added that the Koreans were "treated worse than we were and really needed clothing." "Close to 1,000 men—Americans and British—were buried on Boot Hill," he said.

Prize Winners in Horse Show at County Fair

John Janakis (right) of Kingston, first in Western class; Elmer Griffin (center), Kingston, second, and Eleanor Conner, Cottekill, third.

These members of the Woodstock Riding Club all won prizes in yesterday's horse show at the Ulster county fair: Danny Perlman, Woodstock, left; Betsy Wagenfohr, Woodstock; Helen Dargan, Saugerties; Bobby Davis, Hurley and Susan Ashley, Kingston. *(Freeman Photos)*

Officials, Exhibitors Term Fair . . .

fresh. At the same time, it meant that the space then became available for effective display of other homemaking items.

In the 4-H Club department, it was announced that five dairy animals qualified at Wednesday's competition to be shown at State Fair in Syracuse on Sept. 4. Three animals owned by Lawrence DuBois of Gardiner qualified: Glenrest Chieftain Burke Flora, Marathon Burke Var, and Glenrest Crusader Dean Hope. The other two are Ro Kel Belle Cejane, owned by Jean Kelder of R.D. Stone Ridge; and Destiny Marathon Ebony, owned by Verna VandeWater of R.D. New Paltz.

Cattle Competition

The following results were announced in the open class cattle competition:

Section 1, Holsteins

Bull, 1 year, under 2—Harry Beatty, Kingston, first place.

Bull under one year—Beatty, first and second; Elvin Elliott, New Paltz, third.

Cow, three years and over—Raymond H. DuBois, Gardiner, first; Beatty, second; Lawrence V. O. DuBois, Gardiner, third.

Heifer, 2 years, under 3—Beatty, first, third and fourth; R. H. DuBois, second.

Heifer, 18 months, under 2—Roy Denniston, Gardiner, first; Beatty, second and third; Jean Kelder, Stone Ridge, fourth.

Heifer, one year, under 18 mos.—Beatty, first; VandeWater, second; R. H. DuBois, third.

Heifer, senior calf—Beatty, first; Jean Kelder, second; Beatty, third and fourth; Roy Denniston, fifth.

Heifer, junior calf—Beatty, first and third; R. Denniston, second; R. & H. Schoppman, Wallkill, fourth.

Get of sire—Betty, first; Jean Kelder, second.

Produce of cow—Beatty, first; R. H. DuBois, second and fourth; Janis C. Kelder, Accord, third.

Young herd—Beatty, first; Elvin Elliott, second; Lawrence DuBois, third; R. H. DuBois, fourth.

Mature herd—L. DuBois, first.

There was only one entry in Section 2, Guernseys, that of Donald Pratt of Stone Ridge, who was awarded a first place.

Poultry

Following results of the poultry judging in the open class were announced:

Class 1—Gerald Brooks, Stone Ridge, first.

Class 3 and 4—Alan DuBois of Gardiner, first place in each.

Class 6—Fred Cole of Kingston, first and second.

Class 7 and 8—I. F. DeHoff of Kingston, first, second and third in each class.

Class 11 and 12—Ray DuBois of Gardiner, first place in each.

Class 13—Frank Van Deusen, Tillson, first and second place.

Class 14—Thomas Comerford, Hurley, first; Frank Van Deusen, second and third.

Class 15—Frank Van Deusen, first and second; I. F. DeHoff, third.

Class 16—I. F. DeHoff, first.

Class 25—Fred Cole, first; Gerald Brooks, Stone Ridge, second.

Class 27 — Frederick DeHoff, Kingston, first; I. F. DeHoff, second and third; Gerald Brooks, fourth.

Class 29 and 30—Alan DuBois, first in each class.

Class 31—Gerald Brooks, first.

Class 33—I. F. DeHoff, first.

Class 34—I. F. DeHoff, first, second and third.

Class 36—Fred Cole, first and second.

Class 38 — Lawrence DuBois, first.

Class 41 and 42—Frank Van Deusen, first in each; I. F. DeHoff, second in each.

Class 43—Frank Van Deusen, first and second.

Class 44—Thomas Comerford, first; I. F. DeHoff, second and third.

Class 50 — Frederick DeHoff, first.

Class 53 — Frederick DeHoff, first; I. F. DeHoff, second; Gerald Brooks, third; Jean Kelder of Stone Ridge, fourth.

Class 54 — Frederick DeHoff, first and second; I. F. DeHoff, third; Fred Cole, fourth.

Class 55, 57 and 59—Gerald Brooks, first in each.

Class 60—Jean Kelder, first.

Best Pullet—Frank Van Deusen.

Best Cockerel, Fred Cole.

Best Hen—Frank Van Deusen.

Best Cock—Ray DuBois.

(Class numbers skipped in the list above are those of classes in which there was no entry.)

New York Woman Dies in Eddyville

Mrs. Nora Corcoran, 75, of 450 East 58th street, New York city, was found dead in bed at an Eddyville boarding house at about 9 a. m., today.

Coroner Francis J. McCardle said death was apparently due to a heart attack.

Mrs. Corcoran went to Eddyville Monday for a week's vacation, the coroner said. She was found dead after she failed to respond to calls for breakfast. The body was turned over to the Francis J. McCardle Funeral Home, 99 Henry street, pending funeral arrangements.

Two Painters Killed As Scaffold Gives Way

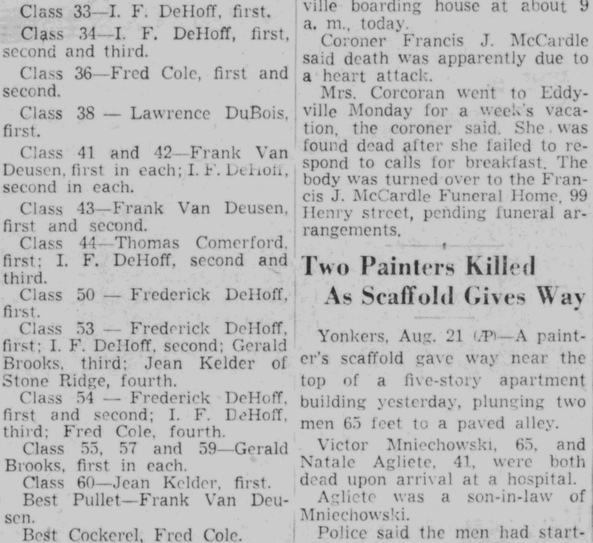

Yonkers, Aug. 21 (AP)—A painter's scaffold gave way near the top of a five-story apartment building yesterday, plunging two men 65 feet to a paved alley.

Victor Mniechowski, 65, and Natale Agliete, 41, were both dead upon arrival at a hospital.

Agliete was a son-in-law of Mniechowski.

Police said the men had started to lower the scaffold when a rope slipped from a block and tackle at one end. The cause of the tackle failure was not immediately known.

Winning Booth at Fair

A booth set up by the Hurley Busy Bee Helping club took a first prize blue ribbon at the Ulster County Fair which closed yesterday at Forsyth Park. *(Freeman Photo)*

Burglary Case Is Solved, Say Police At Highland Post

Highland state police today claimed the solution of an old burglary case with the arrest of four men, including a father and his son.

Troopers said the arrests were made after questioning a man arrested by state police of the Kingston station on a traffic charge. As a result of the investigation, charges of petit larceny and third degree burglary were placed, accusing four men of involvment in the reported theft of canned goods and a case of beer from a home in the Highland area last summer.

Floyd Caston, 45, of Highland, was arrested by state police at Kingston on Wednesday morning on a charge of having improper plates on his vehicle. Arraigned before Justice of the Peace Harold E. Macholdt, Caston pleaded guilty and was given a sentence of 10 days in jail plus a $50 fine. Later, a warrant charging third degree burglary was filed against him by Highland troopers, to be executed when he has completed the jail sentence.

One Pleads Guilty

Later that day, following questioning of Caston, troopers arrested Ascar Felix Beauchene, 55, alias Frenchy, and Raymond John Hanyon, 30, both accused of petit larceny and both from Highland. Arraigned before Justice of the Peace William J. Upright, Hanyon pleaded guilty and was sentenced to 180 days in jail. Beauchene's case is still pending.

On Thursday afternoon, as the result of the same investigation, state police said they arrested Raymond Caston, 19, of Roseton, who was charged with third degree burglary and who was ordered held in the Ulster county jail for a hearing before Justice of the Peace Albert Lester. Cpl. H. E. Rasmussen of the Highland station said Caston is Floyd Caston's son.

Gas Station Operators Report Entry Attempt

Police were notified early today of an apparent attempt to enter the gas station of Fabbie Brothers, 138 Cornell street and a fruit stand next to it.

A report at 2:35 a. m., said owners of the gas station reported that a neighbor told them he had heard noises on one side of the gas station. He said he called to see if it was one of the owners and two young men ran out to Cornell street, got in a car and drove toward Broadway.

The owners reported two strips off one of the side doors of the gas station and Officers George Doughtery and Francis Loeffler said the lower half of a window in the fruit stand had been removed.

Detectives Clarence Brophy and Frank Sammons are investigating.

Three Fire Victims Still Are in Hospitals

The three victims of the Williams Lake fire of July 28 still at local hospitals were reported today as making satisfactory progress.

Miss Josephine Sheridan, 23, of Brooklyn, is at Kingston Hospital, and the others, Miss Eileen, 16, and Mrs. Rose Lachenmeyer, 38, of Forest Hills, are at the Benedictine Hospital.

The other seven persons who were treated here after the fire have either returned to their homes or to hospitals in the metropolitan area.

Miss Sheridan is being treated for injuries of the back and other injuries and the Lachenmeyers are being treated for arm and leg injuries.

'One of Nicest Things'

New York, Aug. 21 (AP)—Mrs. Frederick R. Smith of Elmhurst, Queens, took a 65-cent taxi ride in Manhattan yesterday and handed the cabbie a $10 bill. The cabbie looked at the bill, at Mrs. Smith and her 18-months-old daughter, Jennifer, whom she was taking to the Central Park Zoo. "That's all right, lady, the treat's on me," he said. Mrs. Smith, who was sorry she had come away from home without a cent in change, said: "It was one of the nicest things that could happen to anybody—and in New York, too."

First Commissioner of Education

Henry Barnard of Hartford who became Connecticut's first commissioner of education more than a century ago also was the first U. S. commissioner of education.

El Salvador is the most densely populated nation on the American mainland.

One Man Is Killed

the burned out concrete laundry, cannery, machine shop and carpenter and auto repair shop.

All were useless remains, with the total damage running into the hundreds of thousands of dollars.

The inmates huddled in circles as midnight came, stark figures under the pitiless glare of the prison's bright floodlights. They started bonfires to ward off the night chill, using wood which littered the grounds from one end to another.

"We're in no hurry to get them into cells," the warden said. "We have plenty of time."

The prisoners apparently did too.

About the Folks

Mrs. Andrew W. Soper of 420 Foxhall avenue is a patient at Benedictine Hospital.

150 Shout, Dance

minor infractions of prison camp rules, imprisonment in dungeons and small cages for men who opposed Communist indoctrination, lack of food and medical care, and small groups of POWs who collaborated with the Reds and informed against their fellow Americans.

Williams Honors Fire Heroes at Kiwanis Dinner

"The temptation was great to throw in the towel and call it quits, but we decided to keep going," Walter Williams said Thursday during a Kiwanis Club program he presented to honor those who helped awaken guests and others who helped in the rehabilitation after a fire destroyed two main buildings at Williams Lake resort and took a toll of four lives, the morning of July 28.

At the time of the fire, Williams Lake had a staff of 120 employes, the owner said. This number has been reduced to 30, some of whom were asked to stay and help clean up, while others volunteered to remain and help "salvage" some of the business. Two of these, an accordion player and a tenor, were present at the club meeting and presented a large portion of the program.

Also present was Hildruth Haines of 23 Stickles avenue, who told the group briefly of his experiences on July 28 when he and Engineer Clark Bonesteel of Port Ewen spotted the fire from their engine and sounded both whistles on the two-unit diesel to awaken the guests. They proceeded to the Binnewater station to turn in the fire alarm, then pulled away so the 83-car train would not block the crossings.

Will Receive Watch

Williams announced that fireman Haines will be presented with a Hamilton 992 Railroad Watch inscribed, "To Hildruth Haines, whose alertness saved the lives of many persons. Gratefully presented by Walter G. Williams, July 28, 1953." Engineer Bonesteel was presented with a similar watch the Thursday following the fire on a national television hookup. George Barnes, safety engineer of the New York Central Railroad, was a guest at the meeting, held at the Governor Clinton Hotel.

Club members elected President N. Jansen Fowler, Vice-president Herman Schwenk and George Nichols as delegates to the New York District Convention at Rochester, Sept. 27 to 30, with Chester A. Baltz, Jr., Edward DeGroff and Richard Riseley as alternates.

Marchioness Opens Action Against Her British Husband

New York, Aug. 21 (AP)—The Marchioness Romaine Milford-Haven started a State Supreme Court action yesterday for "separation or divorce" from David Milford-Haven.

Her suit was placed on the calendar for a September trial.

The marchioness, the former Mrs. Romaine Simpson, an American, and Milford-Haven were married Feb. 4, 1950, in Washington, D. C.

The marquis, former escort of Princess Margaret, was best man at the wedding of British Queen Elizabeth and Prince Philip.

A suit for separation may be sought on several grounds, including cruel and inhuman treatment, abandonment of non-support. The only ground for divorce in New York state is adultery.

Details of the action were not disclosed.

Out of Mothballs

San Francisco, Aug. 21 (AP)—The U. S. Navy carrier Belleau Wood is being taken out of mothballs at the San Francisco Naval Shipyard and will be loaned to the French government next month, the navy said yesterday. The flattop won 11 battle stars in Pacific war action. A part of the French crew to take over the ship already is here. The 14,000-ton carrier is being loaned to the French under congressional authority, in furtherance of mutual defense pacts. The craft had a crew of 1,400 during its service in the Pacific in World War 2.

Catalogue Is Ready

Chicago, Aug. 21 (AP) — Sears, Roebuck & Co.'s 67th anniversary mid-season fall catalogue — 390 pages—is ready for distribution. The company said prices have been cut on about 840 items, including kitchen ranges, home freezers, snowsuits, electric blankets and vitamins.

Minadeo in Germany

Pfc. Richard W. Minadeo of Milton, son of Mr. and Mrs. Daniel Minadeo, is a member of the 43rd Infantry Division now stationed in Germany.

Stationed in Germany

Cpl. Fred Terwilliger, son of Mr. and Mrs. Everette Terwilliger, Route 2, Wallkill, is now serving with the Seventh Army's 25th Anti-Aircraft Artillery Battalion in Karlsruhe, Germany. Cpl. Terwilliger, a field wireman in Battery A, holds the Distinguished Service Unit Emblem and the Army of Occupation Medal for duty in Germany since April 1952. He is a 1951 graduate of Wallkill High School and was employed by the Glen Oden Farm in Cornwall before entering the army in May 1951.

Pvt. Cusa Has Leave

Pvt. Paul A. Cusa, son of Mr. and Mrs. Paul Cusa of Highland, recently spent five days in Japan on a rest and recuperation leave from Korea. Pvt. Cusa is a member of Second Infantry Division and in civilian life is a heavy equipment operator.

More Than 150 Are Evacuated From Village

Forestville, Que., Aug. 21 (AP)—More than 150 women and children evacuated last Sunday from the forest-fire threatened village of Ste. Therese headed home today.

The main blaze, which started Aug. 7 and charred 165 square miles of timberland, has made little progress the past day or two, woodsmen said. They would not give assurances that it was completely under control but said villages in the area did not appear to be in immediate danger.

Officials have given no further word about their suspicions of arson but their investigation is continuing.

The National Geographic Society says musk oxen are vital food source for Arctic explorers.

Singer Settles One Problem and Acquires Another

Los Angeles, Aug. 21 (AP)—Legal troubles proceeded according to pattern for Dick Haymes today: The crooner settled one problem and acquired another.

Haymes, who faces deportation proceedings, signed a property settlement yesterday with his present wife, Nora Eddington. But a previous wife, actress Joanne Dru Ireland, had him cited to answer her charge that he is $2,438 behind in his payments for support of their three children, Richard, 10, Helen, 5, and Barbara 4.

Haymes' property settlement with Miss Eddington, former wife of Errol Flynn, calls for a payment of $8,000 in cash and $100 a week for life, whether she remarries or not.

Miss Eddington will sue Haymes for divorce today, on incompatibility grounds, her attorney said. Under the California law, this would mean at least a year's delay before Haymes could marry actress Rita Hayworth, his most recent romantic interest.

Miss Dru, in her support action, informed the court she understands Haymes has always earned more than $100,000 a year since their 1949 divorce, "yet he has always put his own pleasures, frolics and indulgences ahead of his obligations as a father."

Haymes' difficulties with the immigration authorities stem from his recent trip to Hawaii, where Miss Hayworth was visiting.

Under the McCarran Act, an alien is not permitted to re-enter the U. S. mainland, once leaving. Haymes was born in Argentina and never became an American citizen.

Williams Honors Fire Heroes at Kiwanis Dinner

"The temptation was great to throw in the towel and call it quits, but we decided to keep going," Walter Williams said Thursday during a Kiwanis Club program he presented to honor those who helped awaken guests and others who helped in the rehabilitation after a fire destroyed two main buildings at Williams Lake resort and took a toll of four lives, the morning of July 28.

At the time of the fire, Williams Lake had a staff of 120 employes, the owner said. This number has been reduced to 30, some of whom were asked to stay and help clean up, while others volunteered to remain and help "salvage" some of the business. Two of these, an accordion player and a tenor, were present at the club meeting and presented a large portion of the program.

Also present was Hildruth Haines of 23 Stickles avenue, who told the group briefly of his experiences on July 28 when he and Engineer Clark Bonesteel of Port Ewen spotted the fire from their engine and sounded both whistles on the two-unit diesel to awaken the guests. They proceeded to the Binnewater station to turn in the fire alarm, then pulled away so the 83-car train would not block the crossings.

Will Receive Watch

Williams announced that fireman Haines will be presented with a Hamilton 992 Railroad Watch inscribed, "To Hildruth Haines, whose alertness saved the lives of many persons. Gratefully presented by Walter G. Williams, July 28, 1953." Engineer Bonesteel was presented with a similar watch the Thursday following the fire on a national television hookup. George Barnes, safety engineer of the New York Central Railroad, was a guest at the meeting, held at the Governor Clinton Hotel.

Club members elected President N. Jansen Fowler, Vice-president Herman Schwenk and George Nichols as delegates to the New York District Convention at Rochester, Sept. 27 to 30, with Chester A. Baltz, Jr., Edward DeGroff and Richard Riseley as alternates.

Marchioness Opens Action Against Her British Husband

New York, Aug. 21 (AP)—The Marchioness Romaine Milford-Haven started a State Supreme Court action yesterday for "separation or divorce" from David Milford-Haven.

Her suit was placed on the calendar for a September trial.

The marchioness, the former Mrs. Romaine Simpson, an American, and Milford-Haven were married Feb. 4, 1950, in Washington, D. C.

The marquis, former escort of Princess Margaret, was best man at the wedding of British Queen Elizabeth and Prince Philip.

A suit for separation may be sought on several grounds, including cruel and inhuman treatment, abandonment of non-support. The only ground for divorce in New York state is adultery.

Details of the action were not disclosed.

Out of Mothballs

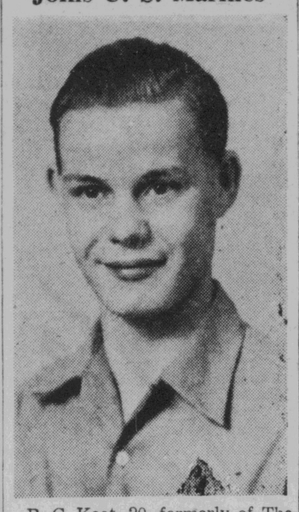

San Francisco, Aug. 21 (AP)—The U. S. Navy carrier Belleau Wood is being taken out of mothballs at the San Francisco Naval Shipyard and will be loaned to the French government next month, the navy said yesterday. The flattop won 11 battle stars in Pacific war action. A part of the French crew to take over the ship already is here. The 14,000-ton carrier is being loaned to the French under congressional authority, in furtherance of mutual defense pacts. The craft had a crew of 1,400 during its service in the Pacific in World War 2.

Catalogue Is Ready

Chicago, Aug. 21 (AP) — Sears, Roebuck & Co.'s 67th anniversary mid-season fall catalogue — 390 pages—is ready for distribution. The company said prices have been cut on about 840 items, including kitchen ranges, home freezers, snowsuits, electric blankets and vitamins.

WHEN CONGRESS RETURNS

What will be the effect upon Congress of the end of the session and the return home? Will their constituents tell them that they should be more assiduous in carrying out the wishes of the Eisenhower administration? Those who look for this to happen, are warranted, if they are correct, in believing that the next session will see a larger proportion of administration measures enacted than the last.

On the other side of the picture, Congress on returning will be that much nearer the 1954 election. The pressure is always for an early adjournment so that the Senators and representatives may face the opponents who are trying to beat them for renomination or reelection. Usually the beginning of an administration is the best time for getting through its pet laws. That is generally a honeymoon period in which party animosity is low. As time goes on, partisanship revives, and the prestige of the President's election tends to wane.

Many controversial measures have been put over for another year. The Reciprocal Trade Relations Act was renewed for but a year, and this year's fight must then be fought over again. Statehood for Hawaii and Alaska, and the raising of the federal debt limit are items which could probably have been passed more easily now than if postponed till election looms. The administration preferred, however, to avoid controversy when possible. In a few months it will be seen whether this decision was wise.

REASON FOR HOPE

We live in what may well be the most difficult and crucial days of man's history. Two great philosophies, one believing in the dignity and liberty of the individual and the other believing in the insignificance of the individual and the supremacy of the state, are contending for the minds of man.

There is some reason for discouragement. Unless some way is found to settle the difference between communism and democracy peacefully a war may result which would all but destroy civilization. The modern weapons of war are so horrible that a single bomb can level a city and kill most of its inhabitants.

But there is reason for hope, also. There is an evident trend toward a return to a concern for things spiritual. Books with a religious theme, fiction as well as non-fiction, make up the most widely read literature. Church-building is on the increase as well as church attendance.

None of the world's great civilizations has been built by men without faith nor have any of the world's problems been solved by those who ignore the spiritual side of mankind. The return to faith may indicate that we will eventually find the solution to our problems. Faith can move mountains and the mountains of ignorance and doubt, fear, suspicion and hatred which exist in the world may eventually be leveled by an all-powerful faith shared by the good people who inhabit the earth.

A man has invented a device for putting your monogram on the breakfast toast. What next—personalized poached eggs?

TIME FOR PEOPLE

A twelve-year-old Polish orphan girl will be permitted to enter the United States from Canada to join relatives who wish to adopt her. In order to make her entry possible, President Eisenhower had to sign a special bill. Informed of this the girl could hardly believe it. "It can't be true," she said. "He is such an important man."

The President of the United States is one of the world's busiest men and the strain of his office is often great. But our Presidents have always found time to consider individuals, to think about men and women and boys and girls who are the victims of misfortune. The little Polish orphan girl received her first lesson in Americanism from the President of the United States. She will probably always remember that her adopted country is one in which individuals are considered important enough to rate the attention of its President.

'These Days'

By GEORGE SOKOLSKY

THE POLITICAL CONFERENCE

The Korean War was fought to establish a principle, namely, that military aggression is not tolerable in the affairs of nations. The North Koreans regarded their combat as civil war and not as aggression; it is for this reason that they have taken the position that the United States invaded Korea. That view could have been acceptable up to November 1950 when Communist China intervened as an aggressor. That eliminated any possibility of regarding the conflict as a civil war.

The Communist Chinese aggression was war. They used the device which the Russians had employed in the Spanish Civil War, namely, that their huge armies, well-organized, admirably provisioned, were volunteers. Yet, the fact is that the North Koreans had been defeated by General MacArthur before the Chinese Communists came in. That defeat had been so complete that MacArthur expected the war to be over soon.

Today, the Chinese Communists are in possession of North Korea and nothing in the truce agreement requires them to leave that country. For this reason, it is possible to say that the United Nations lost the war, since aggression, instead of being punished, is rewarded. In fact, the British and Canadians, accepting the Chinese Communists as victors, propose that they be given a seat in the United Nations. What greater reward could come to them for aggression?

The Political Conference was to have been made up of nations which had participated in the Korean War—16 of them on our side; two of them on the North Korean side. No provision was made for neutrals or secret co-belligerents to be present.

Soviet Russia was a secret co-belligerent, providing arms, planes, tanks and other supplies; maintaining a world-wide propaganda in favor of North Korea and against the United States; spreading widely, through its international Communist organizations, the lie that we employed germ warfare, and producing diversionary efforts in Europe and Asia designed to prevent a victorious war.

Furthermore, as should be known to the American and British specialists, the Soviet world is a unit in its relations with non-Communist countries. This "One World" group of nations is directed by the Kremlin. Therefore, the North Korean War and the Chinese Communist aggression could not have occurred without the consent and direction of the Kremlin. Therefore, Soviet Russia was a secret co-belligerent.

However, Soviet Russia demands a seat at the Political Conference as one of the United Nations members. While this was fought by Henry Cabot Lodge, Jr., as historically incorrect, as immoral, since it rewards aggression, as damaging to the prestige of the United Nations, the British and Canadians have favored the Russian cause on the grounds that if Russia sat on the other side of the table, namely, among the Chinese and Korean Communists, it would be an admission that the Russians are belligerents. Well, what are they?

Lodge's arguments were sound and correct. That they have not prevailed is due to the intellectual incapacity of the State Department to stand up to the British when they are wrong. If a war of aggression can result in the aggressors being rewarded, and if members of the United Nations can support a war against the United Nations, then it is clear beyond doubt that the United Nations must go the way of the League of Nations after the Japanese invaded Manchuria in 1931 and the Italians invaded Ethiopia in 1935.

After aggression was permitted to stand unpunished, the League ceased to have meaning and World War II became inevitable. The appeasement of Communist China and Soviet Russia by Great Britain is designed not only to increase trade for the Commonwealth countries, but also to keep India within the Commonwealth. Yet, any student of Asiatic problems must recognize that India is in peril of a Communist revolution which will occur after the Chinese Communists have taken Indo-China and Thailand. The peril to world peace is still in Asia. The current British policies do not limit this peril; in fact, the strengthening of the position of Communist China must ultimately weaken the position of Great Britain in Asia.

There is one factor in this situation which needs mention because the British believe it to be true, namely, that at some time the Chinese Communists and Soviet Russia will split. They apparently believe that such a split will save the world.

That Body of Yours

By JAMES W. BARTON, M.D.

TREATMENT OF ANGINA PECTORIS

I write from time to time about angina pectoris (breast pang) the severe, vise-like pain that naturally frightens the heart-disease patient. Recently I have written about the great help given by the drug visammin (khellin) in relieving this pain.

In the "German Medical Journal," Stuttgart, Drs. H. Brugel and H. Henne report their results by use of khellin, together with sodium salicylate used as a solvent, in treating 49 patients with angina pectoris and 22 patients with bronchial asthma. As a rule, the drug was given intravenously in doses of 20 mg., twice a day, but occasionally 40 mg. was given twice a day, and one patient with a hemorrhage of a vessel into the wall of the heart received 40 mg. three times a day.

Of the 49 patients with angina pectoris, 20 obtained excellent results for prolonged periods with significant or definite relief or complete disappearance after the injections; 18 obtained good results that lasted for shorter periods, and in 11 cases no relief from the pain occurred.

The strange or unexpected effect of this treatment was that better results were obtained in patients with severe or moderate pain than in those with mild or less severe pain. Some of the patients also showed improvement of the previous abnormal electrocardiograph recordings.

Although visammin (khellin) was used primarily to give relief from the severe pain, its use to remove the cause of this pain (angina pectoris) had a curative effect in that it dilated or widened the adjoining blood vessels by releasing the spasm in these vessels.

What about khellin in the treatment of the 22 cases of bronchial asthma?

Four of the 22 patients with bronchial asthma were definitely improved, 7 obtained moderate improvement, the treatment failed in 8, and results were doubtful in 3. These physicians believe that visammin is more suitable in acute attacks of asthma rather than for prolonged treatment of chronic asthma.

Another important result obtained by this treatment, by visammin with sodium salicylate used as a solvent, was that there were fewer untoward reactions to this drug than have been reported by other research workers, probably because of the lower dosage, the giving of the drug by injection into the veins, and the adequate solvent (sodium salicylate).

This method of the using of one drug to make possible the giving of larger amounts of the specific or special drug to be used for a special disease or condition, is now being used by physicians; one recent example is the use of the drug calcium succinate with acetyl salicylate acid (aspirin) so that very large doses of acetyl salicylate may be given in cases of rheumatism and arthritis.

Diet Suggestions in High Blood Pressure

"Wait Here---Mommy's Going Shopping"

Edson's Washington News Notebook

By PETER EDSON
NEA Washington Correspondent

Washington (NEA) — After nearly four months of preparation, the Department of State's new regulations on security for its employes have finally been issued, giving unprecedented powers to R. W. Scott McLeod, the department's new administrator of the Bureau of Security, Consular Affairs and Personnel—BSCAP.

With two exceptions, every employe of the department must hereafter be subjected to a full field investigation by the FBI or the Civil Service Commission.

The exceptions are, first, for per diem or temporary employes or aliens outside the United States as exempted by Civil Service regulations; second, emergency appointments for 90-day periods if the secretary of state himself finds this exemption necessary in the national interest.

The security standards for State Department employes are those set forth by President Eisenhower in his Executive Order No. 10450, issued April 27, 1953.

But the State Department's new security regulations specify that employment shall not be limited by the mere catalogue of crimes listed in the President's order.

Lourie Has Security Firing Powers

An act of Congress dated Aug. 26, 1950, gave the secretary of state absolute power to suspend or to discharge any employe whenever necessary in the interest of U. S. national security.

The secretary may delegate this power to a subordinate, and it has been given to Undersecretary for Administration Donold B. Lourie.

What happens when derogatory information is received about any State Department employe comprises the new loyalty and security procedure under President Eisenhower's order 10450. This is the heart of the new Manual of Regulations:

A first review of investigative reports is made by the Bureau of Security, under Mr. McLeod. If evidence is considered insufficient, further investigation may be called for, or the employe may be interviewed.

If reports indicate that the employe should be suspended or fired, the employe's investigative record and security file are sent to Administrator McLeod with a report. He is required to make an immediate evaluation report. He may then recommend to Undersecretary Lourie whether the employe be suspended or not.

A suspended employe must be furnished with a written statement of charges within 30 days. The employe has 30 days in which to make a reply and submit affidavits.

The record is then reviewed again for three determinations: Restore the employe to his old position. Recommend that he be given some other position. Recommend the employe be fired. The employe must be given a written statement of the secretary of state's decision.

Security Hearing Is Next Step

A discharged employe may then ask for a Security Board hearing. Every department of government names officers for the Civil Service security hearing board roster. Administrator McLeod may pick any three names from this roster for a State Department hearing board, but no State Department employe may hear the case of a suspended State Department employe.

Administrator McLeod's office is responsible for preparing the charges against an employe. The Secretary of State is represented by a "security counsel." The suspended employe may be present, may be represented by counsel, may present witnesses of his own and have the right to cross-examine witnesses in support of the charges.

The hearings will be private, restricted to the employe, counsel, State Department officials concerned, a stenographer and witnesses only when they are giving testimony. Employes and their counsel may be given a transcript of the hearing record.

The decision of the hearing board must be in writing and signed by all three members. The employe must be informed in writing of the board's decision.

The Secretary of State or his designee must then review the record of the case and make his determination on whether the employe should be discharged or reinstated.

The employe must be given a copy of the secretary's finding. And that will be that, for there is no further appeal provided in the new regulations.

Twenty and Ten Years Ago

Aug. 21 1933—Peter J. Bruck of West O'Reilly street and Miss Rosella M. Sweeney of Highland avenue were married in St. Mary's Church.

A rain storm broke the drouth in Ulster county.

Miss Nora Collins, RN, and Lawrence Gleesettle of Elmira were married at Glens Falls.

Chris Perry opened a meat market and grocery store in the Holster Building on Broadway near West Chester street.

Aug. 21, 1943—Oscar A. Goodsell applied for re-instatement as senior stock clerk in the city engineer's office.

Capt. John Y. Reed, former Kingston resident, received the Distinguished Flying Cross in Britain.

American Legion announced plans for the annual Armistice Ball, November 1.

The Kingston Lions Club opened a drive to sponsor a jeep for the armed forces.

Ripley's—Believe It or Not!

To Use Stars' Voices

New York, Aug. 21 (AP)—In the near future, the City Transit Authority says, voices of TV stars will reassure rush-hour subway crowds via public address systems. The city's millions of riders will hear messages like this: "Folks, please don't crowd or push. After all, there will be another train along in a matter of minutes." . . . Or, "in just a moment you're going to get on the subway. Remember you're riding on the biggest railroad in the world."

Denver Bacon Sizzles

Denver, Aug. 21 (AP)—The smell of sizzling bacon covered northern Denver last night as more than 250 slabs of the breakfast standby went up in smoke. A 15,000 dollar fire swept through the K & B Packing Company's smokehouse. Also destroyed was the automatic control which regulated the amount of fumes that should normally smoke a ham.

Why We Say--

. . . Evading the law

Our popular ice cream dish was actually named after Sunday because at one time in Evanston, Illinois, sodas were forbidden by law on Sunday. To get around the law, the soda water was omitted and only the ice cream and syrup were served as a "sundae."

Today in Washington

Policy Statement Seen Reaffirming Some of New Deal in Power Controversy

By DAVID LAWRENCE

Washington, Aug. 21—Perhaps the best example thus far of what the Eisenhower administration means by a "middle of the road" approach to national policy has just been given in the official statement issued by the Department of Interior on the subject of public ownership of electric power.

Senator Kefauver, Democrat, of Tennessee, and the "Americans for Democratic Action," a radical group that supported the Democratic presidential ticket in 1952, now declare the Eisenhower policy to be "unsatisfactory." But a careful examination of the text of the document will reveal many reasons why advocates of private enterprise will also find the same statement "unsatisfactory." Indeed, the statement reaffirms more of the "New Deal" than the "Old Deal" in the electric-power controversy.

Basically the New Deal, which built the TVA and made grandoise plans for electric-power development by the federal government in other areas, looked toward a policy eventually of government ownership of power throughout the United States. The idea was that by governmental development of large projects first, the private utilities in due time would have to sell their properties and the whole industry would be nationalized.

When the Eisenhower administration came into office, opponents of nationalization or public ownership believed that what was once described by the President himself as "creeping socialism" would be arrested. The new statement of policy affords no such explicit assurance. It merely states that the federal government "does not assume that it has the exclusive right or responsibility for the construction of dams or the generation, transmission and sale of electric energy in any area, basin, or region."

As a statement of an abstract principle, this will be approved generally. Even the New Dealers never admitted that they wanted the federal government to do it all right away.

The Eisenhower administration, however, doesn't close the door at all to large hydroelectric projects—in fact, opens the door wide to them as follows:

"The Department of the Interior will, therefore, actively plan and recommend construction of generating facilities in hydro projects under its jurisdiction when such facilities are economically justified and feasible. The department will particularly emphasize those multi-purpose projects with hydroelectric developments which, because of size or complexity, are beyond the means of local, public or private enterprise."

This affords plenty of latitude for the entry of the government into the electric-power business whenever it wishes to do so on a large scale. For certainly, when it comes to economics, no private company can compete with a government project which is largely free from taxation.

The public-ownership advocates constantly emphasize that the government can furnish cheap power or that it can provide many more rural electrification projects than private enterprise. But the fact is that the federal government can do anything cheaper than a private business if it wishes to load the taxpayers of seven-eighths of the country with a tax bill for projects that are of direct benefit to one-eighth of the people.

The "Americans for Democratic Action" by implication do approve a large part of the Interior Department's statement. For the ADA says the administration is "distorting facts when it says that cooperation with cities, states and other local interests is a 'new policy'." Likewise the ADA pronouncement argues that the federal government in the last 20 years had stepped in only to undertake the big, complex projects.

The amount of agreement between the ADA and the Interior Department appears to be considerable, and it is the private-power interests who may become apprehensive that the administration, while professing an intention to stay out of the electric-power business, may under pressure go in the other direction. That's one of the handicaps of a "middle of the road" policy—it sometimes is the forerunner of an ultimate movement toward the other side of the road when the political pressures intensify.

AS PEGLER SEES IT

By WESTBROOK PEGLER

Nick Circella, alias Nicolo Dean, has been notified that he must go back to his native Italy and never darken our shores again. This is a heartrending case arising from the McCarran-Walter Act, but one may hope that the Department of Justice will show him the same sweet consideration that has ennobled its treatment of alien Smiley, nee Smehoff or Smickoff, the Hollywood and Las Vegas bon vivant who is with us four years after the D of J sent him similar tidings.

Nick Circella is made of tougher, and on the whole, better stuff than Smiley. There is nothing to choose between them on moral issues, but Nicolo Dean has been the very model of an underworld hard-mouth whereas Smiley is gregarious, garrulous and plaintive. If you are going to rate gangsters you must proclaim your standards, and all authorities agree that the ideal is a character who keeps a still tongue in his head, never squeals and never begs. On that account, if on no other, Nicolo excels. He took eight years and a $10,000 fine in the bizarre finale of the Browne-Bioff regime which collected millions from the working stiffs in collusion with the captains of the movie industry, and didn't even wag his head while the others poured their hearts out to lawyer friends of H. S. Truman in Missouri.

There were rumors that Mr. Dean had ratted on his pals, as they say in the westerns, to get a bargain for himself, but if you call eight years a bargain you can't do my shopping for me. Although I had some dealings at a little more than arm's length with Nicolo, I never have pretended to know the inside stories of gangsters' tangled protocol and statecraft. I never could learn to speak out of the corner of my mouth and my few friends in the FBI and the police use prim, conservative language too.

The detective who did most, in the role of executive, to break up the Browne-Bioff machine at its capital in Chicago was a small decorous gentleman who probably never carried a pistol and, in my hearing, never said even "Gosh!" His name is Arthur Madden and he was the chief agent in charge, or some such title, in the treasury's office in Chicago, which already had wrought a miracle in crushing Al Capone without firing a shot or snapping a handcuff. In response to a plea in civic bankruptcy by six leading citizens of Chicago, President Hoover had put it up to the treasury to take Capone on his flank.

Mr. Madden's detective work was largely confined to the business offices of the banks which Capone patronized. But one of the field agents, a markedly religious character named Clarence Converse, prowled the breweries and beer drops on the outside phases, and mourned for years because Mr. Madden would not let him belly up to the big fellow, put him in handcuffs and stuff him into a cab right in front of his headquarters on the south side.

Mr. Madden, now retired, is one of the least festive men I recall having known. But one evening when, I suppose, Mrs. Madden was visiting the folks, he accepted an invitation to dinner and the next thing we knew we had just sort of sifted into a night club on the north side called the Colony. The street floor was occupied by the restaurant and dance floor and the games of chance were discoursed up a flight of stairs. There were few customers besides ourselves that night, but I, at least, was feeling no pain by the time we wended our way thither and my perceptions may have been slightly blurred.

Mr. Madden is a small-beer man so I must take it that he knew the hygiene was decidedly inferior for us in Nicolo Dean's at that particular time. Nevertheless, when the babe came in to snap our pictures, according to night club custom, we smirked fatuously and I came upon my copy again only a few weeks ago. We clamored for action but were told in mournful numbers that the mayor was suffering from an acute attack of morality and had issued orders for a show of civic decency. Accordingly, the lights were out up there but a captain of waiters took us up and flipped the tarpaulins back from the toys for a look-see.

Nicolo Dean's name was a quaint corruption of the old term nicolodean, a type of penny arcade, shooting gallery and primitive movie show which prospered in his youth. Circella bummed around such bazaars so much that they called him that by no great stretch of their ingenuity. By now, he probably thinks he is Nicolo Dean.

He was a stick-up in his youth and advanced through the grades, as they say in the cops, until he was one of the real brass of the Joint Board of the Underworld Department of the AF of L. I can't understand how he chanced to straggle, for I see others of this old school riding in panoply and giving counsel to My Leader's secretary of labor, Mr. Durkin, also of Chicago.

I cannot believe that Mr. Brownell, the attorney general, will send Nicolo Dean back to Italy. Surely Senator Lehman will prevent this persecution of a stalwart in the fight for human rights.

I believe the (outer space) Columbus of 1992 has alread been born.
—Astronomy Prof. John Sterning.

Questions—Answers

Q—Was Lafayette paid for his services in the American Revolution?
A—No.

* * *

Q—Does the albatross live entirely at sea?
A—They come to land only to breed.

* * *

Q—Why do we speak of our children as "offsprings?"
A—Offspring is from the Anglo-Saxon word ofspring, meaning "to spring or descend from."

Party Dessert

Teen-agers never get tired of this party dessert: Roll balls of ice cream in chopped nuts and surround with chocolate or caramel sauce.

Large Producer of Coffee

Although El Salvador is the smallest country in the Western Hemisphere it is the world's third largest producer of coffee—Brazil and Colombia being first and second.

WHEN CONGRESS RETURNS

What will be the effect upon Congress of the end of the session and the return home? Will their constituents tell them that they should be more assiduous in carrying out the wishes of the Eisenhower administration? Those who look for this to happen, are warranted, if they are correct, in believing that the next session will see a larger proportion of administration measures enacted than the last.

On the other side of the picture, Congress on returning will be that much nearer the 1954 election. The pressure is always for an early adjournment so that the Senators and representatives may face the opponents who are trying to beat them for renomination or reelection. Usually the beginning of an administration is the best time for getting through its pet laws. That is generally a honeymoon period in which party animosity is low. As time goes on, partisanship revives, and the prestige of the President's election tends to wane.

Many controversial measures have been put over for another year. The Reciprocal Trade Relations Act was renewed for but a year, and this year's fight must then be fought over again. Statehood for Hawaii and Alaska, and the raising of the federal debt limit are items which could probably have been passed more easily now than if postponed till election looms. The administration preferred, however, to avoid controversy when possible. In a few months it will be seen whether this decision was wise.

REASON FOR HOPE

We live in what may well be the most difficult and crucial days of man's history. Two great philosophies, one believing in the dignity and liberty of the individual and the other believing in the insignificance of the individual and the supremacy of the state, are contending for the minds of man.

There is some reason for discouragement. Unless some way is found to settle the difference between communism and democracy peacefully a war may result which would all but destroy civilization. The modern weapons of war are so horrible that a single bomb can level a city and kill most of its inhabitants.

But there is reason for hope, also. There is an evident trend toward a return to a concern for things spiritual. Books with a religious theme, fiction as well as non-fiction, make up the most widely read literature. Church-building is on the increase as well as church attendance.

None of the world's great civilizations has been built by men without faith nor have any of the world's problems been solved by those who ignore the spiritual side of mankind. The return to faith may indicate that we will eventually find the solution to our problems. Faith can move mountains and the mountains of ignorance and doubt, fear, suspicion and hatred which exist in the world may eventually be leveled by an all-powerful faith shared by the good people who inhabit the earth.

A man has invented a device for putting your monogram on the breakfast toast. What next—personalized poached eggs?

TIME FOR PEOPLE

A twelve-year-old Polish orphan girl will be permitted to enter the United States from Canada to join relatives who wish to adopt her. In order to make her entry possible, President Eisenhower had to sign a special bill. Informed of this the girl could hardly believe it. "It can't be true," she said. "He is such an important man."

The President of the United States is one of the world's busiest men and the strain of his office is often great. But our Presidents have always found time to consider individuals, to think about men and women and boys and girls who are the victims of misfortune. The little Polish orphan girl received her first lesson in Americanism from the President of the United States. She will probably always remember that her adopted country is one in which individuals are considered important enough to rate the attention of its President.

'These Days'

By GEORGE SOKOLSKY

THE POLITICAL CONFERENCE

The Korean War was fought to establish a principle, namely, that military aggression is not tolerable in the affairs of nations. The North Koreans regarded their combat as civil war and not as aggression; it is for this reason that they have taken the position that the United States invaded Korea. That view could have been acceptable up to November 1950 when Communist China intervened as an aggressor. That eliminated any possibility of regarding the conflict as a civil war.

The Communist Chinese aggression was war. They used the device which the Russians had employed in the Spanish Civil War, namely, that their huge armies, well-organized, admirably provisioned, were volunteers. Yet, the fact is that the North Koreans had been defeated by General MacArthur before the Chinese Communists came in. That defeat had been so complete that MacArthur expected the war to be over soon.

Today, the Chinese Communists are in possession of North Korea and nothing in the truce agreement requires them to leave that country. For this reason, it is possible to say that the United Nations lost the war, since aggression, instead of being punished, is rewarded. In fact, the British and Canadians, accepting the Chinese Communists as victors, propose that they be given a seat in the United Nations. What greater reward could come to them for aggression?

The Political Conference was to have been made up of nations which had participated in the Korean War—16 of them on our side; two of them on the North Korean side. No provision was made for neutrals or secret co-belligerents to be present.

Soviet Russia was a secret co-belligerent, providing arms, planes, tanks and other supplies; maintaining a world-wide propaganda in favor of North Korea and against the United States; spreading widely, through its international Communist organizations, the lie that we employed germ warfare, and producing diversionary efforts in Europe and Asia designed to prevent a victorious war.

Furthermore, as should be known to the American and British specialists, the Soviet world is a unit in its relations with non-Communist countries. This "One World" group of nations is directed by the Kremlin. Therefore, the North Korean War and the Chinese Communist aggression could not have occurred without the consent and direction of the Kremlin. Therefore, Soviet Russia was a secret co-belligerent.

However, Soviet Russia demands a seat at the Political Conference as one of the United Nations members. While this was fought by Henry Cabot Lodge, Jr., as historically incorrect, as immoral, since it rewards aggression, as damaging to the prestige of the United Nations, the British and Canadians have favored the Russian cause on the grounds that if Russia sat on the other side of the table, namely, among the Chinese and Korean Communists, it would be an admission that the Russians are belligerents. Well, what are they?

Lodge's arguments were sound and correct. That they have not prevailed is due to the intellectual incapacity of the State Department to stand up to the British when they are wrong. If a war of aggression can result in the aggressors being rewarded, and if members of the United Nations can support a war against the United Nations, then it is clear beyond doubt that the United Nations must go the way of the League of Nations after the Japanese invaded Manchuria in 1931 and the Italians invaded Ethiopia in 1935.

After aggression was permitted to stand unpunished, the League ceased to have meaning and World War II became inevitable. The appeasement of Communist China and Soviet Russia by Great Britain is designed not only to increase trade for the Commonwealth countries, but also to keep India within the Commonwealth. Yet, any student of Asiatic problems must recognize that India is in peril of a Communist revolution which will occur after the Chinese Communists have taken Indo-China and Thailand. The peril to world peace is still in Asia. The current British policies do not limit this peril; in fact, the strengthening of the position of Communist China must ultimately weaken the position of Great Britain in Asia.

There is one factor in this situation which needs mention because the British believe it to be true, namely, that at some time the Chinese Communists and Soviet Russia will split. They apparently believe that such a split will save the world.

That Body of Yours

By JAMES W. BARTON, M.D.

TREATMENT OF ANGINA PECTORIS

I write from time to time about angina pectoris (breast pang) the severe, vise-like pain that naturally frightens the heart-disease patient. Recently I have written about the great help given by the drug visammin (khellin) in relieving this pain.

In the "German Medical Journal," Stuttgart, Drs. H. Brugel and H. Henne report their results by use of khellin, together with sodium salicylate used as a solvent, in treating 49 patients with angina pectoris and 22 patients with bronchial asthma. As a rule, the drug was given intravenously in doses of 20 mg., twice a day, but occasionally 40 mg. was given twice a day, and one patient with a hemorrhage of a vessel into the wall of the heart received 40 mg. three times a day.

Of the 49 patients with angina pectoris, 20 obtained excellent results for prolonged periods with significant or definite relief or complete disappearance after the injections; 18 obtained good results that lasted for shorter periods, and in 11 cases no relief from the pain occurred.

The strange or unexpected effect of this treatment was that better results were obtained in patients with severe or moderate pain than in those with mild or less severe pain. Some of the patients also showed improvement of the previous abnormal electrocardiograph recordings.

Although visammin (khellin) was used primarily to give relief from the severe pain, its use to remove the cause of this pain (angina pectoris) had a curative effect in that it dilated or widened the adjoining blood vessels by releasing the spasm in these vessels.

What about khellin in the treatment of the 22 cases of bronchial asthma?

Four of the 22 patients with bronchial asthma were definitely improved, 7 obtained moderate improvement, the treatment failed in 8, and results were doubtful in 3. These physicians believe that visammin is more suitable in acute attacks of asthma rather than for prolonged treatment of chronic asthma.

Another important result obtained by this treatment, by visammin with sodium salicylate used as a solvent, was that there were fewer untoward reactions to this drug than have been reported by other research workers, probably because of the lower dosage, the giving of the drug by injection into the veins, and the adequate solvent (sodium salicylate).

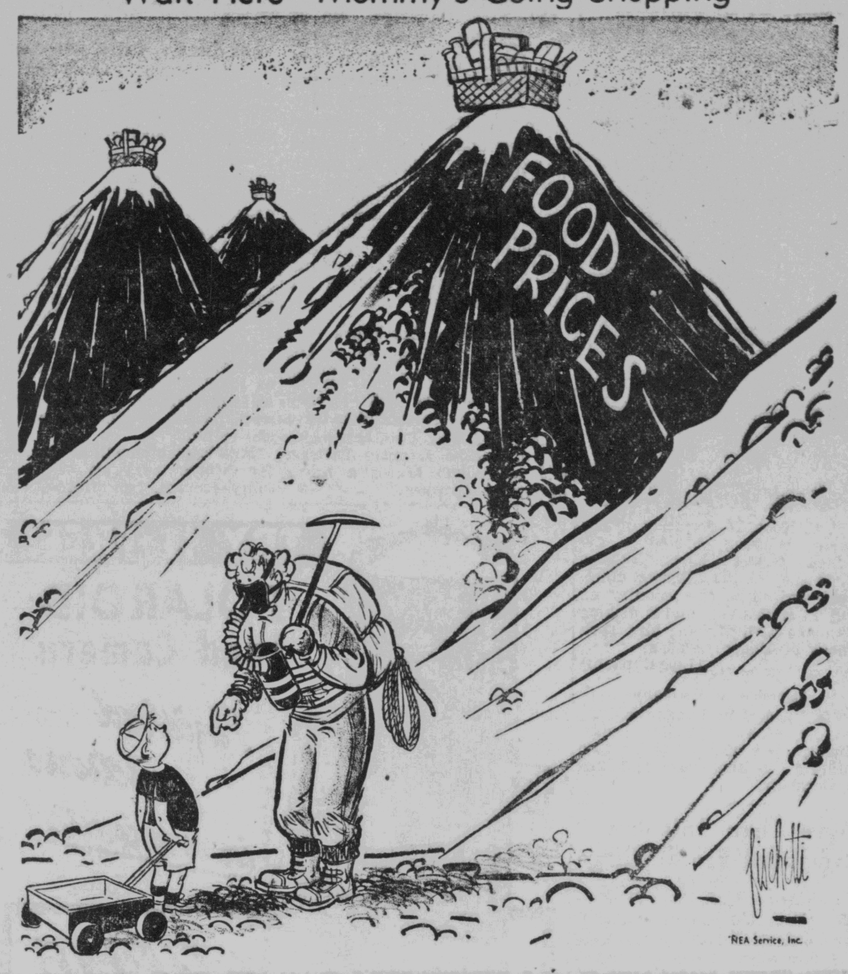

This method of the using of one drug to make possible the giving of larger amounts of the specific or special drug to be used for a special disease or condition, is now being used by physicians; one recent example is the use of the drug calcium succinate with acetyl salicylate acid (aspirin) so that very large doses of acetyl salicylate may be given in cases of rheumatism and arthritis.

"Wait Here---Mommy's Going Shopping"

Edson's Washington News Notebook

By PETER EDSON
NEA Washington Correspondent

Washington (NEA) — After nearly four months of preparation, the Department of State's new regulations on security for its employes have finally been issued, giving unprecedented powers to R. W. Scott McLeod, the department's new administrator of the Bureau of Security, Consular Affairs and Personnel—BSCAP.

With two exceptions, every employe of the department must hereafter be subjected to a full field investigation by the FBI or the Civil Service Commission.

The exceptions are, first, for per diem or temporary employes or aliens outside the United States as exempted by Civil Service regulations; second, emergency appointments for 90-day periods if the secretary of state himself finds this exemption necessary in the national interest.

The security standards for State Department employes are those set forth by President Eisenhower in his Executive Order No. 10450, issued April 27, 1953.

But the State Department's new security regulations specify that employment shall not be limited by the mere catalogue of crimes listed in the President's order.

Lourie Has Security Firing Powers

An act of Congress dated Aug. 26, 1950, gave the secretary of state absolute power to suspend or to discharge any employe whenever necessary in the interest of U. S. national security.

The secretary may delegate this power to a subordinate, and it has been given to Undersecretary for Administration Donold B. Lourie.

What happens when derogatory information is received about any State Department employe comprises the new loyalty and security procedure under President Eisenhower's order 10450. This is the heart of the new Manual of Regulations:

A first review of investigative reports is made by the Bureau of Security, under Mr. McLeod. If evidence is considered insufficient, further investigation may be called for, or the employe may be interviewed.

If reports indicate that the employe should be suspended or fired, the employe's investigative record and security file are sent to Administrator McLeod with a report. He is required to make an immediate evaluation report. He may then recommend to Undersecretary Lourie whether the employe be suspended or not.

A suspended employe must be furnished with a written statement of charges within 30 days. The employe has 30 days in which to make a reply and submit affidavits.

The record is then reviewed again for three determinations: Restore the employe to his old position. Recommend that he be given some other position. Recommend the employe be fired. The employe must be given a written statement of the secretary of state's decision.

Security Hearing Is Next Step

A discharged employe may then ask for a Security Board hearing. Every department of government names officers for the Civil Service security hearing board roster. Administrator McLeod may pick any three names from this roster for a State Department hearing board, but no State Department employe may hear the case of a suspended State Department employe.

Administrator McLeod's office is responsible for preparing the charges against an employe. The Secretary of State is represented by a "security counsel." The suspended employe may be present, may be represented by counsel, may present witnesses of his own and have the right to cross-examine witnesses in support of the charges.

The hearings will be private, restricted to the employe, counsel, State Department officials concerned, a stenographer and witnesses only when they are giving testimony. Employes and their counsel may be given a transcript of the hearing record.

The decision of the hearing board must be in writing and signed by all three members. The employe must be informed in writing of the board's decision.

The Secretary of State or his designee must then review the record of the case and make his determination on whether the employe should be discharged or reinstated.

The employe must be given a copy of the secretary's finding. And that will be that, for there is no further appeal provided in the new regulations.

Policy Statement Seen Reaffirming Some of New Deal in Power Controversy

By DAVID LAWRENCE

Washington, Aug. 21—Perhaps the best example thus far of what the Eisenhower administration means by a "middle of the road" approach to national policy has just been given in the official statement issued by the Department of Interior on the subject of public ownership of electric power.

Senator Kefauver, Democrat, of Tennessee, and the "Americans for Democratic Action," a radical group that supported the Democratic presidential ticket in 1952, now declare the Eisenhower policy to be "unsatisfactory." But a careful examination of the text of the document will reveal many reasons why advocates of private enterprise will also find the same statement "unsatisfactory." Indeed, the statement reaffirms more of the "New Deal" than the "Old Deal" in the electric-power controversy.

Basically the New Deal, which built the TVA and made grandoise plans for electric-power development by the federal government in other areas, looked toward a policy eventually of government ownership of power throughout the United States. The idea was that by governmental development of large projects first, the private utilities in due time would have to sell their properties and the whole industry would be nationalized.

When the Eisenhower administration came into office, opponents of nationalization or public ownership believed that what was once described by the President himself as "creeping socialism" would be arrested. The new statement of policy affords no such explicit assurance. It merely states that the federal government "does not assume that it has the exclusive right or responsibility for the construction of dams or the generation, transmission and sale of electric energy in any area, basin, or region."

As a statement of an abstract principle, this will be approved generally. Even the New Dealers never admitted that they wanted the federal government to do it all right away.

The Eisenhower administration, however, doesn't close the door at all to large hydroelectric projects—in fact, opens the door wide to them as follows:

"The Department of the Interior will, therefore, actively plan and recommend construction of generating facilities in hydro projects under its jurisdiction when such facilities are economically justified and feasible. The department will particularly emphasize those multi-purpose projects with hydroelectric developments which, because of size or complexity, are beyond the means of local, public or private enterprise."

This affords plenty of latitude for the entry of the government into the electric-power business whenever it wishes to do so on a large scale. For certainly, when it comes to economics, no private company can compete with a government project which is largely free from taxation.

The public-ownership advocates constantly emphasize that the government can furnish cheap power or that it can provide many more rural electrification projects than private enterprise. But the fact is that the federal government can do anything cheaper than a private business if it wishes to load the taxpayers of seven-eighths of the country with a tax bill for projects that are of direct benefit to one-eighth of the people.

The "Americans for Democratic Action" by implication do approve a large part of the Interior Department's statement. For the ADA says the administration is "distorting facts when it says that cooperation with cities, states and other local interests is a 'new policy'." Likewise the ADA pronouncement argues that the federal government in the last 20 years had stepped in only to undertake the big, complex projects.

The amount of agreement between the ADA and the Interior Department appears to be considerable, and it is the private-power interests who may become apprehensive that the administration, while professing an intention to stay out of the electric-power business, may under pressure go in the other direction. That's one of the handicaps of a "middle of the road" policy—it sometimes is the forerunner of an ultimate movement toward the other side of the road when the political pressures intensify.

On that account, if on no other, Nicolo excels. He took eight years and a $10,000 fine in the bizarre finale of the Browne-Bioff regime which collected millions from the working stiffs in collusion with the captains of the movie industry, and didn't even wag his head while the others poured their hearts out to lawyer friends of H. S. Truman in Missouri.

There were rumors that Mr. Dean had ratted on his pals, as they say in the westerns, to get a bargain for himself, but if you call eight years a bargain you can't do my shopping for me. Although I had some dealings at a little more than arm's length with Nicolo, I never have pretended to know the inside stories of gangsters' tangled protocol and statecraft. I never could learn to speak out of the corner of my mouth and my few friends in the FBI and the police use prim, conservative language too.

The detective who did most, in the role of executive, to break up the Browne-Bioff machine at its capital in Chicago was a small decorous gentleman who probably never carried a pistol and, in my hearing, never said even "Gosh!" His name is Arthur Madden and he was the chief agent in charge, or some such title, in the treasury's office in Chicago, which already had wrought a miracle in crushing Al Capone without firing a shot or snapping a handcuff. In response to a plea in civic bankruptcy by six leading citizens of Chicago, President Hoover had put it up to the treasury to take Capone on his flank.

Mr. Madden's detective work was largely confined to the business offices of the banks which Capone patronized. But one of the field agents, a markedly religious character named Clarence Converse, prowled the breweries and beer drops on the outside phases, and mourned for years because Mr. Madden would not let him belly up to the big fellow, put him in handcuffs and stuff him into a cab right in front of his headquarters on the south side.

Mr. Madden, now retired, is one of the least festive men I recall having known. But one evening when, I suppose, Mrs. Madden was visiting the folks, he accepted an invitation to dinner and the next thing we knew we had just sort of sifted into a night club on the north side called the Colony. The street floor was occupied by the restaurant and dance floor and the games of chance were discoursed up a flight of stairs. There were few customers besides ourselves that night, but I, at least, was feeling no pain by the time we wended our way thither and my perceptions may have been slightly blurred.

Mr. Madden is a small-beer man so I must take it that he knew the hygiene was decidedly inferior for us in Nicolo Dean's at that particular time. Nevertheless, when the babe came in to snap our pictures, according to night club custom, we smirked fatuously and I came upon my copy again only a few weeks ago. We clamored for action but were told in mournful numbers that the mayor was suffering from an acute attack of morality and had issued orders for a show of civic decency. Accordingly, the lights were out up there but a captain of waiters took us up and flipped the tarpaulins back from the toys for a look-see.

Nicolo Dean's name was a quaint corruption of the old term nicolodean, a type of penny arcade, shooting gallery and primitive movie show which prospered in his youth. Circella bummed around such bazaars so much that they called him that by no great stretch of their ingenuity. By now, he probably thinks he is Nicolo Dean.

He was a stick-up in his youth and advanced through the grades, as they say in the cops, until he was one of the real brass of the Joint Board of the Underworld Department of the AF of L. I can't understand how he chanced to straggle, for I see others of this old school riding in panoply and giving counsel to My Leader's secretary of labor, Mr. Durkin, also of Chicago.

I cannot believe that Mr. Brownell, the attorney general, will send Nicolo Dean back to Italy. Surely Senator Lehman will prevent this persecution of a stalwart in the fight for human rights.

Questions—Answers

Q—Was Lafayette paid for his services in the American Revolution?
A—No.

* * *

Q—Does the albatross live entirely at sea?
A—They come to land only to breed.

* * *

Q—Why do we speak of our children as "offsprings?"
A—Offspring is from the Anglo-Saxon word ofspring, meaning "to spring or descend from."

Party Dessert

Teen-agers never get tired of this party dessert: Roll balls of ice cream in chopped nuts and surround with chocolate or caramel sauce.

Large Producer of Coffee

Although El Salvador is the smallest country in the Western Hemisphere it is the world's third largest producer of coffee—Brazil and Colombia being first and second.

Romulo Quits Race for Election

Manila, Aug. 21 (AP)—Carlos P. Romulo pulled out of the Philippines presidential race today and threw his support to Ramon Magsaysay "to ensure democracy in the Philippines."

Romulo, former ambassador to Washington and onetime president of the UN General Assembly, formed his own Democratic party and announced for the presidency after failing to win the nomination of the administration Liberal party.

The Liberals nominated Elpidio Quirino, who is recuperating in the United States after two abdominal operations at Johns Hopkins Hospital in Baltimore. He is expected to return here soon.

Magsaysay, former defense secretary in Quirino's cabinet, also bolted the Liberal party and was nominated for the presidency by the opposition Nacionalista party.

Scheduled for November

The Philippines general election is scheduled for November.

Romulo announced his withdrawal from the presidential race after a three-hour conference with members of the Democratic party's Executive Committee. Magsaysay attended.

Romulo said his party in bankrupt and "in the nation's interest our party will form a coalition with the Nacionalista party.

"Fighting alone it becomes increasingly evident that the Democratic party cannot hope to compete with the heavily financed and strongly entrenched power of the administration party machine."

Magsaysay issued a statement praising Romulo for "sacrificing personal ambition in the interest of unity in our fight against graft and corruption in the Philippine government."

Romulo said he would "accept nothing in the way of nomination by the coalition for any elective post. . . ."

Rowboat Returned

A rowboat reported missing from the Richards Camp on River road, Port Ewen, Thursday morning was returned to the camp the same evening, it was reported to the sheriff's office at 8 p. m.

New Bridge Spans Beaverkill Near Willow

A reconstructed and rebuilt Pratt truss bridge, originally built in 1886 by a Cleveland, O., firm, is now being built over the Beaverkill creek midway between Mt. Tremper and Willow on Route 212. Until October, 1952, this span bridged the Alloways creek at Hancock's Bridge, N. J. The total span being built is about 100 feet, of which the Hancock bridge will be the first 53 feet crossing the stream completely except during high water. The new span which will open about 100 acres of undeveloped stream and forest land property now owned by Mr. and Mrs. A. T. Fellows of Willow, was designed and engineered by D. S. Sheppard and Fellows. *(Freeman Photo)*

Bid Is $14,816,125 On Newburgh and Harriman Road

The Walsh Construction Co., of New York, who had worked in this area on previous contracts, and C. J. Langenfelder & Son, Inc., of Baltimore, were low bidders in Albany yesterday for construction of 20.68 miles of the New York State Thruway between Newburgh and Harriman.

The joint bid was $14,816,125.66. Two other bids were received and five bids were received for a section in Rockland county.

Letting of contracts for the two sections for which bids were opened yesterday will mean that construction along the greater part of the route between here and the metropolitan area will probably be under construction this fall, and by a year from then most of it should be open to traffic.

May Be Done in Fall

Completion of the concrete work on the Sawkill-Kingston section within the next week or 10 days could also mean through travel on the route between here and Catskill in the fall.

L. G. DeFelice & Son, Inc., of North Haven, Conn., was low bidder at $6,720,578.85 for the 8.01 miles in Rockland county between a point west of Spook Rock Road, near Tallman, to the Erie Railroad crossing near Nanuet.

Betram D. Tallamy, state public works superintendent, said work on both projects was expected to start next month and was due to be finished by Oct. 1, 1954.

Progress on Local Strip

A spokesman for John Arborio Inc., of Poughkeepsie, contractor for the Kingston-Sawkill strip, said that barring unfavorable weather or other hindering delays, the concrete work should be finished in about a week or 10 days. It is scheduled to be finished on or about Aug. 28.

Arborio and the Corbetta Construction Co. Inc., of New York, have the contract for the Whiteport-Ohioville section and the other strip from Ohioville to Newburgh. A. E. Ottaviano of Croton and the Brewster Construction Co., are doing the Kingston-Whiteport section.

Teen-Ager Hurt In Auto Mishap

A boy was injured slightly in a three-vehicle mishap at Henry and Pine streets, and two cars were damaged when one of them rolled down the Lucas avenue hill near Green street yesterday.

Officers James Burns and William Slover reported at 6:01 p. m., that the sedan of Martin H. Selig, 19, 239 Park avenue, Bridgeport, Conn., headed west on Henry street, the coach of Helen M. Anderson, of Snyder, was going south on Pine and crossing Henry street, and a truck of Armour and Co., 17-19 Dederick street, was headed east on Henry street, when they were in collision.

The truck, police said, was operated by Leonard D. White, of East Chester street extension.

Reports Head Injury

James Rogers, 16, of 35 St. Nicholas Terrace, New York, reported a head injury, and the others were apparently uninjured, the report indicated.

Officers Burns and Slover reported at 5:20 p. m., that the sedan of J. Virginia Vient, 57 Emerson street, driven by Lucella Vient, of the same address, rolled down the Lucas avenue hill, after it had been parked on Green street near the intersecton, and struck the coupe of Henry Gleich, of West Hurley. Both cars were damaged.

Ghost Stories Wanted

London (AP) — The Berkshire History Committee is asking all the inhabitants with ghost stories to send along details of their sex, age and habits. The committee wants to file the stories away along with records of witches and wizards, old remedies and traditions, local proverbs and dialects.

Allies and Reds Will Give Charges

Panmunjom, Aug. 21 (AP)—The allies and Communists today agreed to turn over to the Neutral Nations Supervisory Commission Red complaints that Communist members of joint Red Cross teams in allied territory were being unduly restricted.

The decision was reached after more than 5½ hours of discussion by members of the UN-Red Military Armistice Commission.

The Communists charged Thursday that one of their Red Cross workers had been "insulted and attacked" and accused the allies of unfairly limiting the teams' activities among Red POWs.

Wednesday the UNC accused the Communist Red Cross workers of activities bordering on spying and warned the Reds to stop it.

Grunewald Found With Woman, Both Victims of Fumes

Jersey City, N. J., Aug. 21 (AP)—A man identified by police as Henry Grunewald of Washington, D. C., was found overcome by fumes from open jets of a kitchen stove in an apartment here early today.

A woman also was found dazed by the fumes.

Police Lt. Michael Mannion said papers in the man's wallet gave his address as 4100 Cathedral avenue, Washington. The superintendent of the apartment building at that address said the Henry Grunewald living there was the same Henry Grunewald known as the "Dutchman" who figured prominently in a House Ways and Means subcommittee inquiry into political influence on tax cases in the Internal Revenue Bureau.

Grunewald and a woman, identified as Ann Anderson, were found together in an apartment at 2 Glenwood avenue. Both were taken to Jersey City Medical Center for treatment and police said they would be booked on a technical disorderly persons charge.

Might Have Boiled Over

Over the open jets were found a coffee pot and a pot of stew, police said. They added that the coffee pot might have boiled over.

An upstairs neighbor smelled the fumes and called the apartment superintendent, who broke in and discovered the couple.

Among other papers in Grunewald's wallet, police said, was a pass to a reserve session of the U. S. Senate signed by former Vice-President Alben W. Barkley.

Henry (the Dutchman) Grunewald attracted nationwide attention when he refused to answer questions of congressional investigating committees in Washington. He recently was fined $1,000 and given a suspended 90-day jail sentence for contempt of Congress.

CONSTIPATED?

Here's good news from Edward E. Young of Olean, N. Y.

"I can't afford to lose any time at work. But when I was constipated, I just couldn't work because no laxative gave me the relief I wanted.

"Then a friend told me about Sal Hepatica. So I took some the next time I woke up with that headachy, logy feeling due to constipation. And, let me tell you, it was just what I was looking for. Why I felt like my old self again within about an hour!"

Yes, take sparkling Sal Hepatica before breakfast and feel fine again . . . usually within an hour. Or, take it in the evening one-half hour before supper and feel fine again by bedtime! Sweetens sour stomach, too! So keep Sal Hepatica handy in your medicine chest.

Gentle, speedy **SAL HEPATICA**®

Saline, Antacid Laxative

A PRODUCT OF BRISTOL-MYERS

I was ahead in *every* way after this demonstration!

I figured on paying about $200 more for a new car . . . until I discovered all that Chevrolet offered me.

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the rich-looking upholstery and appointments and roomy, comfortable seats. Just turn the ignition key to start the engine and you're ready to go.

You get more power on less gas

Here's all the power and performance you could ever ask for. And along with it comes the most important gain in economy in Chevrolet history! That's because of Chevrolet's two great *high-compression* engines.

You can see all around

You look out and down at the road through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady ride. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than other low-priced cars.

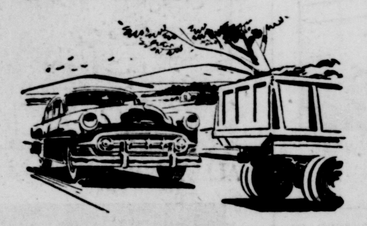

You get greater getaway with the new Powerglide*

Finer performance on less gas. That's what you get with the new Powerglide. There's no more advanced automatic transmission at *any* price.

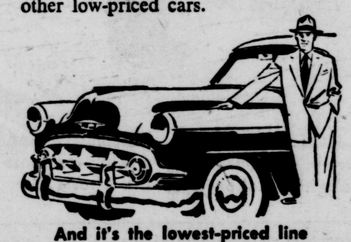

Even Power Steering, if you want it

You ought to try Power Steering to see how *easy* driving can be. You can spin the wheel with one finger! It's optional, of course, at extra cost, and available on all models.

Biggest brakes for smoother, easier stops

An easy nudge on the brake pedal brings smooth, positive response—right now! Chevrolet brakes are the largest in the low-price field—extra large for extra stopping power.

And it's the lowest-priced line

A demonstration will show *you* that Chevrolet offers more in the lowest-priced line in the low-price field.

Let us demonstrate all the advantages of buying a Chevrolet *now!*

CHEVROLET

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

**Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.*

I figured on paying about $200 more for a new car . . . until I discovered all that Chevrolet offered me.

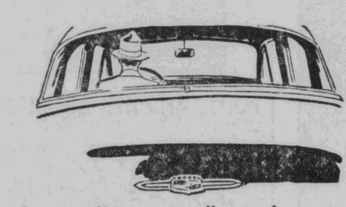

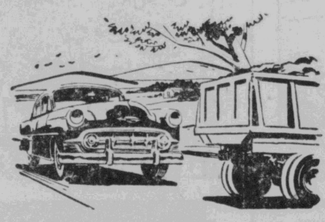

You're "sitting pretty" behind the wheel
Take this Bel Air model. First thing you'll notice is the rich-looking upholstery and appointments and roomy, comfortable seats. Just turn the ignition key to start the engine and you're ready to go.

You get more power on less gas
Here's all the power and performance you could ever ask for. And along with it comes the most important gain in economy in Chevrolet history! That's because of Chevrolet's two great *high-compression* engines.

You can see all around
You look out and down at the road through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

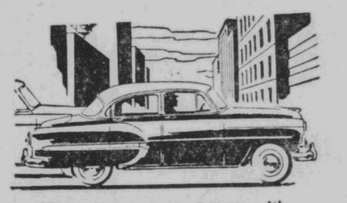

Biggest brakes for smoother, easier stops
An easy nudge on the brake pedal brings smooth, positive response—right now! Chevrolet brakes are the largest in the low-price field—extra large for extra stopping power.

It's heavier for better roadability
You're in for a pleasant surprise at the smooth, steady ride. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than other low-priced cars.

And it's the lowest-priced line
A demonstration will show *you* that Chevrolet offers more in the lowest-priced line in the low-price field.
*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

You get greater getaway with the new Powerglide*
Finer performance on less gas. That's what you get with the new Powerglide. There's no more advanced automatic transmission at *any* price.

Even Power Steering, if you want it
You ought to try Power Steering to see how *easy* driving can be. You can spin the wheel with one finger! It's optional, of course, at extra cost, and available on all models.

Let us demonstrate all the advantages of buying a Chevrolet *now!*

A small town is a place where everybody knows whose check is good and whose husband isn't.

Johnnie—I wisht I was Jimmie Jones.

Mother—Why, Johnnie, you are stronger than Jimmie is, and you have a lot of things that he doesn't have.

Johnnie—Yes, I know. But Jimmie can wiggle his ears.

Mole Hill, W. Va., has changed its name to Mountain, thus making a Mountain out of a Mole Hill. — Mrs. John Casteele, Ameagle, W. Va.

A burglar entered a minister's bedroom.

Burglar—If you stir, your Reverence, I'll have to shoot you. I'm looking for your money.

Minister—Let me get up and strike a light, and I'll hunt with you.

Even if some men told their wives everything they know it wouldn't take long.

The helpful friend offered advice to the fugitive.

Helpful Friend—An alibi would help you. Anyone see you at the hour this fellow was shot?

Fugitive—Fortunately, no.

According to one story, Marshal Foch's chauffeur was constantly besieged by journalists and plain information - seekers with the question, "When is the war going to end? What do you hear?"

The chauffeur put off his questioners, saying, "As soon as I hear the Marshal say anything, I will tell you." At last he said, "The Marshal spoke today."

"Well," they demanded, "what did he say?"

"He said, 'Well, Pierre, what do you think? When is the war going to end?'"

Remember when it used to be a compliment to be told that you were as sound as a dollar.

Hubby—Would you like me to tell you some good jokes?

Wife—Yes, but wait 'till I fall asleep first.

In Salt Lake City, the city commissioners paid a firm of experts $2,500 to recommend improvements in the city government. The experts recommended that the commissioners' jobs be abolished.

BABSON on BUSINESS

Gloucester, Mass., Aug. 20 — I believe in life insurance at all times, the same as I believe in fire insurance at all times. As, however, the amount of fire insurance taken out should depend partly on the cost of replacement, so the amount of life insurance which you take out should depend partly upon the trend in the value of the dollar.

Ordinarily, when experts agree that the dollar will decline in value for the next 20 years, you would not buy so much 20 Payment Life Insurance as if they agreed it would increase in value during the next 20 years. In the first case, you are paying out good dollars as premiums, while your wife may get poor dollars when you die—although she then would be much better off than if she got no dollars!

In the second case, you are paying out poor dollars as premiums with the hope your wife will get good dollars when you die. To illustrate how much of a factor this change is, the value of our dollar was 100 cents in 1939; it declined to 52 cents in 1952 and then started climbing back again. Considering that the people of the United States hold life insurance policies totalling over $275 billions, this decline in the value of our dollar has cost Americans many billions of dollars.

Reasons for Declining Dollar

There are various reasons why the dollar declined in value during the past twenty years. The primary one was that owing to war and preparation for war we did not balance our national budget but issued billions of paper money to make up the deficit. Any banker will accept your note at par if you have all your bills paid, a good job, and money in the bank. If, however, you can't pay your bills and are constantly giving out more notes, then these notes are accepted only at a discount, and the more notes you issue, the bigger the discount you must give in order to have them accepted.

Another reason for a declining dollar is when anyone accepts wages, interest, or profits for more than he deserves. Wage-workers are entitled to wage increases in proportion to their increased production, less fair rental for the new machinery. When, however, labor unions force employers to give them more wages without giving more production in return, this results in an unbalanced national budget. In the long run, none of us can get "something for nothing." What labor gets in unproductive wages, it loses through higher prices, higher rents, and a declining dollar value.

Why the Dollar Is Declining

In view of the fairer attitude which the Eisenhower Administration is taking to balance the spending, borrowing and production budgets, the value of the dollar should now go up again. This means many things: (1) The money which you now have in life insurance, bank deposits, and elsewhere will be growing in value. (2) Your real wages will be increasing every month even though you get the same number of dollars in your pay envelope. This means that unless we can prove we are producing more goods or rendering better service, we should not now ask for higher wages.

Time to Buy Life Insurance

This is the time to insure the present high wages which your husband is now bringing home. With sufficient life insurance bought now, the increased buying power of this insurance when paid will partly offset the loss in the family income in case of his death.

Hence, this is the time to buy life insurance. In addition to getting full insurance the day you pay your first premium, you are paying your premium with 52-cent dollars while your wife and family may be paid in 100-cent dollars when you die. For parents this means that now also is the time for spending money on an education for your children. For businessmen it means now is the time to spend money on institutional advertising and on other "long-term" investments.

A port project costing more than nine million dollars has been completed at Takoradi, African Gold Coast.

By OSWALD JACOBY
Written for NEA Service

South was a trifle light for the opening bid of two no-trump in today's hand. This bid usually shows 22 to 24 points, with balanced distribution and all suits well stopped. In this case South had only 21 points, but he had two tens that he hoped would make up the difference.

North properly raised to three no-trump despite the singleton. He thought that game at a minor would be more difficult than game at no-trump. Actually game at diamonds would have been fairly easy, but North's decision was nevertheless quite reasonable.

West opened the four of hearts, East put up the queen, and South won with the king. Since the diamonds were the main hope, declarer went after the suit immediately by leading the king.

West carefully played the nine of diamonds on the first round of that suit, beginning a signal to show that he held only two cards in the suit. East could then easily read that South had three diamonds, which meant that East could not afford to take the first or second diamond trick for fear of giving declarer the rest of the suit.

South wasn't surprised when he was permitted to win with his king of diamonds. He continued with the jack of diamonds and overtook with dummy's queen. East didn't dare take the trick so soon, for then South would have made the game easily with four diamonds, two hearts, two black aces, and a choice of finesses in the black suits.

When dummy's queen of diamonds held, it was clear that the diamond suit could not be brought in. But South made good use of the fact that he was in dummy. He returned the queen of clubs for a finesse.

East played low, of course, and dummy's queen of clubs held. Now South had to call on still another suit for his contract. He led a low spade from the dummy and finessed the queen of spades from his hand. When the finesse held, he led the ace of spades and gave up a spade trick.

The rest was easy. South's last spade was good, and he therefore made three spades and two tricks in each of the other suits.

Do You Remember

By SOPHIE MILLER

I remember hearing that Seaman Jacobs, formerly of Kingston, who married Margie Hart, was on the staff of Pageant magazine. In the July 1953 issue, I see he has a full page of jokes called "R.F.D. edited by Seaman Jacobs." Seaman used to live at 23 Abruyn street in Ponckhockie with his father and mother, Harry and Frances Jacobs. His uncle, Morris Block, was mayor of Kingston in 1902-1905 and was elected mayor again in the late 1920's. In the material sent to me from a lady in Mt. Marion, is a very good picture of Seaman Jacob's uncle, Morris Block, back in the 1898 era. It says: "Morris Block, city treasurer, has been identified with politics of the city since he became of age. He has been supervisor twice, and he has also served two terms as alderman. Since January 1, 1898, he has satisfactorily served his city in the capacity of treasurer."

In this book of "prominent business men of Ulster County" which the lady sent me from Mt. Marion is an illustrated writeup on Jacob Forst. "Mr. Forst was born in Germany in 1854, and came to this country with his father's family in 1872, when they engaged in the meat market business in Rondout. In 1875, Karl Forst retired and went to New York, leaving his son, Jacob to run the business. . . . Mr. Forst was one of the first to recognize that the uniform quality of the young and quickly raised beef of the west, greatly exceeded in value the meat obtainable in the east, for butchering and table use.

Acting on this theory, he made arrangements with Armour and Co., to become their eastern representative. From this a large wholesale meat market was established on Ferry street, in Rondout, for the sale of Philip Armour and Company products. Under the efficient management of Jacob Forst, this firm grew to be one of the largest meat concerns along the Hudson river, with hundreds of carloads of meat shipped annually to this section.

I remember in the early 1920's or perhaps earlier when my father had his drug-store at the foot of Abeel street on Broadway, when hundreds of cattle were brought up from the Strand to Forst Packing Co., on Abeel street. I did not know if they were from cattle boats, or cattle trains, but they came up Broadway, past what is now the Rondout Savings Bank and up around Abeel street, and we used to watch them. They did not always stay in line, although men with long poles urged them to stay off the sidewalks and store doorways, but once in a while some cow, or perhaps young bull would decide to look in a store window or door. We all kept our doors locked until the procession was over, but we watched closely, for there was a lot of excitement as the men raised their voices to the cattle and the cattle answered back by their unwillingness to keep moving. As I remember, Greenwald's building, which was on the corner where they had to make a turn, had a large doorway, and usually one stray cow would get caught there and had to be moved forcibly into the path of the other cows. I am sorry I never took a picture of them, for the cows were all over the sidewalks and road and traffic was stopped dead till they passed.

Woman Requests Return of Land

Cleveland, Aug. 21 (AP)—A wealthy New York state woman, who donated the land for the Akron Metropolitan Park near Richfield, wants all 197 acres back. She objects to plans to run the Ohio Turnpike through four acres of the park.

Attorneys for Mrs. Dorothy M. Brush of Bridgehampton, L. I., filed her complaint yesterday in Federal Court here. She is the widow of the only son of the late Cleveland Scientist Charles Francis Brush, inventor of the arc light.

The attorneys said Mrs. Brush donated the park in 1928 in memory of her husband, with the provision the land was to revert to her if not used solely for park purposes. They contend the park's commissioners recently volunteered to give the Turnpike Commission a right-of-way and that the Turnpike would put the lands to commercial use.

In Akron, however, W. A. Woodling, one of the three park commissioners, said they have not yet deeded over any of the land to the Turnpike. He added that any right-of-way would go through the edge of the park.

Mrs. Brush's father-in-law left an estate of $5,000,000 largely from royalties on his arc light patents.

Sugar Heir Goes To Jail on Charge

Newport Beach, Calif., Aug. 21 (AP)—Sugar heir Adolph Spreckles 2nd was jailed last night on suspicion of beating his fifth former wife, actress Kay Williams, so severely that she had to be taken to a hospital.

The beating took place Wednesday but the story didn't leak out until detectives booked the 41-year-old millionaire. Neighbors said Miss Williams, 36, suffered head and body injuries when knocked to the ground by blows from her own shoe.

The actress, who divorced Spreckles last year on grounds of physical abuse, leased an apartment here to be near her children, Joan and Adolph III, who are staying with their fother in his nearby Balboa Island home, friends said.

Spreckels was booked on suspicion of felonious assault with intent to commit great bodily harm. He was released on $10,000 bond after spending several hours in the Orange county jail.

Sectional Snakebite

Leavenworth, Kan. (AP) — Leo Zimmerman of near Leavenworth was bitten by part of a snake. The 42-year-old man was stacking bales of newly cut hay when he was struck near the elbow. Fellow workmen found the head and six inches of the body of a copperhead in one of the bales. Zimmerman recovered.

Cornwall, England, has been noted for its tin since ancient times.

Two Local Insurance Men to Attend Parley

Two Kingston representatives of the Equitable Life Assurance Society will attend the four-day Educational Conference which starts Sunday at Cooperstown.

These two, Herbert Lown, 20 Golf Terrace and Lauren Lasher, 295 Albany avenue, will be among the 54 Equitable representatives from the Buffalo and Albany agencies.

This conference is held once a year to review insurance advances through the year and observe the latest training methods.

The Thomas Jefferson Memorial Foundation maintains Monticello, Jefferson's home.

LEGAL NOTICES

NOTICE

The ordinance published herewith has been adopted on the 18th day of August, 1953, and the validity of the obligations authorized by such ordinance may be hereafter contested only if such obligations were authorized for an object or purpose for which the City of Kingston, N. Y. is not authorized to expend money or if the provisions of law which should have been complied with as of the date of publication of this notice were not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the publication of this notice, or such obligations were authorized in violation of the provisions of the constitution.

HARRY C. SEITZ
Deputy City Clerk

BOND ORDINANCE OF THE CITY OF KINGSTON, N. Y., ADOPTED AUGUST 18, 1953, AUTHORIZING THE RECONSTRUCTION OF A SECTION OF THE MUNICIPAL TRUNK LINE SEWER ON GREENKILL AVENUE BETWEEN CLINTON AND WILBUR AVENUES, AT AN ESTIMATED MAXIMUM COST OF $11,000, APPROPRIATING $11,000 THEREFOR INCLUDING THE APPROPRIATION OF $2,000 AS THE DOWN PAYMENT, AND AUTHORIZING THE ISSUANCE OF $9,000 SERIAL BONDS OF THE CITY TO FINANCE THE REMAINDER OF THE APPROPRIATION.

Recital

WHEREAS, at a meeting of the Common Council of this City held on July 24, 1953, the reconstruction of a section of the municipal trunk line sewer by replacement of sewer pipes and necessary furnishings and equipment was determined to be advisable; now, therefore,

THE COMMON COUNCIL OF THE CITY OF KINGSTON, IN THE COUNTY OF ULSTER, NEW YORK, CONVENED IN RECESSED SESSION, HEREBY ORDAINS (by the favorable vote of not less than two-thirds of all the members of said Council) AS FOLLOWS:

Section 1. As an improvement to the sewer system of the City of Kingston, the reconstruction of one section of the municipal trunk line sewer on Greenkill Avenue between Clinton Avenue and Wilbur Avenue by replacement of 468 linear feet of 24-inch reinforced concrete pipe, is hereby authorized and the amount of $11,000 is hereby appropriated therefor, including the appropriation of $2,000 as the down payment. The estimated maximum cost of said specific object or purpose, including equipment, machinery, apparatus and appurtenances where necessary, and including preliminary costs and costs incidental thereto, is $11,000 and the plan of financing includes the down payment referred to in Section 3 hereof, the issuance of serial bonds of the City in the principal amount of $9,000 to finance the remainder of the appropriation, and the levy of a tax upon all the taxable real property in the City to pay the principal of said bonds and the interest thereon.

Section 2. Serial bonds of the City in the principal amount of $9,000 are hereby authorized to be issued pursuant to the provisions of the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York, as amended.

Section 3. The following additional matters are hereby determined and stated:

(a) The period of probable usefulness of the specific object or purpose described in Section 1 of this ordinance, within the limitations of Section 11.00 a. 4 of said Local Finance Law, is thirty (30) years.

(b) Current funds are required to be provided prior to the issuance of the bonds authorized by this ordinance in an amount equal to at least sixteen per centum (16%) of the estimated cost and such current funds have already been provided in the amount of $2,000 by appropriation in the budget of the City for the fiscal year 1953 under the caption "Down Payment—Capital Improvements" and the said sum of $2,000 is hereby authorized to be withdrawn from the said budget appropriation and shall be applied to the improvement described in Section 1 hereof.

Section 4. Each of the bonds authorized by this ordinance and any notes issued in anticipation of said bonds shall contain the recital of validity prescribed by §52.00 of said Local Finance Law and said bonds and any notes issued in anticipation of said bonds shall be general obligations of the City of Kingston, payable as to both principal and interest by a general tax upon all the taxable real property within the City, without limitation as to rate or amount. The faith and credit of the City of Kingston are hereby irrevocably pledged to the punctual payment of the principal of and interest on said bonds and any notes issued in anticipation thereof and provision shall be made annually in the budgets of the City by appropriation for (a) the amortization and redemption of the bonds and notes to mature in such year and (b) the payment of interest to be due and payable in such year.

Section 5. Subject to the provisions of this ordinance and pursuant to §30.00 of said Local Finance Law relative to the authorization of the issuance of bond anticipation notes and of §50.00 and §§ 56.00 to 60.00 of said Law, the powers and duties of the Common Council relative to prescribing the terms, form and contents and as to the sale and issuance of the bonds authorized by this ordinance and of any notes authorized and issued in anticipation of said bonds, are hereby delegated to the City Treasurer as the chief fiscal officer of the City.

Section 6. The validity of the bonds authorized by this ordinance, and of any notes issued in anticipation of said bonds, may be contested only if:

(a) such obligations are authorized for an object or purpose for which the City is not authorized to expend money, or

(b) the provisions of law which should be complied with at the date of the publication of this ordinance are not substantially complied with,

and an action, suit or proceeding contesting such validity, is commenced within twenty days after the date of such publication, or

(c) such obligations are authorized in violation of the provisions of the constitution.

Section 7. This ordinance shall be published at least twice in the "Kingston Daily Freeman" and in the "Ulster County News & Kingston Leader" (which newspapers are allied to and support the two political parties which cast the greater number of votes at the preceding general election and are the official newspapers of the City), together with a notice prescribed by §81.00 of the Local Finance Law appended by the City Clerk, and shall take effect immediately after such publication.

Submitted to the Mayor by the Deputy City Clerk the 19th day of August, 1953.

HARRY C. SEITZ
Deputy City Clerk

Approved by the Acting Mayor the 19th day of August, 1953.

JOSEPH KELLY
Acting Mayor

Naval Inspectors Are Changed at Po'keepsie

Lieutenant Commander Joseph W. Robinson, USN, will assume duties as assistant inspector of naval material at Poughkeepsie on August 24.

LCDR Robinson will relieve Lieutenant Commander Donald R. Shippam, USNR, who is being released to inactive duty. LCDR Shippam was assigned duty as assistant inspector on December 15, 1952.

Both officers served in the Pacific during World War 2. LCDR Shippam will remain in the Poughkeepsie area. He, his wife, Florence, and two children live at Fishkill.

LCDR Robinson served in the New York office of the inspector of naval material prior to his assignment to Poughkeepsie.

BABSON on BUSINESS

Gloucester, Mass., Aug. 20 — I believe in life insurance at all times, the same as I believe in fire insurance at all times. As, however, the amount of fire insurance taken out should depend partly on the cost of replacement, so the amount of life insurance which you take out should depend partly upon the trend in the value of the dollar.

Ordinarily, when experts agree that the dollar will decline in value for the next 20 years, you would not buy so much 20 Payment Life Insurance as if they agreed it would increase in value during the next 20 years. In the first case, you are paying out good dollars as premiums, while your wife may get poor dollars when you die—although she then would be much better off than if she got no dollars!

In the second case, you are paying out poor dollars as premiums with the hope your wife will get good dollars when you die. To illustrate how much of a factor this change is, the value of our dollar was 100 cents in 1939; it declined to 52 cents in 1952 and then started climbing back again. Considering that the people of the United States hold life insurance policies totalling over $275 billions, this decline in the value of our dollar has cost Americans many billions of dollars.

Reasons for Declining Dollar

There are various reasons why the dollar declined in value during the past twenty years. The primary one was that owing to war and preparation for war we did not balance our national budget but issued billions of paper money to make up the deficit. Any banker will accept your note at par if you have all your bills paid, a good job, and money in the bank. If, however, you can't pay your bills and are constantly giving out more notes, then these notes are accepted only at a discount, and the more notes you issue, the bigger the discount you must give in order to have them accepted.

Another reason for a declining dollar is when anyone accepts wages, interest, or profits for more than he deserves. Wage-workers are entitled to wage increases in proportion to their increased production, less fair rental for the new machinery. When, however, labor unions force employers to give them more wages without giving more production in return, this results in an unbalanced national budget. In the long run, none of us can get "something for nothing." What labor gets in unproductive wages, it loses through higher prices, higher rents, and a declining dollar value.

Why the Dollar Is Declining

In view of the fairer attitude which the Eisenhower Administration is taking to balance the spending, borrowing and production budgets, the value of the dollar should now go up again. This means many things: (1) The money which you now have in life insurance, bank deposits, and elsewhere will be growing in value. (2) Your real wages will be increasing every month even though you get the same number of dollars in your pay envelope. This means that unless we can prove we are producing more goods or rendering better service, we should not now ask for higher wages.

Time to Buy Life Insurance

This is the time to insure the present high wages which your husband is now bringing home. With sufficient life insurance bought now, the increased buying power of this insurance when paid will partly offset the loss in the family income in case of his death.

Hence, this is the time to buy life insurance. In addition to getting full insurance the day you pay your first premium, you are paying your premium with 52-cent dollars while your wife and family may be paid in 100-cent dollars when you die. For parents this means that now also is the time for spending money on an education for your children. For businessmen it means now is the time to spend money on institutional advertising and on other "long-term" investments.

A port project costing more than nine million dollars has been completed at Takoradi, African Gold Coast.

South was a trifle light for the opening bid of two no-trump in today's hand. This bid usually shows 22 to 24 points, with balanced distribution and all suits well stopped. In this case South had only 21 points, but he had two tens that he hoped would make up the difference.

North properly raised to three no-trump despite the singleton. He thought that game at a minor would be more difficult than game at no-trump. Actually game at diamonds would have been fairly easy, but North's decision was nevertheless quite reasonable.

West opened the four of hearts, East put up the queen, and South won with the king. Since the diamonds were the main hope, declarer went after the suit immediately by leading the king.

West carefully played the nine of diamonds on the first round of that suit, beginning a signal to show that he held only two cards in the suit. East could then easily read that South had three diamonds, which meant that East could not afford to take the first or second diamond trick for fear of giving declarer the rest of the suit.

South wasn't surprised when he was permitted to win with his king of diamonds. He continued with the jack of diamonds and overtook with dummy's queen. East didn't dare take the trick so soon, for then South would have made the game easily with four diamonds, two hearts, two black aces, and a choice of finesses in the black suits.

When dummy's queen of diamonds held, it was clear that the diamond suit could not be brought in. But South made good use of the fact that he was in dummy. He returned the queen of clubs for a finesse.

East played low, of course, and dummy's queen of clubs held. Now South had to call on still another suit for his contract. He led a low spade from the dummy and finessed the queen of spades from his hand. When the finesse held, he led the ace of spades and gave up a spade trick.

The rest was easy. South's last spade was good, and he therefore made three spades and two tricks in each of the other suits.

Do You Remember

By SOPHIE MILLER

I remember hearing that Seaman Jacobs, formerly of Kingston, who married Margie Hart, was on the staff of Pageant magazine. In the July 1953 issue, I see he has a full page of jokes called "R.F.D. edited by Seaman Jacobs." Seaman used to live at 23 Abruyn street in Ponckhockie with his father and mother, Harry and Frances Jacobs. His uncle, Morris Block, was mayor of Kingston in 1902-1905 and was elected mayor again in the late 1920's. In the material sent to me from a lady in Mt. Marion, is a very good picture of Seaman Jacob's uncle, Morris Block, back in the 1898 era. It says: "Morris Block, city treasurer, has been identified with politics of the city since he became of age. He has been supervisor twice, and he has also served two terms as alderman. Since January 1, 1898, he has satisfactorily served his city in the capacity of treasurer."

In this book of "prominent business men of Ulster County" which the lady sent me from Mt. Marion is an illustrated writeup on Jacob Forst. "Mr. Forst was born in Germany in 1854, and came to this country with his father's family in 1872, when they engaged in the meat market business in Rondout. In 1875, Karl Forst retired and went to New York, leaving his son, Jacob to run the business. . . . Mr. Forst was one of the first to recognize that the uniform quality of the young and quickly raised beef of the west, greatly exceeded in value the meat obtainable in the east, for butchering and table use.

Acting on this theory, he made arrangements with Armour and Co., to become their eastern representative. From this a large wholesale meat market was established on Ferry street, in Rondout, for the sale of Philip Armour and Company products. Under the efficient management of Jacob Forst, this firm grew to be one of the largest meat concerns along the Hudson river, with hundreds of carloads of meat shipped annually to this section.

I remember in the early 1920's or perhaps earlier when my father had his drug-store at the foot of Abeel street on Broadway, when hundreds of cattle were brought up from the Strand to Forst Packing Co., on Abeel street. I did not know if they were from cattle boats, or cattle trains, but they came up Broadway, past what is now the Rondout Savings Bank and up around Abeel street, and we used to watch them. They did not always stay in line, although men with long poles urged them to stay off the sidewalks and store doorways, but once in a while some cow, or perhaps young bull would decide to look in a store window or door. We all kept our doors locked until the procession was over, but we watched closely, for there was a lot of excitement as the men raised their voices to the cattle and the cattle answered back by their unwillingness to keep moving. As I remember, Greenwald's building, which was on the corner where they had to make a turn, had a large doorway, and usually one stray cow would get caught there and had to be moved forcibly into the path of the other cows. I am sorry I never took a picture of them, for the cows were all over the sidewalks and road and traffic was stopped dead till they passed.

Woman Requests Return of Land

Cleveland, Aug. 21 (AP)—A wealthy New York state woman, who donated the land for the Akron Metropolitan Park near Richfield, wants all 197 acres back. She objects to plans to run the Ohio Turnpike through four acres of the park.

Attorneys for Mrs. Dorothy M. Brush of Bridgehampton, L. I., filed her complaint yesterday in Federal Court here. She is the widow of the only son of the late Cleveland Scientist Charles Francis Brush, inventor of the arc light.

The attorneys said Mrs. Brush donated the park in 1928 in memory of her husband, with the provision the land was to revert to her if not used solely for park purposes. They contend the park's commissioners recently volunteered to give the Turnpike Commission a right-of-way and that the Turnpike would put the lands to commercial use.

In Akron, however, W. A. Woodling, one of the three park commissioners, said they have not yet deeded over any of the land to the Turnpike. He added that any right-of-way would go through the edge of the park.

Mrs. Brush's father-in-law left an estate of $5,000,000 largely from royalties on his arc light patents.

Sugar Heir Goes To Jail on Charge

Newport Beach, Calif., Aug. 21 (AP)—Sugar heir Adolph Spreckles 2nd was jailed last night on suspicion of beating his fifth former wife, actress Kay Williams, so severely that she had to be taken to a hospital.

The beating took place Wednesday but the story didn't leak out until detectives booked the 41-year-old millionaire. Neighbors said Miss Williams, 36, suffered head and body injuries when knocked to the ground by blows from her own shoe.

The actress, who divorced Spreckles last year on grounds of physical abuse, leased an apartment here to be near her children, Joan and Adolph III, who are staying with their fother in his nearby Balboa Island home, friends said.

Spreckels was booked on suspicion of felonious assault with intent to commit great bodily harm. He was released on $10,000 bond after spending several hours in the Orange county jail.

Sectional Snakebite

Leavenworth, Kan. (AP) — Leo Zimmerman of near Leavenworth was bitten by part of a snake. The 42-year-old man was stacking bales of newly cut hay when he was struck near the elbow. Fellow workmen found the head and six inches of the body of a copperhead in one of the bales. Zimmerman recovered.

Cornwall, England, has been noted for its tin since ancient times.

Two Local Insurance Men to Attend Parley

Two Kingston representatives of the Equitable Life Assurance Society will attend the four-day Educational Conference which starts Sunday at Cooperstown.

These two, Herbert Lown, 20 Golf Terrace and Lauren Lasher, 295 Albany avenue, will be among the 54 Equitable representatives from the Buffalo and Albany agencies.

This conference is held once a year to review insurance advances through the year and observe the latest training methods.

LEGAL NOTICES

NOTICE

The ordinance published herewith has been adopted on the 18th day of August, 1953, and the validity of the obligations authorized by such ordinance may be hereafter contested only if such obligations were authorized for an object or purpose for which the City of Kingston, N. Y. is not authorized to expend money or if the provisions of law which should have been complied with as of the date of publication of this notice were not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the publication of this notice, or such obligations were authorized in violation of the provisions of the constitution.

HARRY C. SEITZ
Deputy City Clerk

BOND ORDINANCE OF THE CITY OF KINGSTON, N. Y., ADOPTED AUGUST 18, 1953, AUTHORIZING THE RECONSTRUCTION OF A SECTION OF THE MUNICIPAL TRUNK LINE SEWER ON GREENKILL AVENUE BETWEEN CLINTON AND WILBUR AVENUES, AT AN ESTIMATED MAXIMUM COST OF $11,000, APPROPRIATING $11,000 THEREFOR INCLUDING THE APPROPRIATION OF $2,000 AS THE DOWN PAYMENT, AND AUTHORIZING THE ISSUANCE OF $9,000 SERIAL BONDS OF THE CITY TO FINANCE THE REMAINDER OF THE APPROPRIATION.

Recital

WHEREAS, at a meeting of the Common Council of this City held on July 24, 1953, the reconstruction of a section of the municipal trunk line sewer by replacement of sewer pipes and necessary furnishings and equipment was determined to be advisable; now, therefore,

THE COMMON COUNCIL OF THE CITY OF KINGSTON, IN THE COUNTY OF ULSTER, NEW YORK, CONVENED IN RECESSED SESSION, HEREBY ORDAINS (by the favorable vote of not less than two-thirds of all the members of said Council) AS FOLLOWS:

Section 1. As an improvement to the sewer system of the City of Kingston, the reconstruction of one section of the municipal trunk line sewer on Greenkill Avenue between Clinton Avenue and Wilbur Avenue by replacement of 468 linear feet of 24-inch reinforced concrete pipe, is hereby authorized and the amount of $11,000 is hereby appropriated therefor, including the appropriation of $2,000 as the down payment. The estimated maximum cost of said specific object or purpose, including equipment, machinery, apparatus and appurtenances where necessary, and including preliminary costs and costs incidental thereto, is $11,000 and the plan of financing includes the down payment referred to in Section 3 hereof, the issuance of serial bonds of the City in the principal amount of $9,000 to finance the remainder of the appropriation, and the levy of a tax upon all the taxable real property in the City to pay the principal of said bonds and the interest thereon.

Section 2. Serial bonds of the City in the principal amount of $9,000 are hereby authorized to be issued pursuant to the provisions of the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York, as amended.

Section 3. The following additional matters are hereby determined and stated:

(a) The period of probable usefulness of the specific object or purpose described in Section 1 of this ordinance, within the limitations of Section 11.00 a. 4 of said Local Finance Law, is thirty (30) years.

(b) Current funds are required to be provided prior to the issuance of the bonds authorized by this ordinance in an amount equal to at least sixteen per centum (16%) of the estimated cost and such current funds have already been provided in the amount of $2,000 by appropriation in the budget of the City for the fiscal year 1953 under the caption "Down Payment—Capital Improvements" and the said sum of $2,000 is hereby authorized to be withdrawn from the said budget appropriation and shall be applied to the improvement described in Section 1 hereof.

Section 4. Each of the bonds authorized by this ordinance and any notes issued in anticipation of said bonds shall contain the recital of validity prescribed by §52.00 of said Local Finance Law and said bonds and any notes issued in anticipation of said bonds shall be general obligations of the City of Kingston, payable as to both principal and interest by a general tax upon all the taxable real property within the City, without limitation as to rate or amount. The faith and credit of the City of Kingston are hereby irrevocably pledged to the punctual payment of the principal of and interest on said bonds and any notes issued in anticipation thereof and provision shall be made annually in the budgets of the City by appropriation for (a) the amortization and redemption of the bonds and notes to mature in such year and (b) the payment of interest to be due and payable in such year.

Section 5. Subject to the provisions of this ordinance and pursuant to §30.00 of said Local Finance Law relative to the authorization of the issuance of bond anticipation notes and of §50.00 and §§ 56.00 to 60.00 of said Law, the powers and duties of the Common Council relative to prescribing the terms, form and contents and as to the sale and issuance of the bonds authorized by this ordinance and of any notes authorized and issued in anticipation of said bonds, are hereby delegated to the City Treasurer as the chief fiscal officer of the City.

Section 6. The validity of the bonds authorized by this ordinance, and of any notes issued in anticipation of said bonds, may be contested only if:

(a) such obligations are authorized for an object or purpose for which the City is not authorized to expend money, or

(b) the provisions of law which should be complied with at the date of the publication of this ordinance are not substantially complied with,

and an action, suit or proceeding contesting such validity, is commenced within twenty days after the date of such publication, or

(c) such obligations are authorized in violation of the provisions of the constitution.

Section 7. This ordinance shall be published at least twice in the "Kingston Daily Freeman" and in the "Ulster County News & Kingston Leader" (which newspapers are allied to and support the two political parties which cast the greater number of votes at the preceding general election and are the official newspapers of the City), together with a notice prescribed by §81.00 of the Local Finance Law appended by the City Clerk, and shall take effect immediately after such publication.

Submitted to the Mayor by the Deputy City Clerk the 19th day of August, 1953.

HARRY C. SEITZ
Deputy City Clerk

Approved by the Acting Mayor the 19th day of August, 1953.

JOSEPH KELLY
Acting Mayor

Weds in St. Mary's Church

MRS. IRVIN E. SMITH, JR.
(Sterling Photo)

Ann Rose Coughlin And Irvin Smith Jr. United in Marriage

Miss Ann Rose Coughlin, daughter of Alderman and Mrs. Thomas Coughlin, Sr. of 48 Hunter street, became the bride of Irvin E. Smith, Jr., son of Mr. and Mrs. Irvin E. Smith, Sr. of Rosendale Sunday, August 16. The Rev. Edward Farrelly officiated at the 2:30 p. m. double ring ceremony at St. Mary's Church.

Theodore Riccobono was organist and Martin Kelly sang Ave Maria.

Given in marriage by her father, the bride wore a waltz length gown of rose point lace, styled with a fitted bodice, long pointed sleeves and a tiny collar. Her bouffant skirt was posed over an inset of pleated nylon net. Her finger tip veil was attached to a crown of seed pearls. The bride carried a white prayer book and an orchid corsage.

Miss Doris Smith, sister of the groom, was maid of honor. She wore a gown of autumn pink nylon net, styled with a molded bodice of matching satin and gathered net and a waltz length bouffant skirt trimmed with shirred net. A matching stole and large picture hat completed her ensemble. She carried an old fashioned bouquet.

Bridesmaids were the three sisters of the bride, the Misses Elizabeth, Delores and Marlene Coughlin, and the sister of the groom, Elizabeth Smith. The girls were attired in maize, lavender, Nile green and blue gowns, respectively, of nylon net, fashioned with basket bodice, empire midriffs and bouffant waltz length skirts of handkerchief tiers. Draped stoles and small sweetheart bonnets finished the outfits. Each carried an old fashioned bouquet.

Miss Ruth Ellen Smith, the bridegroom's sister, served as flower girl. She wore a blue satin gown with net top, trimmed with pink flowers. Her headpiece was a band of pink flowers. She carried an old fashioned bouquet with pink ribbons. Earl Martin of Saugerties was ringbearer.

Thomas Coughlin, Jr., brother of the bride, was best man. Two other brothers of the bride, Francis of Kingston and James of South Plainfield, N. J., were ushers, as were George Westfall of Newkirk avenue and Henry Bailey of 92 Broadway.

The Star Dust Trio furnished the music for dancing at the Manncrchor Hall on Greenkill avenue where the reception for 250 guests was held.

For the wedding trip to Niagara Falls, Mrs. Smith wore a navy blue skirt with white tweed jacket. White accessories and an orchid corsage completed her ensemble. When they return, the couple will make their home at 13 East Strand.

Mrs. Smith was graduated from St. Mary's School and attended Kingston High School. She is employed by the Coast Fashions in Kingston. Mr. Smith is a graduate of Glenwood Landing School and attended Roslyn High School in Long Island. He is employed by C. Hiltebrant Dry Dock Co. of Connelly.

Bride-to-Be Honored At Surprise Shower

A surprise bridal shower was held Saturday evening, Aug. 15 for Miss Lorraine McGinnis at the home of Mr. and Mrs. Lester Kiersted. Miss McGinnis will become the bride of Robert Denis of Kingston.

Those attending were the Misses Anna Boice, Juletta Yaple, Patricia Zebe, Josephine Moxham, Theresa Steinhilber, JoAnn Maxwell and Elaine Kimbark and the Mmes. Louise Weber, Jeanie McGinnis, Mae Whittaker, Eva Godesen, Nettie Maxwell, Katherine Kiersted, Margaret Douglas, Laura Wiedemann, Vera Yaple, Kay Yaple, Roberta Maxwell and Celia Kimbark.

Mark Dean's Bar Mitzvah Will Be Held Saturday

Dr. and Mrs. William Dean announce the Bar Mitzvah of their son, Mark Dennis at Congregation Agudas Achim, West Union street, Saturday morning, Aug. 22 at 9 a. m. All friends are cordially invited.

Good Taste Today

By EMILY POST
(Author of Etiquette, Children Are People, etc.)

LISTENERS ALWAYS WELCOMED

A wife writes me: "My husband has worked himself up from a shipping clerk into an executive position and for the first time in my life I am having to go out to dinner parties, cocktail parties, etc., among people who are strangers to me. I am very proud of my husband's success and I certainly want to be able to help him and not be a handicap, but I am finding it very difficult to make conversation with these business friends of my husband. I don't think I am lacking in ordinary intelligence, but when I am among these new-found friends I as completely tongue-tied. Will you please tell me, Mrs. Post, how I can make conversation with these strangers? Where do I begin? What do I say?"

It may encourage you to know that a good listener is as much appreciated as a good talker. It is very important that you listen with intelligence and my advice is to take one or two magazines on current events and read them faithfully.

Godparents

Dear Mrs. Post: I have asked my brother-in-law and a close friend of mine to be godparents for my child. This seems to have distressed my brother-in-law's wife and in fact, some of the other members of the family who think I should have asked his wife to be the godmother. Will you please tell me if I was wrong not to ask her?

Answer: A friend is most frequently asked because it increases the people interested in the child. To ask both their uncle and aunt would be unusual.

When Pipe Not Taboo

Dear Mrs. Post: Why should a man's pipe be banned in company —particularly when the air is filled with other smoke? The other evening my wife and I were invited to a dinner party, and after dinner cigarettes were passed and most of the guests sat smoking. As I do not like cigarettes, I took out my pipe and started to smoke it. Everyone in the room turned and looked at me and I felt as though I had committed a crime of some sort.

Answer: If they were all smoking cigarettes, you certainly did not commit an error in lighting your pipe. A pipe, however, if it is not kept perfectly clean, can be objectionable to others.

* * *

Should a leafy salad be cut with a knife? Is it good manners to put crackers in soup? These and other questions are answered in Mrs. Post's leaflet E-16, "Table Rules of Importance." Mrs. Post is sorry she cannot answer personal mail. To obtain a copy, send 10 cents in coin to Dept. EP, c/o The Kingston Daily Freeman, P. O. Box 99, Station G, New York 19, N. Y.

MR. AND MRS. HAROLD G. DOHNKEN
(Crosby Photo)

Mary McGrath Weds Ex-Marine Dohnken In St. Mary's Church

Nuptials of Miss Mary Catherine McGrath and Harold G. Dohnken were held August 16 at St. Mary's Roman Catholic Church with the Rev. Edward I. Farrelly performing the ceremony. Theodore Riccobono, organist, and Martin Kelly, soloist, played for the 2 p. m. double ring service.

The bride is the daughter of Leo McGrath of 41 Chambers street. Her husband is the son of Harold G. Dohnken of 353 Broadway.

The bride was given in marriage by her father. Her gown was of white frosted organdy with molded bodice, long pointed sleeves and full skirt. Her finger-tip veil was secured to a tiara of pearls. She carried a white prayer book covered with white carnations.

Miss Dolly Fisk of Port Ewen, maid of honor, wore a gown of pink net and lace over taffeta with a matching lace stole and crown of flowers. She carried an old fashioned bouquet.

The Misses Elizabeth and Joan Wood, cousins of the bride, of 43 Foxhall avenue, were the bridesmaids. They wore identical gowns of blue and orchid with strapless bodices and taffeta over net skirts. Their lace capes and crowns of flowers were of matching colors and they each carried an old fashioned bouquet.

George Dohnken, brother of the bridegroom, 47 Hone street, was best man. James McGrath of Kerhonkson, brother of the bride, and Alfred Wood Jr., 41 Chambers street, cousin of the bride, served as ushers.

A reception for 50 guests was held at Jake's Restaurant on Greenkill avenue.

For the motor trip to Niagara Falls, the bride wore a white nylon dress with white accessories and a red rose corsage.

Mrs. Dohnken attended Kingston High School and is employed by Hercules Powder Plant. Her husband attended the same school and served three years with the marines, one in Korea.

THE FORMER FRANCES SANDE
(Sterling Photo)

Miss Sande Married At Lake Katrine in Home of Her Parents

The marriage of Miss Frances Louise Sande, daughter of Mr. and Mrs. O. T. Sande of Lake Katrine, to S/Sgt. Dennis Dean Smedley, son of Mr. and Mrs. Frank G. Smedley of Buchanan, Mich., took place at the home of the bride's parents August 16 at 2 p. m. The Rev. Lars Lillestolen officiated at the double ring ceremony.

The bride, who was given in marriage by her father, wore a gown of white ballerina length nylon tulle over satin, fashioned with a fitted basque lace halter neck and tiered skirt. The matching lace fitted jacket had a narrow shawl collar and long pointed sleeves. A silk illusion veil of fingertip length was attached to a coronet of seed pearls and rhinestones. She carried a cascade of white swansonia and fleur d'amour with an orchid center.

Mrs. Edith Stanley, sister of the bride, was matron of honor. She wore a cottilion blue gown, ballerina length, of nylon net over taffeta. It was styled with a stand-up collar, illusion yoke and fitted lace bodice. The matching hat had a baby breath face veil attached. She carried a cascade of pink petal roses and blue swansonia.

Miss Monna Lee Smedley, sister of the groom, was bridesmaid. She wore a gown identical to that of the honor attendant in daffodil yellow and carried a cascade of yellow roses and lavender swansonia.

Miss Christine Sande, niece of the bride, was flower girl. She was attired in a green ballerina length gown with fitted bodice, short gathered sleeves and a Peter Pan collar and a skirt of three horizonthal gathered sections. She carried a flower girl's basket of yellow roses and lavender swansonia.

O. L. Sande, the bride's brother, was best man.

Mrs. Donald Parish of Lake Katrine played the traditional wedding marches for the ceremony.

The reception which followed the services was held at the home of the bride's parents.

For the wedding trip to New York and Canada, the bride chose a pink suit with navy and a pink straw hat. She wore a white orchid corsage.

Mrs. Smedley graduated from Olney High School in Philadelphia, Pa. and was employed by the Credit Bureau of Kingston. Her husband was graduated from Buchanan High School in Michigan and is at present stationed at Wurtsmith Air Force Base in Oscoda, Mich.

Mr. and Mrs. Smedley's future home will be in Oscoda, Mich.

Personal Notes

Mr. and Mrs. Walter Corey of 24 West O'Reilly street are celebrating their 49th wedding anniversary today. Mr. Corey, 75, and Mrs. Corey, 68, have a son, Gordon of Kingston, and a daughter, Mrs. Louise Bartsch of Union City, N. J. They have two grandchildren and two great grandchildren.

Mr. and Mrs. Gordon Corey of Otis street are spending a vacation at the Thousand Islands with Mr. and Mrs. O. Winchell.

Miss Mary Murphy and Robert Tremper were guests of honor at a dinner given by Mr. and Mrs. Herbert Darrow at their summer camp, Leggs Mills. Miss Murphy will marry in September.

Midnight Sprinkle

Stanton, Tex. (AP)—Mrs. Yuell Winslow, a pretty young woman, gets up at midnight every night and drives 28 miles to move a sprinkler system. It's a system that makes three inches of "rain" on 90 acres of pastureland grass every 15 days, and it makes the grass green for the cattle Mrs. Winslow and her husband own. The sprinklers are on their ranch 14 miles out from town. They have to be moved every six hours to keep up the irrigation schedule. Henry Self, ranch foreman, makes three of the sprinkler moves every 24 hours, but the Winslows take the midnight trick. The sprinkler pipe is 1,050 feet long and mounted on wheels.

The eyes of a baby at birth are about two-thirds as large as they will be at the age of 8 or 9.

Society Completes Plans for Picnic

Final plans were completed at a meeting last night for the annual picnic of the Holy Name Society of Immaculate Conception Church, which will be held Sunday on the Delaware avenue school grounds. The picnic will begin, regardless of the weather, at 3 p. m. and continue until 11 p. m. A buffet supper will be served from 4 p. m. until everyone has been served. Modern and polka dancing will begin at 7 p. m. Refreshments will be served throughout the day.

James Kenny, chairman, and George Schatzel, co-chairman, reported that plans were being made not only for the entertainment of adults but for children as well. Tickets may be bought from any member of the society or at the gate Sunday.

Club Votes in Favor Of Restoring Houses

The Ulster Garden Club held its August meeting Tuesday, Aug. 18 at the home of Mrs. Arthur Sheldon and Miss Helen Sheldon.

During the meeting the club voted to go on record as in favor of preserving and restoring the old stone houses in this area. A letter of condolence was sent to the family of the late Mrs. John D. Schoonmaker, Sr., first president of the Ulster Garden Club, when it was founded 40 years ago. The meeting closed with a horticultural quiz conducted by Mrs. Clarence Hansen. The quiz was won by Mrs. Kenneth Davenport of Stone Ridge.

Weds in St. Mary's Church

MRS. IRVIN E. SMITH, JR.
(Sterling Photo)

Ann Rose Coughlin And Irvin Smith Jr. United in Marriage

Miss Ann Rose Coughlin, daughter of Alderman and Mrs. Thomas Coughlin, Sr. of 48 Hunter street, became the bride of Irvin E. Smith, Jr., son of Mr. and Mrs. Irvin E. Smith, Sr. of Rosendale Sunday, August 16. The Rev. Edward Farrelly officiated at the 2:30 p. m. double ring ceremony at St. Mary's Church.

Theodore Riccobono was organist and Martin Kelly sang Ave Maria.

Given in marriage by her father, the bride wore a waltz length gown of rose point lace, styled with a fitted bodice, long pointed sleeves and a tiny collar. Her bouffant skirt was posed over an inset of pleated nylon net. Her finger tip veil was attached to a crown of seed pearls. The bride carried a white prayer book and an orchid corsage.

Miss Doris Smith, sister of the groom, was maid of honor. She wore a gown of autumn pink nylon net, styled with a molded bodice of matching satin and gathered net and a waltz length bouffant skirt trimmed with shirred net. A matching stole and large picture hat completed her ensemble. She carried an old fashioned bouquet.

Bridesmaids were the three sisters of the bride, the Misses Elizabeth, Delores and Marlene Coughlin, and the sister of the groom, Elizabeth Smith. The girls were attired in maize, lavender, Nile green and blue gowns, respectively, of nylon net, fashioned with basket bodice, empire midriffs and bouffant waltz length skirts of handkerchief tiers. Draped stoles and small sweetheart bonnets finished the outfits. Each carried an old fashioned bouquet.

Miss Ruth Ellen Smith, the bridegroom's sister, served as flower girl. She wore a blue satin gown with net top, trimmed with pink flowers. Her headpiece was a band of pink flowers. She carried an old fashioned bouquet with pink ribbons. Earl Martin of Saugerties was ringbearer.

Thomas Coughlin, Jr., brother of the bride, was best man. Two other brothers of the bride, Francis of Kingston and James of South Plainfield, N. J., were ushers, as were George Westfall of Newkirk avenue and Henry Bailey of 92 Broadway.

The Star Dust Trio furnished the music for dancing at the Manner-chor Hall on Greenkill avenue where the reception for 250 guests was held.

For the wedding trip to Niagara Falls, Mrs. Smith wore a navy blue skirt with white tweed jacket. White accessories and an orchid corsage completed her ensemble. When they return, the couple will make their home at 13 East Strand.

Mrs. Smith was graduated from St. Mary's School and attended Kingston High School. She is employed by the Coast Fashions in Kingston. Mr. Smith is a graduate of Glenwood Landing School and attended Roslyn High School in Long Island. He is employed by C. Hiltebrant Dry Dock Co. of Connelly.

Bride-to-Be Honored At Surprise Shower

A surprise bridal shower was held Saturday evening, Aug. 15 for Miss Lorraine McGinnis at the home of Mr. and Mrs. Lester Kiersted. Miss McGinnis will become the bride of Robert Denis of Kingston.

Those attending were the Misses Anna Boice, Juletta Yaple, Patricia Zebe, Josephine Moxham, Theresa Steinhilber, JoAnn Maxwell and Elaine Kimbark and the Mmes. Louise Weber, Jeanie McGinnis, Mae Whittaker, Eva Godesen, Nettie Maxwell, Katherine Kiersted, Margaret Douglas, Laura Wiedemann, Vera Yaple, Kay Yaple, Roberta Maxwell and Celia Kimbark.

Mark Dean's Bar Mitzvah Will Be Held Saturday

Dr. and Mrs. William Dean announce the Bar Mitzvah of their son, Mark Dennis at Congregation Agudas Achim, West Union street, Saturday morning, Aug. 22 at 9 a. m. All friends are cordially invited.

Good Taste Today

By EMILY POST
(Author of Etiquette, Children Are People, etc.)

LISTENERS ALWAYS WELCOMED

A wife writes me: "My husband has worked himself up from a shipping clerk into an executive position and for the first time in my life I am having to go out to dinner parties, cocktail parties, etc., among people who are strangers to me. I am very proud of my husband's success and I certainly want to be able to help him and not be a handicap, but I am finding it very difficult to make conversation with these business friends of my husband. I don't think I am lacking in ordinary intelligence, but when I am among these new-found friends I as completely tongue-tied. Will you please tell me, Mrs. Post, how I can make conversation with these strangers? Where do I begin? What do I say?"

It may encourage you to know that a good listener is as much appreciated as a good talker. It is very important that you listen with intelligence and my advice is to take one or two magazines on current events and read them faithfully.

Godparents

Dear Mrs. Post: I have asked my brother-in-law and a close friend of mine to be godparents for my child. This seems to have distressed my brother-in-law's wife and in fact, some of the other members of the family who think I should have asked his wife to be the godmother. Will you please tell me if I was wrong not to ask her?

Answer: A friend is most frequently asked because it increases the people interested in the child. To ask both their uncle and aunt would be unusual.

When Pipe Not Taboo

Dear Mrs. Post: Why should a man's pipe be banned in company—particularly when the air is filled with other smoke? The other evening my wife and I were invited to a dinner party, and after dinner cigarettes were passed and most of the guests sat smoking. As I do not like cigarettes, I took out my pipe and started to smoke it. Everyone in the room turned and looked at me and I felt as though I had committed a crime of some sort.

Answer: If they were all smoking cigarettes, you certainly did not commit an error in lighting your pipe. A pipe, however, if it is not kept perfectly clean, can be objectionable to others.

* * *

Should a leafy salad be cut with a knife? Is it good manners to put crackers in soup? These and other questions are answered in Mrs. Post's leaflet E-16, "Table Rules of Importance." Mrs. Post is sorry she cannot answer personal mail. To obtain a copy, send 10 cents in coin to Dept. EP, c/o The Kingston Daily Freeman, P. O. Box 99, Station G, New York 19, N. Y.

Mr. and Mrs. Joseph Brandon and son Larry of Brewster spent the early part of this week with the former's twin sister, Mrs. Roy H. DuBois and family, here.

MODENA—2

Mr. and Mrs. William Mentonnis and children Spiro, Maria and Harry of New York are guests of Mr. and Mrs. Tony Mouzithras.

Mrs. Jesse McHugh Jr., has resigned from her employment in the State Teachers College in New Paltz, and will make her home in Troy. Mr. and Mrs. McHugh are planning a trip to Florida, before settling in their new residence.

Mrs. Theodore Ross spent a recent evening with Mrs. Anna E. Miller.

Mrs. Myron L. Shultis and Mrs. Lillian Courter attended a WCTU meeting held Saturday at the home of Mrs. Samuel Dransfield in Savilton not at Mrs. Emma G. Carpenter's home in Plattekill.

Mrs. Patrick Moran and daughter Shirley, Mrs. Harry Roosa and daughter Joan, were shoppers in Newbugh, Thursday.

Many local people attended the Ulster County Fair, held Wednesday and Thursday, at Forsyth Park, Kingston.

Mr. and Mrs. Howard Ross and children, of Wingdale, visited Mr. and Mrs. Theodore Ross, Mr. and Mrs. Jack Sutton and family, recently. At this time a wedding anniversary and a birthday in the family were celebrated.

Mrs. Myron L. Shultis, Mrs. Frank Black and Mrs. Anna E. Miller spent an evening at the home of Mr. and Mrs. Joseph E. Hasbrouck, recently.

Mr. and Mrs. Raymond Bunora and son Raymond, Jr., of Fostertown, Mr. and Mrs. John Denton, Mr. and Mrs. Lester A. Wager Jr., Mr. and Mrs. Harry Roosa and daughter Joan, were among local people visiting the Orange County Fair at Middletown, Friday.

Mrs. George Lare and son Donald, of Gardnertown, are spending this week at the home of the former's parents, Mr. and Mrs. Fred Bernard.

Relatives from Kingston visited Mrs. Myron L. Shultis, Tuesday.

Mr. and Mrs. Raymond Bunora and son Raymond Jr., of Fostertown, Mr. and Mrs. Harry Roosa and daughter Joan, attended a Lions Club clambake at Montgomery, Sunday.

Mrs. Anna E. Miller was a supper guest of Mrs. Fred Bernard and daughters, Tuesday evening.

Personal Notes

Mr. and Mrs. Walter Corey of 24 West O'Reilly street are celebrating their 49th wedding anniversary today. Mr. Corey, 75, and Mrs. Corey, 68, have a son, Gordon of Kingston, and a daughter, Mrs. Louise Bartsch of Union City, N. J. They have two grandchildren and two great grandchildren.

Mr. and Mrs. Gordon Corey of Otis street are spending a vacation at the Thousand Islands with Mr. and Mrs. O. Winchell.

Miss Mary Murphy and Robert Tremper were guests of honor at a dinner given by Mr. and Mrs. Herbert Darrow at their summer camp, Leggs Mills. Miss Murphy will marry in September.

Midnight Sprinkle

Stanton, Tex. (AP)—Mrs. Yuell Winslow, a pretty young woman, gets up at midnight every night and drives 28 miles to move a sprinkler system. It's a system that makes three inches of "rain" on 90 acres of pastureland grass every 15 days, and it makes the grass green for the cattle Mrs. Winslow and her husband own. The sprinklers are on their ranch 14 miles out from town. They have to be moved every six hours to keep up the irrigation schedule. Henry Self, ranch foreman, makes three of the sprinkler moves every 24 hours, but the Winslows take the midnight trick. The sprinkler pipe is 1,050 feet long and mounted on wheels.

The eyes of a baby at birth are about two-thirds as large as they will be at the age of 8 or 9.

Society Completes Plans for Picnic

Final plans were completed at a meeting last night for the annual picnic of the Holy Name Society of Immaculate Conception Church, which will be held Sunday on the Delaware avenue school grounds. The picnic will begin, regardless of the weather, at 3 p. m. and continue until 11 p. m. A buffet supper will be served from 4 p. m. until everyone has been served. Modern and polka dancing will begin at 7 p. m. Refreshments will be served throughout the day.

James Kenny, chairman, and George Schatzel, co-chairman, reported that plans were being made not only for the entertainment of adults but for children as well. Tickets may be bought from any member of the society or at the gate Sunday.

Club Votes in Favor Of Restoring Houses

The Ulster Garden Club held its August meeting Tuesday, Aug. 18 at the home of Mrs. Arthur Sheldon and Miss Helen Sheldon.

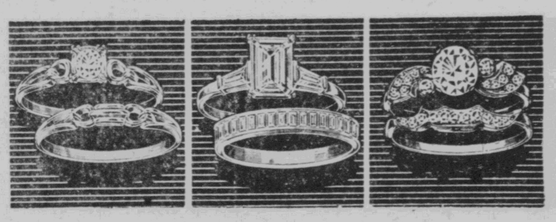

During the meeting the club voted to go on record as in favor of preserving and restoring the old stone houses in this area. A letter of condolence was sent to the family of the late Mrs. John D. Schoonmaker, Sr., first president of the Ulster Garden Club, when it was founded 40 years ago. The meeting closed with a horticultural quiz conducted by Mrs. Clarence Hansen. The quiz was won by Mrs. Kenneth Davenport of Stone Ridge.

Answer to Previous Puzzle

How to Peel Tomatoes

To peel tomatoes, dip them in boiling water just long enough to loosen their skins; then dip them into very cold water for a few seconds. This cold dip makes the pulp firm and helps in removing the skins.

How to Peel Tomatoes

To peel tomatoes, dip them in boiling water just long enough to loosen their skins; then dip them into very cold water for a few seconds. This cold dip makes the pulp firm and helps in removing the skins.

Dairymen Tie Doblers 2-2 With Single Run in Seventh Inning

League to Start Games at 6 P.M. In Coming Week

Nippy Jones' Single Deadlocks Contest

The Standings

	Won	Lost
Jones Dairy	4	1
Colonial Merchants	3	3
Wiltwyck Motors	3	3
Doblers	2	2
Kingston Indians	1	4

Next Week's Schedule

Tuesday—Jones vs. Wiltwycks (postponed game).

Wednesday—Merchants vs. Indians (tie game).

Thursday—Jones vs. Doblers (postponed game).

All games will start at 6 p. m.

Jones Dairy, which started out hoping to consolidate its hold on first place last night, had to come from behind to assure itself of a 2-2 tie with the Doblers in the City League attraction at the Athletic Field.

Trailing 2 to 1 going into the final stanza, the Dairymen pushed across the equalizer on a clutch single by Nippy Jones.

Early Starts Next Week

Jack Misasi, loop secretary, announced this morning that all of next week's games will get underway at 6 o'clock. All teams are requested to report at the field in time for the earlier starts.

Doblers jumped out in front with a single run off Bruce Hinkley in the first inning last night with the help of a two-base error.

Hank Barnes opened the Dobler half of the first by cracking a grounder to Jones, the third sacker. Jones fired the pill past first and Barnes trotted to second on the miscue. Bill Tierney moved Barnes up a base on a bunt and Barnes galloped home on Barringer's loft to center.

Gerry Bechtold, meanwhile, made the 1-0 lead stand up for the Beermen until the fifth when the Dairymen finally hit paydirt.

Ronnie Mauro opened the rally with a single, went to second on Schatzel's sacrifice after Carlino skied out to center. Tommy Maines singled to left to knock in Mauro with the tying marker. Jones kept the uprising alive with a single but Misasi grounded to second for the final out.

Doblers Regain Edge

Doblers reared right back in the bottom half of the fifth to score a run and take a 2-1 edge.

Bill Glaser led it off with a single to right, moved to second on Crosby's bunt. When Bechtold ripped a hard liner off Hinkley's glove for a hit, Glaser galloped to third. Hinkley appeared to be out of the jam when Barnes grounded to Carlino for a sure double play try but the shortstop kicked the ball around as Glaser scored. Hinkley induced the next two batters to hit back to the box to end any further scoring.

After the Dairymen tied the score in the top half of the seventh frame, the Doblers still had a big opportunity to pull the game out of the fire but some questionable base running nullified their chances.

With Bruce Bechtold replacing Hinkley on the mound for the Dairymen, Bill Glaser greeted the new hurler for a walk. Paul Giannuzzi, rounding second, slipped, but when Maines bobbled the ball momentarily, the base runner foolishly tried to pick up the extra base and was thrown out by a mile trying to dash into third. Crosby took second on the play. While Gerry Bechtold was batting, Crosby tried to pilfer third but was cut down by 30 feet. As Crosby broke for third, Bruce Bechtold, the pitcher for Jones, quickly tossed over to the third baseman for the easy out. Bruce then fanned his brother, Gerry, for the third out.

Press Box Jottings...In cutting down Giannuzzi at third base, Tommy Maines threw a strike to Nippy Jones for the big out. It had the runner by about five feet...Last night's tie forced a full schedule of action for next week...Jones Dairy will have a chance of wrapping up the second half crown by winning two games against the Wiltwycks and Doblers. It's quite a menu though ....Six walks kept Gerry Bechtold in constant trouble but the Dairymen couldn't come up with the clutch. They stranded 10 men. Bechtold had Sal Misasi bottled up, but good. He fanned the big slugger three times and had him ground out the other time.

The boxscore:

Jones Dairy (2)

Newburgh Jewels Name Jim Lawson Starting Hurler

Right hander Jim Lawson, with a record of 6 wins and 3 losses, has been named by the Newburgh Jewels as starting pitcher against the Kingston Colonials Saturday night at municipal stadium.

Manager Tony Williams of the Colonials is expected to call on Jim "Chink" Ferraro, the Esopus right hander who pitched effectively against Poughkeepsie in the Hudson Valley championship series opener last Saturday.

Newburgh defeated Kingston last Sunday at the Hill City but lost to Poughkeepsie. The Colonials will be seeking their first win. Sunday night they visit Riverview Field in Poughkeepsie where Big Zeke Klosterman or Jerry Bechtold will get the starting assignment against Dick Whitesell.

Billy Ostrom, who handcuffed the Colonials in the opener, is scheduled to go against Charlie Benefield in the Poughkeepsie-Newburgh clash Sunday afternoon at Newburgh.

NEIGHBORLY ADVICE

often is the best kind to rely on. When a neighbor, for instance, tells you how Clark's technicians improved TV performance and enjoyment, you can conclude that Clark's TV-Radio Repairs & Service should be best for you, too. Actually, you'll find us pleasantly low-priced, too!

SPORTS

By CHARLES J. TIANO

Freeman Sports Editor

Unless the press agents get busy it may require writs of habeas corpus to produce the Police and Lawyer baseball teams for next Wednesday's shindig at municipal stadium. However, the secret is out.

The poor barristers are reported growing blisters and callouses by the bushel basket under Judge Harry E. Schirick's driving command, while Len Ellsworth and the police tossers hold secret practice sessions on undisclosed fields.

The Cops are in for a hard time when Judge Schirick strides to the coaching box. Leo Durocher in his palmiest day would hardly have been a match for the Judge Schirick who piloted the original Colonials.

• Flotsam and Jetsam:

Phil Corrado's heated reaction to a suggestion that Horace Stoneham was emptying the Polo Grounds, when he signed the Dandy Little Manager (L.D.) to a two-year contract, proves that faithful Phil hasn't been reading the attendance figures. He'll find them daily at the end of the Giant boxscores. Bill Van Aken, who holds the course record at IBM Country Club in Poughkeepsie, won his first match in the championship flight, 7 and 6 over Bill Veach. Forty of the best ski jumpers in the country, including Art Tokle, compete in Sunday's tournament at Salisbury, Conn. On artificial snow, of course. That Williams Lake National AAU Long Distance Swim Sunday is major league stuff in the aquatic world. John J. Van Gonsic will arrive from Vandalia, Ohio, where he competed in the Grand National Trapshoot, just in time for Saturday's important match with Lou Smith. Who remembers the last time any City League team scored against Tommy Fisher in five consecutive innings?

• Spahn Takes Lead in Lifetime SOs:

Milwaukee's southpaw ace, Warren Spahn, took over the leadership in lifttime shutouts among active National League pitchers with his 32nd "whitewash" job on Aug. 5. Prior to his most recent calcimine job, Spahn was tied with Dutch Leonard and Ken Raffensberger, both of whom stand at 31. Leonard held the lead at the outset of the '53 season, one up on "Raffy" and four up on Spahn. Warren's Aug. 15 shutout was his fifth of the season. Wonder how Bill Dixon, the Woodstock Toots Shor, is picking the Marciano-La Starza bout? The death within a month of two standout bowling personalities like Bill Guldenstern and Steve Leone was a shock not only to the village of Catskill but the mid-Hudson area as well. Gulendstern was an outstanding promoter and his penchant for match games of any kind created many interesting moments for local fans and bowlers alike. He rolled a standout 10-game match against Poughkeepsie's Phil Versace a year ago and was fast with a buck in singles tests. New Paltz and Rosendale reported staying within the Kingston Bowling Association for another season.

• Of Men and Mice:

Joe Benjamin, the Saugerties catcher-umpire, does more than anyone lse we know to promote major league tryouts and opportunities for area ball players. He arranged George Telepas' entry into the New York Giant farm system and has excellent contacts with the Giant front office. Gil Kelder, Jr., won the Mirror Lake long distance swim, besting a field of eight. Bob Graves' final statistical sheet for the Town of Esopus Little League was a superlative job. Incidentally, it proved that in small fry baseball, and even through high school, the pitchers are also likely to dominate the batting. They generally bat fourth. But when they continue into organized ball the batting acumen fades to nothing. Lack of steady batting practice and the once-in-four-days routine as a hitter has its effects.

Maury McDermott's 13 victories indicate the Poughkeepsie be-bop guy is heading for the stardom predicted for him a few years ago. The son of Maury McDermott, Sr., the former Kingston Colonial pitcher and first baseman, has been likened to the immortal Robert Moses Grove of the Philadelphia Athletics and Boston Red Sox. Don't overlook the fact that Grove didn't launch his fabulous major league career until he was 26 years old and Maury Jr., hasn't hit that milestone yet. Grove was a big league flinger with the Baltimore Orioles three years before he was brought up to form the legendary Athletic squad with Jimmy Foxx, Mickey Cochrane, George Earnshaw, Bing Miller, Al Simmons, Mule Haas, et al. But he was so wild the Mackmen were afraid he might kill somebody. At 26 Roland La Starza at least is not just another old pappy guy showing up for a final touch by Rocky Marciano. This one will be a fight while it lasts, not a sitdown strike.

Confidence Back, Strafaci Again in Favorite's Role

Grand Rapids, Mich., Aug. 21 (AP) — Dapper Frank Strafaci's magic putting has dazzled the Western Amateur Golf championship, but it's not the best part of his game.

The reason the dark-haired Strafaci has surged into the favorite's role in today's quarter-finals is something you can't see, he's got his confidence back.

"I played in a lot of tournaments after I won the National Public Links tournament in 1945, but I lost the will to win," said the Garden City, N. Y., veteran.

He had the will yesterday. He submerged Dr. Wendell Aldrich of Angola, Ind., 4 and 3, with a wave of seven birdies in 15 holes. He curled in a pair of 15 and 18-foot putts and one of 25 feet. He also had a 12-footer but that's the kind Strafaci throws back.

Ward Is Trounced

In the morning round, the 37-year-old insurance broker trimmed George Busch, Jr., of Grand Rapids, Mich., 3 and 1.

"When I shot that 66 to win medalist honors, I suddenly wanted to win this tournament, and win it badly," he confessed.

Harvey Ward, Jr., of Atlanta, Ga., a Walker Cupper and the pre-tournament favorite, was soundly trounced by unknown Henry Loeb, high school graduate from Highland Park, Ill., 4 and 3, yesterday.

A second Walker Cup member, James Jackson of Glendale, Mo., was eliminated by Dale Morey, the Martinsville, Ind., veteran 2 and 1.

Only Don Cherry, among the Walker Cuppers, was able to advance. Defeated David Reniger of Lansing, Mich., 6 and 4 and Robert Benning of Dayton, Ohio, 3 and 2.

Loeb went down in an afternoon upset, losing 4 and 2 to Dick Norton of Grand Rapids, Mich.

Californians have won six of the last eight USGA national public links championships.

Elks to Meet Legion Monday In Vital Game

Two Three-Run Frames Give VFW Victory

FYL Standings

	W	L
Elks	8	1
Legion	7	3
VFW	6	5
Police	5	6
Rotary	0	11

Joe Beaver authored a neat two-hit shutout victory over the Rotary as the VFW registered a 7 to 0 decision in the Fraternal Youth League at municipal stadium Thursday night.

Beaver was stellar in his great pitching effort. He only allowed one man to reach third base. Lee Kias completed his effort in the sixth but was thrown out at home by the left fielder.

The Vets had two big innings—the first and third—in scoring last night's easy win. They chipped in with a single tally in the fifth.

Jack Effner and John Culjack divided the pitching chores for Rotary.

The Vets only made six hits off the two Rotary hurlers with Bob Dawkins, Joe Pino, Joe Hoffman, who clubbed a double; Charlie Bishop, Bob Roos and Dick Strong, doing the honors. John Turck's double and Bob Hart's single were the lone safeties for Rotary.

Big Game Monday

Considerable interest is being focused for Monday's big contest between the league-leading Elks (8-1) and the American Legion (7-3).

The two clubs have split in a pair of games so far this season. Bob Maines is scheduled to hurl for the Legion while Tony Turck, with a 2-0 record, is due to start for the Elks. Maines has a 2-2 mark on the year.

Leads Jaycee Golf

Ann Arbor, Mich., Aug. 21 (AP)—Johnny Pott, of York, Pa., took the second round lead in the 8th International Jaycee Golf Tournament yesterday with a 33-36—69, three under par and the lowest score ever shot by a junior in national competition on the hilly, 6,660 yard University of Michigan course. His 145 total was good for a one stroke lead. Ross Carinno, Yonkers, N. Y., was tied for fifth at 151. After today's 18-hole round, only Saturday's champion round remains.

Great Colby Upset

Westbury, Aug. 21 (AP)—Roy S. upset the favored Great Colby last night to win the featured $14,500 trotting event at Roosevelt Raceway in 2:05 2/5. Great Colby, backed down to even money, failed to catch Roy S. in a stretch drive. Federal Hanover was third. Roy S., 11-year-old brown gelding owned by Roy W. Scism, of Red Hook, was driven by Del Mactavis, and scored his initial win of the year in 12 starts. He returned $17.20, $6.20 and $41.10.

E. LeMay Top Hurler With 5 Esopus LL Wins

Emory LeMay, the little curve-ball artist who stopped the Kingston Americans in the District 3 tournament, was top pitcher in the Esopus Little League.

LeMay won five straight games without a loss, issued only 16 walks in 27 innings and fanned 59, final statistics revealed today.

Runnerup Richie Wenzel had a 4-1 record with 53 Ks, and strong-armed Bob Short, the loop's leading hitter, won 5 and lost 2, while issuing only 9 walks and fanning 84.

Workhorse of the league was Dick Terpening who pitched 35 innings and tied Bob Short for most Ks, with 84. Al MacIntosh had a 4-2 mark, walked 24 and struck out 74.

Following is the record of all hurlers who figured in at least one decision:

Name	IP	SO	BB	W	L
LeMay (G)	27	59	16	5	0
Wenzel (G)	21	53	10	4	1
Short (I)	22	84	9	5	2
MacIntosh (Y)	22	74	24	4	2
Holmes (I)	24	38	9	2	2

Softball Stars Meet Pine Bush on Sunday

Block Park Game Is Set for 2:05 P.M.

Ben Freer, ace Hilltop pitcher in the City Softball League, has been selected as the starting hurler for Sunday's game with Pine Bush, winners of the Middletown Softball League, it was announced this morning.

Sunday's contest has been scheduled for Block Park. Starting time is 2:05 p. m.

The Pine Bush club boasts some stellar attractions in its lineup including Abe Green, regarded as the No. 1 moundsman in the Middletown circuit.

Pine Bush also will have Bob Foot, Jim Kever and Don Gleason, all of whom have played in Class B ball.

Bill Mahoney of the Hilltop squad, who will manage the local All Stars, has announced the following starting lineup;

Ben Freer, Hilltop, pitcher.

Ronnie Scheffel, Hilltop, catcher.

Don Riehl, Subways, first base.

Bob Graves, Esopus, second base.

Bill Tierney, Hilltop, shortstop.

Bob Schatzel, Subway, third base.

Champ Holstein, Cherny's, left field.

Jack Ruzzo, Lincoln Park, center field.

Peanut Schatzel, Alpine, right field.

Coleman Ordered Home

San Francisco, Aug. 21 (AP)—Capt. Jerry Coleman, New York Yankee second baseman now in the First Marine Air Wing in Korea, has been ordered home for immediate discharge, a marine corps spokesman said here yesterday.

Claude Harmon, former Masters champion and pro at Winged Foot, Mamaroneck, N. Y., ran off a string of eight birdies and an eagle in succession on the East course last spring.

Fights Last Night

Sydney, Australia — Freddie Dawson, 143, Chicago, awarded decision over Harry Hayes, 154½, Australia. (Hayes disqualified in 5th round.)

Howard, Arlensky Shoot 557 Scores

Dick Howard and Mitzie Arlensky tied for top honors in the Sangi Summer Mixed League action Thursday night at the Central Rec drives with 557 triples.

Howard clicked for scores of 157-206-194 while Arlensky riddled the maples for 161-171-225.

Kay Brodhead's string of 141-214-182 for a 537 series topped the distaff department.

Other scores of note included Paul Khederian with 205-548; John "Red" Sangi 542; John Davis 515; Dot Khederian 511; Jack Martin 508; Miriam Posner 480; Ceil Wood 465 and Fannie Battaglino 465.

Team results:

DeLuca Cleaners 2, Cherny Keglers 1; DD Drive-In 2, Crown Blouse 1; Bowery Dugout 2, Adirondack Trailways 1; Welch Grocery 3, Team 3 0.

Detroit—Bob Amos, 174, Detroit, outpointed Gordon Wallace, 167, Brantford, Ont., 8.

The Genesee Brewing Co., Inc., Rochester, N. Y.

Championship Flights to Feature Key Matches at Area Golf Clubs

With championship flights in full swing, heavy weekend action is scheduled Saturday at the three area golf clubs.

Two important semi-final matches will be played at Twaalfskill where John Van Gonsic, a former champion, takes on Lou Smith.

Clarence "Dubby" Raichle goes against George Hughes, another ex-champion, in the other semi-final clash. Both matches are attracting tremendous interest at the midtown links and figure to draw heavy spectator atendance.

Smith, who was club champion in 1944 and 1945, scored a sensational upset over Alvin Boice in a quarter final contest.

Raichle In Streak

Raichle has been shooting consistent sub-par rounds all season and the former Wiltwyck star is a solid threat for the 1953 crown.

Second round action is carded at Woodstock where a duel between defending champion Boyer Gonzales and youthful Norman Foster holds the center of interest.

Maurice Davenport, the old pro of Wiltwyck, goes against medalist Gerry Wells in the second bracket of the semi-finals. If Maurice wins, he will have to face his own son, Dick, in the finals.

Beats Bailey

Dick eliminated veteran J. Watson Bailey 1-up in a thrilling 19-hole match which he closed out with a birdie-3 on the first green.

Davenport led by one hole at the end of nine but Bailey squared the match on the 12th. After they halved the next two holes, Davenport went 1-up on the dog-leg 15th but the high school mathematics prof rallied to take the 16th. Halves on the 17th and 18th holes left them all even.

Both pounded good drives off the 19th tee but Davenport's pitch shot was almost stiff to the pin, while Bailey was left a 20 foot putt. Davenport canned his putt for a birdie-3 to win the match when Bailey missed his try by inches.

Dairymen Tie Doblers 2-2 With Single Run in Seventh Inning

League to Start Games at 6 P.M. In Coming Week

Nippy Jones' Single Deadlocks Contest

The Standings

	Won	Lost
Jones Dairy	4	1
Colonial Merchants	3	3
Wiltwyck Motors	3	3
Doblers	2	2
Kingston Indians	1	4

Next Week's Schedule

Tuesday—Jones vs. Wiltwycks (postponed game).

Wednesday—Merchants vs. Indians (tie game).

Thursday—Jones vs. Doblers (postponed game).

All games will start at 6 p. m.

Jones Dairy, which started out hoping to consolidate its hold on first place last night, had to come from behind to assure itself of a 2-2 tie with the Doblers in the City League attraction at the Athletic Field.

Trailing 2 to 1 going into the final stanza, the Dairymen pushed across the equalizer on a clutch single by Nippy Jones.

Early Starts Next Week

Jack Misasi, loop secretary, announced this morning that all of next week's games will get underway at 6 o'clock. All teams are requested to report at the field in time for the earlier starts.

Doblers jumped out in front with a single run off Bruce Hinkley in the first inning last night with the help of a two-base error.

Hank Barnes opened the Dobler half of the first by cracking a grounder to Jones, the third sacker. Jones fired the pill past first and Barnes trotted to second on the miscue. Bill Tierney moved Barnes up a base on a bunt and Barnes galloped home on Barringer's loft to center.

Gerry Bechtold, meanwhile, made the 1-0 lead stand up for the Beermen until the fifth when the Dairymen finally hit paydirt.

Ronnie Mauro opened the rally with a single, went to second on Schatzel's sacrifice after Carlino skied out to center. Tommy Maines singled to left to knock in Mauro with the tying marker. Jones kept the uprising alive with a single but Misasi grounded to second for the final out.

Doblers Regain Edge

Doblers reared right back in the bottom half of the fifth to score a run and take a 2-1 edge.

Bill Glaser led it off with a single to right, moved to second on Crosby's bunt. When Bechtold ripped a hard liner off Hinkley's glove for a hit, Glaser galloped to third. Hinkley appeared to be out of the jam when Barnes grounded to Carlino for a sure double play try but the shortstop kicked the ball around as Glaser scored. Hinkley induced the next two batters to hit back to the box to end any further scoring.

After the Dairymen tied the score in the top half of the seventh frame, the Doblers still had a big opportunity to pull the game out of the fire but some questionable base running nullified their chances.

With Bruce Bechtold replacing Hinkley on the mound for the Dairymen, Bill Glaser greeted the new hurler for a walk. Paul Giannuzzi, rounding second, slipped, but when Maines bobbled the ball momentarily, the base runner foolishly tried to pick up the extra base and was thrown out by a mile trying to dash into third. Crosby took second on the play. While Gerry Bechtold was batting, Crosby tried to pilfer third but was cut down by 30 feet. As Crosby broke for third, Bruce Bechtold, the pitcher for Jones, quickly tossed over to the third baseman for the easy out. Bruce then fanned his brother, Gerry, for the third out.

Press Box Jottings...In cutting down Giannuzzi at third base, Tommy Maines threw a strike to Nippy Jones for the big out. It had the runner by about five feet...Last night's tie forced a full schedule of action for next week...Jones Dairy will have a chance of wrapping up the second half crown by winning two games against the Wiltwycks and Doblers. It's quite a menu though ....Six walks kept Gerry Bechtold in constant trouble but the Dairymen couldn't come up with the clutch. They stranded 10 men. Bechtold had Sal Misasi bottled up, but good. He fanned the big slugger three times and had him ground out the other time.

The boxscore:

Newburgh Jewels Name Jim Lawson Starting Hurler

Right hander Jim Lawson, with a record of 6 wins and 3 losses, has been named by the Newburgh Jewels as starting pitcher against the Kingston Colonials Saturday night at municipal stadium.

Manager Tony Williams of the Colonials is expected to call on Jim "Chink" Ferraro, the Esopus right hander who pitched effectively against Poughkeepsie in the Hudson Valley championship series opener last Saturday.

Newburgh defeated Kingston last Sunday at the Hill City but lost to Poughkeepsie. The Colonials will be seeking their first win. Sunday night they visit Riverview Field in Poughkeepsie where Big Zeke Klosterman or Jerry Bechtold will get the starting assignment against Dick Whitesell.

Billy Ostrom, who hancuffed the Colonials in the opener, is scheduled to go against Charlie Benefield in the Poughkeepsie-Newburgh clash Sunday afternoon at Newburgh.

Vets Blank Rotary 7-0 on Joe Beaver's 2-Hitter

SPORTS

By CHARLES J. TIANO
Freeman Sports Editor

Unless the press agents get busy it may require writs of habeas corpus to produce the Police and Lawyer baseball teams for next Wednesday's shindig at municipal stadium. However, the secret is out.

The poor barristers are reported growing blisters and callouses by the bushel basket under Judge Harry E. Schirick's driving command, while Len Ellsworth and the police tossers hold secret practice sessions on undisclosed fields.

The Cops are in for a hard time when Judge Schirick strides to the coaching box. Leo Durocher in his palmiest day would hardly have been a match for the Judge Schirick who piloted the original Colonials.

• Flotsam and Jetsam:

Phil Corrado's heated reaction to a suggestion that Horace Stoneham was emptying the Polo Grounds, when he signed the Dandy Little Manager (L.D.) to a two-year contract, proves that faithful Phil hasn't been reading the attendance figures. He'll find them daily at the end of the Giant boxscores. Bill Van Aken, who holds the course record at IBM Country Club in Poughkeepsie, won his first match in the championship flight, 7 and 6 over Bill Veach. Forty of the best ski jumpers in the country, including Art Tokle, compete in Sunday's tournament at Salisbury, Conn. On artificial snow, of course. That Williams Lake National AAU Long Distance Swim Sunday is major league stuff in the aquatic world. John J. Van Gonsic will arrive from Vandalia, Ohio, where he competed in the Grand National Trapshoot, just in time for Saturday's important match with Lou Smith. Who remembers the last time any City League team scored against Tommy Fisher in five consecutive innings?

• Spahn Takes Lead in Lifetime SOs:

Milwaukee's southpaw ace, Warren Spahn, took over the leadership in lifttime shutouts among active National League pitchers with his 32nd "whitewash" job on Aug. 5. Prior to his most recent calcimine job, Spahn was tied with Dutch Leonard and Ken Raffensberger, both of whom stand at 31. Leonard held the lead at the outset of the '53 season, one up on "Raffy" and four up on Spahn. Warren's Aug. 15 shutout was his fifth of the season. Wonder how Bill Dixon, the Woodstock Toots Shor, is picking the Marciano-La Starza bout? The death within a month of two standout bowling personalities like Bill Guldenstern and Steve Leone was a shock not only to the village of Catskill but the mid-Hudson area as well. Gulendstern was an outstanding promoter and his penchant for match games of any kind created many interesting moments for local fans and bowlers alike. He rolled a standout 10-game match against Poughkeepsie's Phil Versace a year ago and was fast with a buck in singles tests. New Paltz and Rosendale reported staying within the Kingston Bowling Association for another season.

• Of Men and Mice:

Joe Benjamin, the Saugerties catcher-umpire, does more than anyone lse we know to promote major league tryouts and opportunities for area ball players. He arranged George Telepas' entry into the New York Giant farm system and has excellent contacts with the Giant front office. Gil Kelder, Jr., won the Mirror Lake long distance swim, besting a field of eight. Bob Graves' final statistical sheet for the Town of Esopus Little League was a superlative job. Incidentally, it proved that in small fry baseball, and even through high school, the pitchers are also likely to dominate the batting. They generally bat fourth. But when they continue into organized ball the batting acumen fades to nothing. Lack of steady batting practice and the once-in-four-days routine as a hitter has its effects.

Maury McDermott's 13 victories indicate the Poughkeepsie be-bop guy is heading for the stardom predicted for him a few years ago. The son of Maury McDermott, Sr., the former Kingston Colonial pitcher and first baseman, has been likened to the immortal Robert Moses Grove of the Philadelphia Athletics and Boston Red Sox. Don't overlook the fact that Grove didn't launch his fabulous major league career until he was 26 years old and Maury Jr., hasn't hit that milestone yet. Grove was a big league flinger with the Baltimore Orioles three years before he was brought up to form the legendary Athletic squad with Jimmy Foxx, Mickey Cochrane, George Earnshaw, Bing Miller, Al Simmons, Mule Haas, et al. But he was so wild the Mackmen were afraid he might kill somebody. At 26 Roland La Starza at least is not just another old pappy guy showing up for a final touch by Rocky Marciano. This one will be a fight while it lasts, not a sitdown strike.

Confidence Back, Strafaci Again in Favorite's Role

Grand Rapids, Mich., Aug. 21 (AP) — Dapper Frank Strafaci's magic putting has dazzled the Western Amateur Golf championship, but it's not the best part of his game.

The reason the dark-haired Strafaci has surged into the favorite's role in today's quarter-finals is something you can't see, he's got his confidence back.

"I played in a lot of tournaments after I won the National Public Links tournament in 1945, but I lost the will to win," said the Garden City, N. Y., veteran.

He had the will yesterday. He submerged Dr. Wendell Aldrich of Angola, Ind., 4 and 3, with a wave of seven birdies in 15 holes. He curled in a pair of 15 and 18-foot putts and one of 25 feet. He also had a 12-footer but that's the kind Strafaci throws back.

Ward Is Trounced

In the morning round, the 37-year-old insurance broker trimmed George Busch, Jr., of Grand Rapids, Mich., 3 and 1.

"When I shot that 66 to win medalist honors, I suddenly wanted to win this tournament, and win it badly," he confessed.

Harvey Ward, Jr., of Atlanta, Ga., a Walker Cupper and the pre-tournament favorite, was soundly trounced by unknown Henry Loeb, high school graduate from Highland Park, Ill., 4 and 3, yesterday.

A second Walker Cup member, James Jackson of Glendale, Mo., was eliminated by Dale Morey, the Martinsville, Ind., veteran 2 and 1.

Only Don Cherry, among the Walker Cuppers, was able to advance. Defeated David Reniger of Lansing, Mich., 6 and 4 and Robert Benning of Dayton, Ohio, 3 and 2.

Loeb went down in an afternoon upset, losing 4 and 2 to Dick Norton of Grand Rapids, Mich.

Californians have won six of the last eight USGA national public links championships.

Elks to Meet Legion Monday In Vital Game

Two Three-Run Frames Give VFW Victory

FYL Standings

	W	L
Elks	8	1
Legion	7	3
VFW	6	5
Police	5	6
Rotary	0	11

Joe Beaver authored a neat two-hit shutout victory over the Rotary as the VFW registered a 7 to 0 decision in the Fraternal Youth League at municipal stadium Thursday night.

Beaver was stellar in his great pitching effort. He only allowed one man to reach third base. Lee Kias completed his effort in the sixth but was thrown out at home by the left fielder.

The Vets had two big innings—the first and third—in scoring last night's easy win. They chipped in with a single tally in the fifth.

Jack Effner and John Culjack divided the pitching chores for Rotary.

The Vets only made six hits off the two Rotary hurlers with Bob Dawkins, Joe Pino, Joe Hoffman, who clubbed a double; Charlie Bishop, Bob Roos and Dick Strong, doing the honors. John Turck's double and Bob Hart's single were the lone safeties for Rotary.

Big Game Monday

Considerable interest is being focused for Monday's big contest between the league-leading Elks (8-1) and the American Legion (7-3).

The two clubs have split in a pair of games so far this season. Bob Maines is scheduled to hurl for the Legion while Tony Turck, with a 2-0 record, is due to start for the Elks. Maines has a 2-2 mark on the year.

Leads Jaycee Golf

Ann Arbor, Mich., Aug. 21 (AP)—Johnny Pott, of York, Pa., took the second round lead in the 8th International Jaycee Golf Tournament yesterday with a 33-36—69, three under par and the lowest score ever shot by a junior in national competition on the hilly, 6,660 yard University of Michigan course. His 145 total was good for a one stroke lead. Ross Carinno, Yonkers, N. Y., was tied for fifth at 151. After today's 18-hole round, only Saturday's champion round remains.

Great Colby Upset

Westbury, Aug. 21 (AP)—Roy S. upset the favored Great Colby last night to win the featured $14,500 trotting event at Roosevelt Raceway in 2:05 2/5. Great Colby, backed down to even money, failed to catch Roy S. in a stretch drive. Federal Hanover was third. Roy S., 11-year-old brown gelding owned by Roy W. Scism, of Red Hook, was driven by Del Mactavis, and scored his initial win of the year in 12 starts. He returned $17.20, $6.20 and $41.10.

Championship Flights to Feature Key Matches at Area Golf Clubs

With championship flights in full swing, heavy weekend action is scheduled Saturday at the three area golf clubs.

Two important semi-final matches will be played at Twaalfskill where John Van Gonsic, a former champion, takes on Lou Smith.

Clarence "Dubby" Raichle goes against George Hughes, another ex-champion, in the other semi-final clash. Both matches are attracting tremendous interest at the midtown links and figure to draw heavy spectator atendance.

Smith, who was club champion in 1944 and 1945, scored a sensational upset over Alvin Boice in a quarter final contest.

Raichle In Streak

Raichle has been shooting consistent sub-par rounds all season and the former Wiltwyck star is a solid threat for the 1953 crown.

Second round action is carded at Woodstock where a duel between defending champion Boyer Gonzales and youthful Norman Foster holds the center of interest.

Maurice Davenport, the old pro of Wiltwyck, goes against medalist Gerry Wells in the second bracket of the semi-finals. If Maurice wins, he will have to face his own son, Dick, in the finals.

Beats Bailey

Dick eliminated veteran J. Watson Bailey 1-up in a thrilling 19-hole match which he closed out with a birdie-3 on the first green.

Davenport led by one hole at the end of nine but Bailey squared the match on the 12th. After they halved the next two holes, Davenport went 1-up on the dog-leg 15th but the high school mathematics prof rallied to take the 16th. Halves on the 17th and 18th holes left them all even.

Both pounded good drives off the 19th tee but Davenport's pitch shot was almost stiff to the pin, while Bailey was left a 20 foot putt. Davenport canned his putt for a birdie-3 to win the match when Bailey missed his try by inches.

E. LeMay Top Hurler With 5 Esopus LL Wins

Emory LeMay, the little curve-ball artist who stopped the Kingston Americans in the District 3 tournament, was top pitcher in the Esopus Little League.

LeMay won five straight games without a loss, issued only 16 walks in 27 innings and fanned 59, final statistics revealed today.

Runnerup Richie Wenzel had a 4-1 record with 53 Ks, and strong-armed Bob Short, the loop's leading hitter, won 5 and lost 2, while issuing only 9 walks and fanning 84.

Workhorse of the league was Dick Terpening who pitched 35 innings and tied Bob Short for most Ks, with 84. Al MacIntosh had a 4-2 mark, walked 24 and struck out 74.

Following is the record of all hurlers who figured in at least one decision:

Name	IP	SO	BB	W	L
LeMay (G)	27	59	16	5	0
Wenzel (G)	21	53	10	4	1
Short (I)	22	84	9	5	2
MacIntosh (Y)	22	74	24	4	2
Holmes (I)	24	38	9	2	2
Van Loan (Y)	17	39	7	2	2
Myers (I)	17	26	21	1	1
Turner (D)	22	55	16	4	3
Soehlein (Y)	9	18	12	1	1
Kearse (G)	18	52	22	2	4
Terpening (D)	35	84	28	1	4
Galente (D)	5	5	1	1	1
W. Johnson (I)	3	3	4	0	1
Robinson (D)	2	0	0	0	1
Boyce (G)	10	11	0	0	2

Haffner (Y)	4	1	2	0	1

Softball Stars Meet Pine Bush on Sunday

Block Park Game Is Set for 2:05 P.M.

Ben Freer, ace Hilltop pitcher in the City Softball League, has been selected as the starting hurler for Sunday's game with Pine Bush, winners of the Middletown Softball League, it was announced this morning.

Sunday's contest has been scheduled for Block Park. Starting time is 2:05 p. m.

The Pine Bush club boasts some stellar attractions in its lineup including Abe Green, regarded as the No. 1 moundsman in the Middletown circuit.

Pine Bush also will have Bob Foot, Jim Kever and Don Gleason, all of whom have played in Class B ball.

Bill Mahoney of the Hilltop squad, who will manage the local All Stars, has announced the following starting lineup;

Ben Freer, Hilltop, pitcher.

Ronnie Scheffel, Hilltop, catcher.

Don Riehl, Subways, first base.

Bob Graves, Esopus, second base.

Bill Tierney, Hilltop, shortstop.

Bob Schatzel, Subway, third base.

Champ Holstein, Cherny's, left field.

Jack Ruzzo, Lincoln Park, center field.

Peanut Schatzel, Alpine, right field.

Coleman Ordered Home

San Francisco, Aug. 21 (AP)—Capt. Jerry Coleman, New York Yankee second baseman now in the First Marine Air Wing in Korea, has been ordered home for immediate discharge, a marine corps spokesman said here yesterday.

Claude Harmon, former Masters champion and pro at Winged Foot, Mamaroneck, N. Y., ran off a string of eight birdies and an eagle in succession on the East course last spring.

Fights Last Night

Sydney, Australia — Freddie Dawson, 143, Chicago, awarded decision over Harry Hayes, 154½, Australia. (Hayes disqualified in 5th round.)

Howard, Arlensky Shoot 557 Scores

Dick Howard and Mitzie Arlensky tied for top honors in the Sangi Summer Mixed League action Thursday night at the Central Rec drives with 557 triples.

Howard clicked for scores of 157-206-194 while Arlensky riddled the maples for 161-171-225.

Kay Brodhead's string of 141-214-182 for a 537 series topped the distaff department.

Other scores of note included Paul Khederian with 205-548; John "Red" Sangi 542; John Davis 515; Dot Khederian 511; Jack Martin 508; Miriam Posner 480; Ceil Wood 465 and Fannie Battaglino 465.

Team results:

DeLuca Cleaners 2, Cherny Keglers 1; DD Drive-In 2, Crown Blouse 1; Bowery Dugout 2, Adirondack Trailways 1; Welch Grocery 3, Team 3 0.

Detroit—Bob Amos, 174, Detroit, outpointed Gordon Wallace, 167, Brantford, Ont., 8.

The SCOREBOARD

(By The Associated Press)

By The Associated Press

The race for final positions in the major league standings appear to be all over in both circuits except to find out who's going to finish third.

Although there are still five weeks to play it's mostly just a question of waiting for the World Series—for Brooklyn and the New York Yankees—and for next year.

The third place races, however, are close in both leagues. Cleveland holds third in the American League by only a half game over the Boston Red Sox. St. Louis has a game edge on Philadelphia in the National.

To an individual player it is worth about twice as much to be a member of a third place finisher instead of with a fourth place club. The players on the first four clubs share in World Series' receipts. Last year, members of the Cardinals, who finished third, received roughly $775 each to $378 for each player on the fourth place Phillies. In the American League the third place White Sox got about $673 each to $338 for the fourth place Athletics.

Both Lead by Nine

Except for the third place battles at least six games separate the clubs in their present positions in the National League. Only seven games divide the last place St. Louis Browns from the sixth place Athletics in the American League, with Detroit sandwiched in between. But none of these clubs has shown any indication that it will improve greatly or collapse between now and the end of the season.

The league leading Dodgers and Yankees each have a nine game edge over the Milwaukee Braves and the Chicago White Sox, respectively. Brooklyn has 36 games to play, New York 35.

In yesterday's curtailed activity the Dodgers thumped the New York Giants 10-0; St. Louis defeated the Chicago Cubs 5-3 and Pittsburgh beat Philadelphia 5-2 in the National League. The Yankees whipped Washington 7-0 and Cleveland bounced Detroit 13-7 in the American.

15 for Erskine

Carl Erskine, Brooklyn's biggest winner, posted his 15th victory of the season and his second straight four-hit shutout over the stumbling Giants. One of the league's best pitchers when he has his control, Erskine didn't walk a man and struck out six.

Robin Roberts fell victim to Philadelphia's sieve-like defense as he failed for the second time to win his 21st game. The Phillies committeed four errors and four of the Pirates' five runs were unearned. The loss was Robert's 10th.

Wilmer (Vinegar Bend) Mizell doubled home the winning runs in a sixth inning rally as he hung up his 11th victory for St. Louis. He gave up seven Chicago hits but needed help from Gerry Staley to get the last out in the ninth.

Porterfield Stopped

The Yankees bombarded Bob Porterfield, the league's shutout leader, for seven runs in the fourth inning and broke his five game winning streak. Porterfield, who once toiled for the New Yorkers, has been beaten 10 times this season, five times by the Yankees. Eddie Lopat who causes the Senators to play dead at the mere sound of his name, won his 11th straight against Washington dating back to June 26, 1951. His overall record for this year is 13-2.

Cleveland broke its four game losing streak with an 18-hit attack at Detroit including home runs by Harry Simpson and Jim Hegan. Bob Lemon needed help in the seventh but lasted long enough to win his 17th game.

Yesterday's Stars

(By The Associated Press)

Pitching—Ed Lopat, New York Yankees, won his 13th game against two losses and his 11th straight over Washington, beating the senators 7-0.

Batting—Jim Hegan, Cleveland Indians, drove in four runs with a home run and two singles as the Indians broke a four game losing streak with a 13-7 decision over Detroit.

Record Is Beaten

Yonkers, Aug. 21 (AP)—Wilmington's Star zipped into the lead near the head of the stretch and scored a length victory last night in the $25,000 Yonkers racing derby, clipping two full seconds from the Yonkers Raceway track record for a mile and one-half. The winner, a 5-year-old black son of Wilmington-Miss McStone, was clocked in 3:06 as he was driven under the wire by Billy Haughton. The time was only two-fifths of a second off the world mark set July 30 by Chuck Volo in winning the $50,000 Nassau Pace at Roosevelt Raceway.

Strikeouts—Roberts, Philadelphia, 153; Erskine, Brooklyn, 143; Mizell, St. Louis, 120; Haddix, St. Louis, 106; Spahn, Milwaukee, 103.

Expects Record Field

Vandalia, Ohio, Aug. 21 (AP)—Trapshooting offers its most coveted championship today, the 100-target Grand American Handicap. The starting field is expected to exceed the record of 1,786 set in 1947.

Phony Charges Used

Freedom Village, Korea, Aug. 21 (AP)—A New Jersey soldier said today the Communists arrested several American prisoners and sentenced them to jail on phony charges the day an armistice was signed. "One man was sentenced to 18 months for rape," said Cpl. Lawrence Mitchell of Woodbury. "Now how could that be? There wasn't anyone in that damned camp to rape."

Patterns for Identity

The Yoruba tribe of Nigeria is divided into many clans, which identify themselves by varying patterns scratched on members' faces.

Bifocal glasses were invented by Benjamin Franklin.

Play in Archdiocesan Finals Sunday

Members of St. Joseph's baseball team take time out for the photographer during their practice drill in preparation for Sunday's Archdiocesan championship game at Fordham University Field, 190th street and Third avenue, New York. Last Sunday the locals advanced to the finals by nosing out St. Cecilia's of Manhattan, 7-6. Their opponent Sunday will be Holy Cross of the Bronx, a 3-0 winner over Mt. Carmel Juniors of Poughkeepsie. A Kingston victory Sunday would be the first non-New York city team to win the championship. In the above photo, kneeling (l-r) Pete Blankschen, Ed Lindhurst, Andy Dykes, Joe Pino, Joe Hoffman and Tommy Davitt. Standing (l-r) Eddie Ashdown, coach; Noel Bonacci, Tony Altamore, Ronnie Ashdown, Bob Dawkins, Frank Reis and Frank A. Reis, manager. Bob Fay, another member of the squad, was not present for the picture. *(Freeman Photo)*

OUT OF DOORS with Field & Stream

By AL McCLANE
(Fishing Editor)

The other day I received at letter from one of our readers in Philadelphia who said:

"Last summer I was fortunate enough to spend a week in northern Michigan. We caught quite a few fish—smallmouth bass, great northern pike, rock bass and perch. However, I was disappointed because, of all the fish we caught, only one pike was taken on an artificial lure.

"The natives and fishermen who had been going there for several years told us that you couldn't take a fish with anything but live bait.

"I enjoy fly and plug fishing much more than fishing with bait, and I wonder if you could give me any information on this type of fishing in this particular location.

"The opinion seems to be that fish stay in the weed beds from 10 to fifteen feet under the surface, and you have to fish through the weeds in order to catch fish, with the exception of bass, the majority of which are caught in from 20 to 25 feet of water over a rock bottom."

The fish mentioned can all be caught on artificial lures under most conditions. Quite often, the natives in any area know nothing at all about fly fishing and very little about plug casting. After failing to catch fish on their first half-hearted attempts with artificials, they revert to bait and say that the fish won't take a plug or fly.

In one spot where the natives told me that it was impossible to catch smallmouths on anything but live minnows, a friend and I discovered that we would take more fish than the bait fishermen by trolling a streamer fly very deep, just clear of the rock bottom. We caught an occasional snag, of course, but we also caught several bass.

I would be willing to bet that the perch could be caught on a small bucktail behind a tiny spinner which was fished along the edge of the weeds. A weedless spoon with pork chunk will often work on the great northerns, and you can cast it right into the the weeds and work it out with only an occasional shag.

I think you may also catch wall-eyes and smallmouths on plugs, but it will probably be necessary to find the good spots and fish deep. Often these spots are located where shoals break off into deep water. Naturally, without fishing there I can't tell you definitely, but I am convinced that you could take fish on artificial lures if you keep experimenting.

It's a problem like this that make an angler out of a fisherman. You should accept as a matter of course the fact that bait fishing is easier under almost all circumstances. Yet our records show that prize-winning fish invariably fall to artificial lures.

I will be glad to hear how you made out on this problem, if you got to try it this summer.

(Distributed by NEA Service)

Giants Trip Indians, 11-8 To Tie Esopus LL Playoffs

Fourth Frame Rally Breaks Up Tie

Esopus Playoffs

	Won	Lost
Indians	1	1
Giants	1	1

Future Slate

Tuesday at 5:30 p. m.

The Giants tied up the Town of Esopus Little League's best-of-three championship series Thursday night with a free-hitting 11 to 8 victory over the Indians.

The Indians opened the championship play Wednesday with a 9 to 1 victory.

According to Bob Graves, the third and final game is scheduled for Tuesday night at Ross Park starting at 5:30 o'clock. Originally, it was announced that the third game would be played Saturday night. The new date was announced this morning.

Both clubs had on their hitting togs last night.

Short Cracks Homer

Bob Short, shortstop for the Indians, featured the extra-base clouting with a homer. Harry Kearse chipped in with a triple while two-baggers were collected by Emory LeMay, Ron Halsey and Bernie Brown.

After the Indians opened with a three-run blast in the first inning, the Giants roared back with three markers.

The Indians kept on firing in the second with a four-run cluster but again the Giants bounced back and this time scored three markers as the Indians held a 7-6 edge.

Tied in Third

After watching the Indians move out in front by 8-6 with a single tally in the top half the determined Giants pushed across a pair of tallies in the bottom half of the frame to knot the score at 8-8 all.

The Giants came up with a three-run uprising in the bottom half of the fourth to register the victory. The Indians were held scoreless in the fourth and fifth. A double, three walks and a hit batsman featured the rally for the Giants.

Harry Kearse, who started at second base for the Giants, came on to relieve Emory LeMay and pitched fine relief ball.

Bruce Holmes and Darrel Myers divided the pitching chores for the Indians.

The boxscore:

Indians (8)

	AB	R	H
Bruce Holmes, p-2b	2	2	1

Cherny's Upend Beichert's 9-3

Don "Moe" Osterhoudt allowed nine hits but stranded 11 runners, as Cherny's surprised Beichert's Studebakers, 9 to 3, Wednesday in a City Softball League game.

The Grocers broke a 3-3 tie with two runs in the fifth off Danny Basch and racked up four more in the sixth.

George Bruck pounded three singles in four trips to the plate. Osterhoudt doubled and singled and Carter slammed two hits for the winners. J. Houghtaling hit safely twice for the Studies.

SPORTSMAN'S DIGEST By hal sharp

NIGHT FISHING WITH A LANTERN

8-21

THIS METHOD IS VERY EFFECTIVE WHERE IT IS LEGAL!

TIE A GASOLINE LANTERN TO A POLE SUSPENDED FROM THE BOAT. USE A REFLECTOR TO KEEP LIGHT AND ITS ATTRACTED BUGS AWAY FROM YOU, ONTO THE WATER. ANCHOR IN A CHOICE LOCATION TO AWAIT ACTION. GAME FISH COME TO FEED UPON FALLEN INSECTS AND ATTRACTED SHAD OR OTHER MINNOWS. USE A FLY ROD WITH FLIES OR BUGS. OR, BAIT WITH A MINNOW. USE A LEADER WITHOUT FLOAT OR SINKERS.

IF GAME FISH DON'T COLLECT, CRUISE VERY SLOWLY SO MINNOWS CAN FOLLOW TO FIND THEM.

May Have Ended Attempt

Skardu, Kashmir, Aug. 21 (AP)—A thirteen-day-old dispatch from American mountaineers trying to climb the world's second highest peak indicated today they may have abandoned their attempt. Brought by runner from an advance camp, the dispatch sent Aug. 8 said the expedition was still being plagued by a bad storm and if it did not abate quickly, the group would have to come down from the slopes of 28,250-foot Mt. Godwin Austen (K-2). The storm struck when the expedition had reached the 26,000 foot level.

The SCOREBOARD

(By The Associated Press)

By The Associated Press

The race for final positions in the major league standings appear to be all over in both circuits except to find out who's going to finish third.

Although there are still five weeks to play it's mostly just a question of waiting for the World Series—for Brooklyn and the New York Yankees—and for next year.

The third place races, however, are close in both leagues. Cleveland holds third in the American League by only a half game over the Boston Red Sox. St. Louis has a game edge on Philadelphia in the National.

To an individual player it is worth about twice as much to be a member of a third place finisher instead of with a fourth place club. The players on the first four clubs share in World Series' receipts. Last year, members of the Cardinals, who finished third, received roughly $775 each to $378 for each player on the fourth place Phillies. In the American League the third place White Sox got about $673 each to $338 for the fourth place Athletics.

Both Lead by Nine

Except for the third place battles at least six games separate the clubs in their present positions in the National League. Only seven games divide the last place St. Louis Browns from the sixth place Athletics in the American League, with Detroit sandwiched in between. But none of these clubs has shown any indication that it will improve greatly or collapse between now and the end of the season.

The league leading Dodgers and Yankees each have a nine game edge over the Milwaukee Braves and the Chicago White Sox, respectively. Brooklyn has 36 games to play, New York 35.

In yesterday's curtailed activity the Dodgers thumped the New York Giants 10-0; St. Louis defeated the Chicago Cubs 5-3 and Pittsburgh beat Philadelphia 5-2 in the National League. The Yankees whipped Washington 7-0 and Cleveland bounced Detroit 13-7 in the American.

15 for Erskine

Carl Erskine, Brooklyn's biggest winner, posted his 15th victory of the season and his second straight four-hit shutout over the stumbling Giants. One of the league's best pitchers when he has his control, Erskine didn't walk a man and struck out six.

Robin Roberts fell victim to Philadelphia's sieve-like defense as he failed for the second time to win his 21st game. The Phillies committeed four errors and four of the Pirates' five runs were unearned. The loss was Robert's 10th.

Wilmer (Vinegar Bend) Mizell doubled home the winning runs in a sixth inning rally as he hung up his 11th victory for St. Louis. He gave up seven Chicago hits but needed help from Gerry Staley to get the last out in the ninth.

Porterfield Stopped

The Yankees bombarded Bob Porterfield, the league's shutout leader, for seven runs in the fourth inning and broke his five game winning streak. Porterfield, who once toiled for the New Yorkers, has been beaten 10 times this season, five times by the Yankees. Eddie Lopat who causes the Senators to play dead at the mere sound of his name, won his 11th straight against Washington dating back to June 26, 1951. His overall record for this year is 13-2.

Cleveland broke its four game losing streak with an 18-hit attack at Detroit including home runs by Harry Simpson and Jim Hegan. Bob Lemon needed help in the seventh but lasted long enough to win his 17th game.

Yesterday's Stars

(By The Associated Press)

Pitching—Ed Lopat, New York Yankees, won his 13th game against two losses and his 11th straight over Washington, beating the senators 7-0.

Batting—Jim Hegan, Cleveland Indians, drove in four runs with a home run and two singles as the Indians broke a four game losing streak with a 13-7 decision over Detroit.

Record Is Beaten

Yonkers, Aug. 21 (AP)—Wilmington's Star zipped into the lead near the head of the stretch and scored a length victory last night in the $25,000 Yonkers racing derby, clipping two full seconds from the Yonkers Raceway track record for a mile and one-half. The winner, a 5-year-old black son of Wilmington-Miss McStone, was clocked in 3:06 as he was driven under the wire by Billy Haughton. The time was only two-fifths of a second off the world mark set July 30 by Chuck Volo in winning the $50,000 Nassau Pace at Roosevelt Raceway.

Strikeouts—Roberts, Philadelphia, 153; Erskine, Brooklyn, 143; Mizell, St. Louis, 120; Haddix, St. Louis, 106; Spahn, Milwaukee, 103.

Expects Record Field

Vandalia, Ohio, Aug. 21 (AP)—Trapshooting offers its most coveted championship today, the 100-target Grand American Handicap. The starting field is expected to exceed the record of 1,786 set in 1947.

Phony Charges Used

Freedom Village, Korea, Aug. 21 (AP)—A New Jersey soldier said today the Communists arrested several American prisoners and sentenced them to jail on phony charges the day an armistice was signed. "One man was sentenced to 18 months for rape," said Cpl. Lawrence Mitchell of Woodbury. "Now how could that be? There wasn't anyone in that damned camp to rape."

Patterns for Identity

The Yoruba tribe of Nigeria is divided into many clans, which identify themselves by varying patterns scratched on members' faces.

Bifocal glasses were invented by Benjamin Franklin.

Play in Archdiocesan Finals Sunday

Members of St. Joseph's baseball team take time out for the photographer during their practice drill in preparation for Sunday's Archdiocesan championship game at Fordham University Field, 190th street and Third avenue, New York. Last Sunday the locals advanced to the finals by nosing out St. Cecilia's of Manhattan, 7-6. Their opponent Sunday will be Holy Cross of the Bronx, a 3-0 winner over Mt. Carmel Juniors of Poughkeepsie. A Kingston victory Sunday would be the first non-New York city team to win the championship. In the above photo, kneeling (l-r) Pete Blankschen, Ed Lindhurst, Andy Dykes, Joe Pino, Joe Hoffman and Tommy Davitt. Standing (l-r) Eddie Ashdown, coach; Noel Bonacci, Tony Altamore, Ronnie Ashdown, Bob Dawkins, Frank Reis and Frank A. Reis, manager. Bob Fay, another member of the squad, was not present for the picture. *(Freeman Photo)*

OUT OF DOORS with Field & Stream

By AL McCLANE
(Fishing Editor)

The other day I received at letter from one of our readers in Philadelphia who said:

"Last summer I was fortunate enough to spend a week in northern Michigan. We caught quite a few fish—smallmouth bass, great northern pike, rock bass and perch. However, I was disappointed because, of all the fish we caught, only one pike was taken on an artificial lure.

"The natives and fishermen who had been going there for several years told us that you couldn't take a fish with anything but live bait.

"I enjoy fly and plug fishing much more than fishing with bait, and I wonder if you could give me any information on this type of fishing in this particular location.

"The opinion seems to be that fish stay in the weed beds from 10 to fifteen feet under the surface, and you have to fish through the weeds in order to catch fish, with the exception of bass, the majority of which are caught in from 20 to 25 feet of water over a rock bottom."

The fish mentioned can all be caught on artificial lures under most conditions. Quite often, the natives in any area know nothing at all about fly fishing and very little about plug casting. After failing to catch fish on their first half-hearted attempts with artificials, they revert to bait and say that the fish won't take a plug or fly.

In one spot where the natives told me that it was impossible to catch smallmouths on anything but live minnows, a friend and I discovered that we would take more fish than the bait fishermen by trolling a streamer fly very deep, just clear of the rock bottom. We caught an occasional snag, of course, but we also caught several bass.

I would be willing to bet that the perch could be caught on a small bucktail behind a tiny spinner which was fished along the edge of the weeds. A weedless spoon with pork chunk will often work on the great northerns, and you can cast it right into the the weeds and work it out with only an occasional shag.

I think you may also catch wall-eyes and smallmouths on plugs, but it will probably be necessary to find the good spots and fish deep. Often these spots are located where shoals break off into deep water. Naturally, without fishing there I can't tell you definitely, but I am convinced that you could take fish on artificial lures if you keep experimenting.

It's a problem like this that make an angler out of a fisherman. You should accept as a matter of course the fact that bait fishing is easier under almost all circumstances. Yet our records show that prize-winning fish invariably fall to artificial lures.

I will be glad to hear how you made out on this problem, if you got to try it this summer.

Giants Trip Indians, 11-8 To Tie Esopus LL Playoffs

Fourth Frame Rally Breaks Up Tie

Esopus Playoffs

	Won	Lost
Indians	1	1
Giants	1	1

Future Slate

Tuesday at 5:30 p. m.

The Giants tied up the Town of Esopus Little League's best-of-three championship series Thursday night with a free-hitting 11 to 8 victory over the Indians.

The Indians opened the championship play Wednesday with a 9 to 1 victory.

According to Bob Graves, the third and final game is scheduled for Tuesday night at Ross Park starting at 5:30 o'clock. Originally, it was announced that the third game would be played Saturday night. The new date was announced this morning.

Both clubs had on their hitting togs last night.

Short Cracks Homer

Bob Short, shortstop for the Indians, featured the extra-base clouting with a homer. Harry Kearse chipped in with a triple while two-baggers were collected by Emory LeMay, Ron Halsey and Bernie Brown.

After the Indians opened with a three-run blast in the first inning, the Giants roared back with three markers.

The Indians kept on firing in the second with a four-run cluster but again the Giants bounced back and this time scored three markers as the Indians held a 7-6 edge.

Tied in Third

After watching the Indians move out in front by 8-6 with a single tally in the top half the determined Giants pushed across a pair of tallies in the bottom half of the frame to knot the score at 8-8 all.

The Giants came up with a three-run uprising in the bottom half of the fourth to register the victory. The Indians were held scoreless in the fourth and fifth. A double, three walks and a hit batsman featured the rally for the Giants.

Harry Kearse, who started at second base for the Giants, came on to relieve Emory LeMay and pitched fine relief ball.

Bruce Holmes and Darrel Myers divided the pitching chores for the Indians.

The boxscore:

Indians (8)

	AB	R	H
Bruce Holmes, p-2b	2	2	1
Darrel Myers, 2b-p	3	0	0

Cherny's Upend Beichert's 9-3

Don "Moe" Osterhoudt allowed nine hits but stranded 11 runners, as Cherny's surprised Beichert's Studebakers, 9 to 3, Wednesday in a City Softball League game.

The Grocers broke a 3-3 tie with two runs in the fifth off Danny Basch and racked up four more in the sixth.

George Bruck pounded three singles in four trips to the plate. Osterhoudt doubled and singled and Carter slammed two hits for the winners. J. Houghtaling hit safely twice for the Studies.

SPORTSMAN'S DIGEST

By Hal Sharp

NIGHT FISHING WITH A LANTERN

8-21

THIS METHOD IS VERY EFFECTIVE WHERE IT IS LEGAL!

TIE A GASOLINE LANTERN TO A POLE SUSPENDED FROM THE BOAT. USE A REFLECTOR TO KEEP LIGHT AND ITS ATTRACTED BUGS AWAY FROM YOU, ONTO THE WATER. ANCHOR IN A CHOICE LOCATION TO AWAIT ACTION. GAME FISH COME TO FEED UPON FALLEN INSECTS AND ATTRACTED SHAD OR OTHER MINNOWS. USE A FLY ROD WITH FLIES OR BUGS. OR, BAIT WITH A MINNOW, USE A LEADER WITHOUT FLOAT OR SINKERS.

IF GAME FISH DON'T COLLECT, CRUISE VERY SLOWLY SO MINNOWS CAN FOLLOW TO FIND THEM.

May Have Ended Attempt

Skardu, Kashmir, Aug. 21 (AP)—A thirteen-day-old dispatch from American mountaineers trying to climb the world's second highest peak indicated today they may have abandoned their attempt. Brought by runner from an advance camp, the dispatch sent Aug. 8 said the expedition was still being plagued by a bad storm and if it did not abate quickly, the group would have to come down from the slopes of 28,250-foot Mt. Godwin Austen (K-2). The storm struck when the expedition had reached the 26,000 foot level.

EMPLOYMENT

NOTICE TO JOB APPLICANTS

The Kingston Daily Freeman does not knowingly accept Help Wanted advertisements from firms covered by the federal Wage and Hour Law if they offer less than the legal minimum wage. Firms engaged in interstate commerce or in the production of goods for commerce must now pay at least 75 cents an hour and time and one-half for overtime under the federal Wage and Hour Law. Job-seekers offered less by covered firms should notify the Wage and Hour Division, U. S. Department of Labor, at 341 Ninth Avenue, New York, N. Y., telephone Lackawanna 4-9400.

Dozen Families Flee From Burning Homes

New York, Aug. 21 (AP) — A dozen families were routed from their Brooklyn homes early today when fire damaged six four-story brick buildings near the entrance to the Manhattan bridge.

Firemen worked an hour to bring the flames under control, and some of them fought the fire from the Myrtle avenue elevated structure.

After the fire was out, all but three of the families were able to return to their quarters.

Firemen said the cause was undetermined. The damage was described as considerable, and it was confined to the upper floors of the buildings, some of which were only partly occupied.

Whaling, once an inportant Australian industry is said to be staging a comeback.

Typos to Remain As Publishers of Competing Paper

Detroit, Aug. 21 (AP)—The International Typographical Union apparently will remain in the publishing business for another year at least.

The union's Unitypo program, under which competing newspapers are started up in cities where ITU members are on strike, won overwhelming endorsement yesterday at the union's 95th convention.

Action on that controversial issue left only secondary matters to be cleaned up at today's final convention sessions. These consisted largely of proposals for revising the ITU Book of Laws, governing rulebook for the union of printers and allied tradesmen.

Unitypo, Inc., a union-owned concern, currently is publishing daily or weekly papers in 11 cities. It also is operating the "New News Service" to provide them a digest of news.

Whether this multi-million dollar program helps avert or win strikes was the question hotly debated by ITU officers and the 400 delegates in a day-long session devoted exclusively to it.

Decisive Votes

When the oratory ended, the delegates boomed out with decisive voice votes on two proposals.

One was for adoption of a minority defense committee report blasting operation Unitypo as an ineffective, costly program "based on force, hate and bitterness." This was soundly defeated.

The other called for firm support of the committee's majority report. This declared Unitypo to be the only effective means of combatting "unfair" publishers. It was passed by at least as large a margin.

Supporters of the Unitypo program claimed a 5 to 1 victory in the voice votes. The program won a 304 to 1 endorsement at last year's convention.

Woodruff Randolph, veteran ITU president, said the only program advanced by the opposition was based on "love for the employer."

"As between love and Unitypo, you'd better stick to Unitypo," he advised the delegates.

Leads Opposition

John J. Conley, a former ITU vice president from Dallas, Tex., led the opposition. He said he was a "a bit suspicious" of some of the figures on the Unitypo balance sheet. This showed an operating loss of $63,066 in 1952 on a total investment of $4,052,355.

Conley also said it would do the union no harm to reveal more financial details on the operation.

Despite the delegates' convincing action, one hitch may develop in the Unitypo program before next year's convention.

Conley's Dallas local is attempting to initiate a referendum on the Unitypo question. ITU officials concede that an adverse vote by the nearly 90,000 members "could be embarrassing" in view of yesterday's opposite convention action. Results of a referendum are supreme and binding over any other.

But ITU leaders said it was doubtful whether Conley would be able to get the required 150 of the union's 800 locals to endorse the move.

ITU members will vote next month on a proposal to double the present assessment of one half of one per cent of earnings for defense purposes. But since the union has nearly seven million dollars in its general defense fund, it would be able to carry on with Unitypo for some time even if this proposal is rejected.

Some folks seem to have mastered the art of getting credit for the hard work others have done.

Has Champagne Birthday

Ballater, Scotland, Aug. 21 (AP)—It was a champagne birthday for Princess Margaret today. The princess is 23. At Balmoral Castle in Scotland, where she is having a holiday with Queen Elizabeth II and the Duke of Edinburgh, she received several hundred happy birthday messages and numerous presents. The champagne comes tonight. The Queen is giving a little party for Margaret's closest friends.

Girl Is Removed To Albany Hospital

Shirlee Audibert, 19, RD Saugerties, who was transferred from the Benedictine Hospital here, to the Albany Hospital Tuesday for treatment of a head injury, was reported "out of danger" today and was expected to return home sometime today.

Reports earlier in the week indicated that Miss Audibert suffered the head injury while riding a horse Monday. The injury appeared not to be serious at first, but when it became more severe she was taken to the hospital here by ambulance. One source said she had been struck by the limb of a tree while she was riding.

Miss Audibert has been employed in the insurance and real estate office of Harold M. Kamp at Saugerties.

Scaffold Rope Breaks, Roofer Dies in Fall

New York, Aug. 21 (AP)—Aaron Schenk, 49-year-old roofer, of 235 East 173rd street, the Bronx, was killed yesterday when a rope holding the scaffold on which he was standing broke and he fell to a rear court.

The accident occurred at the fifth floor of the Hotel Ashley.

Philip Larnard, a roofer's helper, told police he was at ground level at the time, and that the rope broke when he hauled on it to raise the scaffold.

The men were employed by the Allied Roofing and Sheet Metal Works.

Dozen Families Flee From Burning Homes

New York, Aug. 21 (AP) — A dozen families were routed from their Brooklyn homes early today when fire damaged six four-story brick buildings near the entrance to the Manhattan bridge.

Firemen worked an hour to bring the flames under control, and some of them fought the fire from the Myrtle avenue elevated structure.

After the fire was out, all but three of the families were able to return to their quarters.

Firemen said the cause was undetermined. The damage was described as considerable, and it was confined to the upper floors of the buildings, some of which were only partly occupied.

Whaling, once an inportant Australian industry is said to be staging a comeback.

Typos to Remain As Publishers of Competing Paper

Detroit, Aug. 21 (AP)—The International Typographical Union apparently will remain in the publishing business for another year at least.

The union's Unitypo program, under which competing newspapers are started up in cities where ITU members are on strike, won overwhelming endorsement yesterday at the union's 95th convention.

Action on that controversial issue left only secondary matters to be cleaned up at today's final convention sessions. These consisted largely of proposals for revising the ITU Book of Laws, governing rulebook for the union of printers and allied tradesmen.

Unitypo, Inc., a union-owned concern, currently is publishing daily or weekly papers in 11 cities. It also is operating the "New News Service" to provide them a digest of news.

Whether this multi-million dollar program helps avert or win strikes was the question hotly debated by ITU officers and the 400 delegates in a day-long session devoted exclusively to it.

Decisive Votes

When the oratory ended, the delegates boomed out with decisive voice votes on two proposals.

One was for adoption of a minority defense committee report blasting operation Unitypo as an ineffective, costly program "based on force, hate and bitterness." This was soundly defeated.

The other called for firm support of the committee's majority report. This declared Unitypo to be the only effective means of combatting "unfair" publishers. It was passed by at least as large a margin.

Supporters of the Unitypo program claimed a 5 to 1 victory in the voice votes. The program won a 304 to 1 endorsement at last year's convention.

Woodruff Randolph, veteran ITU president, said the only program advanced by the opposition was based on "love for the employer."

"As between love and Unitypo, you'd better stick to Unitypo," he advised the delegates.

Leads Opposition

John J. Conley, a former ITU vice president from Dallas, Tex., led the opposition. He said he was a "a bit suspicious" of some of the figures on the Unitypo balance sheet. This showed an operating loss of $63,066 in 1952 on a total investment of $4,052,355.

Conley also said it would do the union no harm to reveal more financial details on the operation.

Despite the delegates' convincing action, one hitch may develop in the Unitypo program before next year's convention.

Conley's Dallas local is attempting to initiate a referendum on the Unitypo question. ITU officials concede that an adverse vote by the nearly 90,000 members "could be embarrassing" in view of yesterday's opposite convention action. Results of a referendum are supreme and binding over any other.

But ITU leaders said it was doubtful whether Conley would be able to get the required 150 of the union's 800 locals to endorse the move.

ITU members will vote next month on a proposal to double the present assessment of one half of one per cent of earnings for defense purposes. But since the union has nearly seven million dollars in its general defense fund, it would be able to carry on with Unitypo for some time even if this proposal is rejected.

Some folks seem to have mastered the art of getting credit for the hard work others have done.

Has Champagne Birthday

Ballater, Scotland, Aug. 21 (AP)—It was a champagne birthday for Princess Margaret today. The princess is 23. At Balmoral Castle in Scotland, where she is having a holiday with Queen Elizabeth II and the Duke of Edinburgh, she received several hundred happy birthday messages and numerous presents. The champagne comes tonight. The Queen is giving a little party for Margaret's closest friends.

Girl Is Removed To Albany Hospital

Shirlee Audibert, 19, RD Saugerties, who was transferred from the Benedictine Hospital here, to the Albany Hospital Tuesday for treatment of a head injury, was reported "out of danger" today and was expected to return home sometime today.

Reports earlier in the week indicated that Miss Audibert suffered the head injury while riding a horse Monday. The injury appeared not to be serious at first, but when it became more severe she was taken to the hospital here by ambulance. One source said she had been struck by the limb of a tree while she was riding.

Miss Audibert has been employed in the insurance and real estate office of Harold M. Kamp at Saugerties.

Scaffold Rope Breaks, Roofer Dies in Fall

New York, Aug. 21 (AP)—Aaron Schenk, 49-year-old roofer, of 235 East 173rd street, the Bronx, was killed yesterday when a rope holding the scaffold on which he was standing broke and he fell to a rear court.

The accident occurred at the fifth floor of the Hotel Ashley.

Philip Larnard, a roofer's helper, told police he was at ground level at the time, and that the rope broke when he hauled on it to raise the scaffold.

The men were employed by the Allied Roofing and Sheet Metal Works.

Stassen Will Take Exam Himself in Move to Fire 400

Washington, Aug. 21 (AP)—Foreign Aid Director Harold Stassen sits down to take an exam today and show his 1,700 employes that it doesn't hurt.

The test is being given to the whole Washington staff of the new Foreign Operations Administration. Budget cuts make it necessary to fire 300 or 400 of them and results of the test will help show which ones have to go.

Stassen's rating will be available to President Eisenhower, his only boss, but there have been no reports that his $22,500 a year job is in any danger. Some casualties are possible among the 25 top aides due to appear with him at the examination room in the old State Department building. All make $8,340 or more a year.

Stassen himself proposed the test, which government employes' unions have claimed is discriminatory because it is being used by only one agency.

Claim It's Rough

FOA employes who have taken the test say the boss is in for 3½ hours of head scratching, with only one 15-minute break. First he gets a ready comprehension test. Then he has a choice between one on public affairs and one designed to show administrative judgment.

Smoking is permitted and one monitor, at least, told the women they could take off their shoes if that would make them more comfortable.

Sample Question

Sample question on public affairs:

"Which of the following conditions in an industrial concern that has recently installed labor saving machinery would be most likely to lead to reabsorption of some of the technologically displaced workers?

"(A) The concern has monopolistic control of the market.

"(B) The displaced employes were chiefly skilled workers.

"(C) The product is sold throughout a wide area.

"(D) The product has a highly specialized market.

"(E) The demand for the product is elastic."

The correct answer is given as "E."

Johnson Balks at Aid

Tyler, Tex., Aug. 21 (AP)—Unless the situation changes and "some nations put their houses in order, I have voted for my last foreign aid bill," Senate Minority Leader Lyndon B. Johnson said yesterday. Johnson spoke here at a country club luncheon. "We will have to find a stopping point on foreign spending before we bleed ourselves white," he said. "If Chancellor Adenauer (of West Germany) goes under in September," Johnson warned, "We will have to rely largely upon ourselves to face our big enemy in the world—communism."

Youth's Fines Suspended

Harvey W. Thompson, 17, who gave his address as 625 Broadway, pleaded guilty to charges of driving while intoxicated and unlicensed operation when he was brought before Justice of the Peace George Braendly of Woodstock at an adjournment hearing Wednesday night. He was sentenced to a fine of $50 on the former charge and $25 on the other, payment of both fines ordered suspended. Thompson was arrested Sunday night near Woodstock by state police of the Kingston station.

Stevenson Plans Report on Tour

Chicago, Aug. 21 (AP) — Adlai Stevenson, home after a world tour of nearly six months, apparently will give President Eisenhower a report on his global tour.

The defeated Democratic nominee for President in 1952 was asked by reporters if he had been invited to consult with the President.

"Before I left," Stevenson said, "he (Eisenhower) asked me to see him when I came home. Every American responds to his President's requests."

The former governor of Illinois, who visited some 30 countries since he left the United States last March 1, discussed his world tour—and politics—with reporters in news conferences in New York and Chicago yesterday.

He told the New York newsmen he didn't know whether he would be a presidential candidate in 1956. He also told them that Russia appears to be in retreat in the cold war and that the danger of a major shooting conflict has eased for the present.

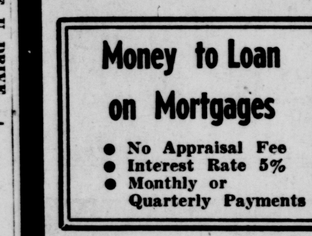

In Chicago, when he was asked if he considered himself "head of the Democratic party," Stevenson smiled and said: "I don't know," adding he would be active in politics "to the extent that circumstances permit."

Stevenson said he had not been in close touch with the political situation and had made no specific plans as to the role he would play in next year's congressional elections.

"But I want to do everything I can to help the party and the country," he told reporters.

Can Do as They Please

Louisville, Ky., Aug. 21 (AP)—City buses that look like oversized loaves of bread, milk cartons and other household fixtures had the green light today. The city law department held yesterday that there is nothing legally wrong with the Louisville Transit Company's venture into the advertising field. So the buses, painted to resemble bread wrappers, etc., will keep on rolling.

It's the "KNOWING HOW" that saves You Money!

Servicing John Deere Farm Implements can be expensive or economical, carelessly or efficiently done, depending on the mechanic.

Efficiency joins with economy when we recondition your equipment. Our *trained* mechanics, schooled in servicing methods recommended by John Deere, know just what to do and how to do it. They work with precision equipment and use only *genuine* JD Parts as replacements.

That's a three-way combination no other shop in this community can offer. See us for details soon.

Experts Advise On Safety Vaults

Washington, Aug. 22 (AP)—Civil defense experts said today that anybody worrying about Russia's test hydrogen explosion ought to build a shelter in the basement or backyard if he is within 10 miles of the center of a target area.

Beyond 10 miles, a Civil Defense Administration official said, a person takes a calculated risk if he doesn't have a backyard bunker or a lean-to or box-type shelter in the cellar.

Near the core of an atomic explosion, there just isn't any sure protection. But tests in the Nevada desert have shown shelters to be effective at a distance. The distance is greater with a hydrogen bomb than with an A-bomb, but the type of shelter need be no different.

Civil Defense Director Val Peterson says an H-bomb attack wouldn't bring a different kind of disaster, only a greater degree of disaster. As with the A-bomb, the greatest damage from an H-bomb would result from blast and fire rather than radiation.

The original atom bomb could burn you at a distance of two-thirds of a mile or more, but an H-bomb might char your skin at 10 miles.

Stassen Will Take Exam Himself in Move to Fire 400

Washington, Aug. 21 (AP)—Foreign Aid Director Harold Stassen sits down to take an exam today and show his 1,700 employes that it doesn't hurt.

The test is being given to the whole Washington staff of the new Foreign Operations Administration. Budget cuts make it necessary to fire 300 or 400 of them and results of the test will help show which ones have to go.

Stassen's rating will be available to President Eisenhower, his only boss, but there have been no reports that his $22,500 a year job is in any danger. Some casualties are possible among the 25 top aides due to appear with him at the examination room in the old State Department building. All make $8,340 or more a year.

Stassen himself proposed the test, which government employes' unions have claimed is discriminatory because it is being used by only one agency.

Claim It's Rough

FOA employes who have taken the test say the boss is in for 3½ hours of head scratching, with only one 15-minute break. First he gets a ready comprehension test. Then he has a choice between one on public affairs and one designed to show administrative judgment.

Smoking is permitted and one monitor, at least, told the women they could take off their shoes if that would make them more comfortable.

Sample Question

Sample question on public affairs:

"Which of the following conditions in an industrial concern that has recently installed labor saving machinery would be most likely to lead to reabsorption of some of the technologically displaced workers?

"(A) The concern has monopolistic control of the market.

"(B) The displaced employes were chiefly skilled workers.

"(C) The product is sold throughout a wide area.

"(D) The product has a highly specialized market.

"(E) The demand for the product is elastic."

The correct answer is given as "E."

Johnson Balks at Aid

Tyler, Tex., Aug. 21 (AP)—Unless the situation changes and "some nations put their houses in order, I have voted for my last foreign aid bill," Senate Minority Leader Lyndon B. Johnson said yesterday. Johnson spoke here at a country club luncheon. "We will have to find a stopping point on foreign spending before we bleed ourselves white," he said. "If Chancellor Adenauer (of West Germany) goes under in September," Johnson warned, "We will have to rely largely upon ourselves to face our big enemy in the world—communism."

Youth's Fines Suspended

Harvey W. Thompson, 17, who gave his address as 625 Broadway, pleaded guilty to charges of driving while intoxicated and unlicensed operation when he was brought before Justice of the Peace George Braendly of Woodstock at an adjournment hearing Wednesday night. He was sentenced to a fine of $50 on the former charge and $25 on the other, payment of both fines ordered suspended. Thompson was arrested Sunday night near Woodstock by state police of the Kingston station.
